SHINE FULTON | HEAD BOY

Walking into Kerikeri High School on February 7th in 2012, having come from the tiny school of Kaeo Primary, I can say at the very least I was shocked. I felt like an ant entering a herd of buffalo. According to mum, starting high school also meant I was now a big kid and I had to change a few habits from primary.

For one, I had to wash and actually wear shoes, but apparently shifting up to high school also meant underwear became compulsory.

Fast forward seven years and I now sit on the brink of leaving what is now a much more familiar place. The same little kid that entered the school all that time ago has grown up and I now set myself up, ready for a much more significant transition. The time has come for my fellow Year 13 mates and I to brace for the big world, which is both exciting and scary, but something I feel we are all ready for.

It will be sad leaving Kerikeri High School, as it has become a comfortable place for me and I owe this to the teachers along the way. So many have had my back since Year Seven. I am sure my fellow peers will agree with me in saying that reaching and finishing Year 13 has been a team effort. Our awesome Dean Mrs Anette Riedlinger has taken every one of us under her wing since joining us in Year Eight. Combine this awesome support with the motivation our subject teachers have provided and you have a potion for success.

I have enjoyed following the outstanding achievements of my peers through each year of high school. I have confidence that many of these achievements are only small tastes of some of the successes many of you have in store for your futures.

Whether it be in a sporting or academic context, it will bring me great pride in knowing I went through High School alongside an accomplished Olympian, or potential bio chemical engineer.

Despite school now being over and the freedom of summer knocking on our doors, we must remember to finish the year as strong as we started. Before the days become filled with epic bombs from Charlies Rock, and smashing through massive waves at Matauri Bay, exams must be given priority. The almighty Daniel Carter once said "Practice. Practice. Practice makes perfect" and look how things turned out for him. So, take Dan's word for it and commit to the up and coming exams with everything you have. You will never regret giving it your all.

Finally I wish an awesome and safe conclusion to the year for everyone at Kerikeri High School and for those coming into Year 13, I wish you luck and I am sure you will thoroughly enjoy your last year of school. To all my year level mates, I look forward to following your progress in the future, in whatever field you choose to pursue.

ISSY JOE | HEAD GIRL

My mum has always told me that it takes a village to raise a child and when I reflect on my seven years at Kerikeri High School, I can genuinely say that there is truth to this. Who knew that this school would be the place where I'd make some of the best memories ever and meet people who would influence my life so positively.

My time here at Kerikeri High School has been full of personal growth. It would not have been so incredible without the people I have been able to experience it with. From my netball coaches and math's teachers who never lost faith in me, to all my teachers on the other end of my emails. You have helped shape me into the person I am proud to be today and made my journey here at Kerikeri High School one that I will remember.

It has been an absolute privilege to serve as Kerikeri High School's Head Girl for 2018. It wasn't until this year that I realized just how much work goes on behind the scenes here at Kerikeri High School. As students, I think we unintentionally take for granted the fact that we come to school every day into a safe and supportive environment. The effort put in by our teachers to create a comfortable atmosphere and a sense of belonging is something to be truly appreciative of.

The school's spirit and pride is something I will miss a lot. It has been evident on a number of occasions this year, such as at the Tai Tokerau Festival when the mighty Te Pou o Manakō took the stage and more recently when we opened our brand new building, Te Puna Waiora. I want to encourage all of you to get involved in everything that you can, the foundation for you to excel and achieve incredible things is there, so go for it.

To the class of 2018: we made it. I am proud to be part of such a diverse and talented year group, who I know will go on to achieve great things. I wish you all the best for your journey, and want to thank each of you for being a part of mine. We would not be here today without the support and encouragement of our Dean Mrs Riedlinger. Thank you for always being there for us, putting up with us, and getting us across the finish line. I hope we have made you proud.

Next year I am hoping to study Law at the University of Auckland. I know I will miss home a lot, but as they say, you can take the girl out of Kerikeri but you cannot take Kerikeri out of the girl. I am confident that I have the skills, support and groundwork needed to face any challenge and I know I got those from Kerikeri High School. As one of my favourite characters Pooh Bear said "How lucky am I to have to have something that makes saying goodbye so hard?"

ANZAC DAY

We were proud of our representation at the Dawn Service for Anzac Day. Our Prefects were flag bearers, Head Girl Isabella Joe read "The Ode of Remembrance" in te reo Māori, and with Head Boy Shine Fulton read poems of remembrance, our Concert Band and Choir provided the music and Georgia Doherty played the traditional "Last Post" commemorating those who have been killed in war. We presented a wreath on behalf of our young people who are mindful of the sacrifices made for our country.

Student Council

The Student Council is a student group that represent students' voice and involvement in some school decisions. We meet fortnightly to address issues in the school that directly affect students. Communication through Class Representatives is important to let the Council know of student's ideas for the betterment of the school.

This year our Chair people are Issy Joe and Shine Fulton, our Secretary is Leah Green and our Treasurer is Lyndon Wan. The other members are Deputy Head students Reece Noorwalla and Bryna McCondach, and our Year Level Representatives Hazel Kay, Lucia Avery, Mila Urlich and Emily Lyall.

The Student Council decides on the spending of the money raised annually from the school's major fundraiser, Workday. Class Representatives and Year Level Prefects present ideas

The 2018 Student Council

and suggestions from across the school to Student Council to help inform spending decisions. The money collected from Work Day has contributed funds to be able to make student focused improvements around the school. This year we are looking at spending the money on:

- A new rain proofed covered way along the side of Te Puna Waiora for bus students
- New rain proofed covered way outside ENG1 for students waiting for parents
- More benches and picnic tables around the school fields
- A set of new piupiu for the Kapa Haka Roopū

Remember to keep a lookout for the Student Council's influence around the school in the coming terms.

Te Roopū Tautoko

We welcome all students along to our Roopū every Monday and Friday form times. Te Roopū Tautoko gives students the opportunity to open and close the week according to kaupapa māori as well as hear te reo māori spoken more regularly. We also work with senior students to develop their leadership skills as tuākana.

Leadership

Hannah Watson, Hannah Pearson, Kate Ward, Monique Cookson, Gabrielle Lambers, Yves Brown, Olivia Sherman and Jasmine King won places on the Massey University Young Women into Leadership Programme. They competed against contenders from all over the North Island for places on this programme designed to encourage and develop leadership skills.

Sophie Fox, Minaia Corfield, Summer Wagener and Jamaine Young represented Kerikeri High School as part of the Waitangi Education Student Advisory Group. The purpose of this group was to gather valuable student feedback for the development of education programmes offered at the Waitangi Treaty Grounds. Students participated in a 3-hour educational experience including visiting the museum, enjoying a cultural performance, as well as hands-on activities and games designed for students as part of their learning.

Students then offered their perspectives on what they view as important on the Treaty Grounds, areas that they would like to learn more about and feedback on the activities offered. They took part in small group discussions evaluating the programme and suggesting future activities that our Education Team might introduce.

On Daffodil Day this year, we raised \$2,950 to support the Cancer Society of New Zealand. Prize winners Tiarnan Breeze and Kyra Holmes guessed the closest amount of lollies in the jar and 8FLO raised \$51.50, the highest total raised by a form class. Best-dressed prizes went to Samantha Dearnley, Riley McMurtry, Braeden Leung and Ella Howells. Mrs Forgie drew out Tamure Webb's name to win the Huawei Y6 gift pack.

Olivia Sherman and Brodie Campbell represented New Zealand Youth on a trip to China, as International Youth Interactive Friendship Camp Ambassadors. Their goal was to build friendship ties with youth from around the world. The Shanghai Youth Federation sponsor the International Camp in Shanghai, in a region called Oriental Land. Olivia and Brodie were with the group for 16 days, with 18 other countries represented at the camp. Their highlight was meeting people from such a range of different cultures.

The SADD team ran a fun, challenging activity to raise awareness about the dangers of distractions while driving.

The Students Against Dangerous Driving (SADD) team with Constable Rob Drummond all ready to go with their fundraising activity for the month of 'Remember September'.

Dux and Proxime Accessit

To be considered for the top awards of Dux and Proxime Accessit at Kerikeri High School a student must first be a Top Scholar. Each Top Scholar's other achievements, demonstrating the Kerikeri High School philosophy of success across the four cornerstones of a balanced education are researched, considered and rated. It is even more exceptional when a Top Scholar achieves at the highest levels in other Cornerstones.

Model United Nations Assembly

The Rotary Model United Nations Assembly is an event open to Year 12 and 13 students from Auckland and Northland held at Auckland Girls Grammar. Students are allocated countries from around the world in teams of three; the teams from Kerikeri High School represented Equatorial Guinea, Qatar, and Spain.

Students took part in a working Model United Nations Assembly in which students embodied their nation and its beliefs. Each nation and its delegates spoke for three minutes about two out of five remits. These remits ranged from examining the integrity of elections in member nations, to the United Nations actively enforcing the protection of women's rights in member nations. Each remit was intensely debated from nations both for and against, as well as various nations pushing for amendments to the remits. As well as an impromptu debate, Equatorial Guinea also took part in an emergency Security Council meeting.

Thomas Richards was selected to attend the Enterprise in Action weekend. Students are put into a high-pressure environment where they collaboratively develop a business plan and product concept.

SCIENCE AND TECHNOLOGY

The Top Energy Far North Science and Technology Fair is the culmination of weeks of work and application by students, teachers and whānau. Top Energy's ongoing generous sponsorship supports the effective educational programmes that are benefitting the students of the Far North and broadening their horizons. We are fortunate to have the support of other companies and institutions also. Their involvement offers wonderful prize packages to the students and ensures a quality judging process.

This year Kerikeri High School students scooped a number of top awards at the prize-giving event including the Year 8 Premier Award presented to Maia Williams for her "Mangroves on the Margin" study. Maia also scooped up a Gold and two Special Awards. Nicole Johnston and Annette Pilapil were joint Premier Senior Award winners, both also winning Outstanding and Gold Awards for their projects called "Goodness of Glucose" (Nicole) and "All Natural" (Annette). Other Outstanding Award recipients were Leah

Green and Sophia Fotheringham "Springclean Blue-Green", Jacky Edwards and Trinity Frater "Tradescantia vs Native" and Tony Munford "Shock or Not." Jasper Sharp, Charlotte Gamble, Faith Hohepa, Jeany Kim, Charlie Potter, Jade Sceats, Cameron Willis, Imogen Crooks and Daniel Ellingham received Gold Awards.

Te Tai Tokerau Festival

Over two days in April, Kerikeri High School was excited to be hosting the 43rd annual Tai Tokerau Festival for the first time since 1984. Kerikeri High School ensured that we were outstanding hosts for our community, for the 27 Kapa Haka Roopū performing and all of their supporters and for all who came to experience the diverse and magnificent performances and all of the entertainment.

We thank Ngāti Rēhia and our staff and students who really stepped up into high calibre event management. The Police, St Johns and the Māori Wardens were great, and Te Hiku Media covered the event extensively. We estimate 5,000 people enjoyed the event over the two days. We are very proud of hosting such a successful event and hope you were able to come along.

Ngā Tāonga

More than 150 Kerikeri High School Kapa Haka students and Prefects, supported by Ngāti Rēhia and our contributing Primary Schools were involved in the awesome Haka Pōwhiri that welcomed the 27 performing schools to the Tai Tokerau Festival. Soon after, our amazing Kapa Haka group Te Pou o Manakō produced

two outstanding performances, the second of which was streamed on the big screen outside for those who were not inside the gymnasium. Alongside our Prefects, at the end of the two-day festival they also supported the handover of the Mauri to Whangarei Girls' and Boys' High Schools, hosts of the 2019 Tai Tokerau Festival.

Our Kapa Haka Students continued to work hard after the Tai Tokerau Festival, representing us at the Tangi of Kaumatua Kingi Taurua, welcoming the Prime Minister to Koropiro, representing Kerikeri High School at Ngā Manū Korero and performing at our Matariki Celebration Evening amongst other pōwhiri to welcome people to Kerikeri High School.

After winning the Ngā Manu Kōrero Regional Competition, Rehutai Armstrong-Kingi then qualified to represent our school, his whānau and Te Tai Tokerau region at the Ngā Manu Kōrero National Competition held in Gisborne. This was Rehutai's first time competing at a National Level and he stood so proudly and confidently that he achieved 4th place.

A week later, Rangimāria Waiātarere travelled to Gisborne to represent our school, her whānau and Tai Tokerau in another oratory competition Ngā Pū Kōrero, which is in te reo Māori only, hosted by the Māori Women's Welfare League. Rangimāria had already won the regional Intermediate Girls section where she was awarded the Maree Miller trophy. She was in her element in Gisborne as she stood again to deliver a very powerful speech in te reo Māori.

Rehutai and Rangimāria were supported by a small group of their peers, teachers, kaumātua and kuia who also made the trip down to Gisborne. Both of these students have an incredible future in oratory delivery and leadership roles and we wish them the best for the future. Whāia te iti kahurangi, ki te tuohu koe, me he maunga teitei.

A group of Year 9 and 10 students took part in the Dare to Devise 48-hour drama challenge. Their 10-minute piece of original devised theatre was created in just two days then performed onstage at Forum North, Whangarei. Despite being the youngest in the competition, the students impressed the judges and were presented with an award for 'Excellence in Staging'. The students were: Amy Honey, Faith Ward, Casey Roberts, Anneke Veenis-Petzer, Vinnea-Rose Joyce-Manners, Stella Saville-Burley, Holly Thackwray and Imogen Crooks.

A group of 35 dancers and technical crew competed in Show Quest at Forum North in Whangarei. The Group's performance called 'You Do You' was about personal resilience and being brave enough to step out of the boxes that social media places teenagers in. The students' fantastic efforts were acknowledged with awards for Best Use of Technology and the Enhancement Award.

Rockquest students had an amazing year, with four acts progressing from the Far North competition to the next stage of what was a very high-standard competition. No Credit (Izzy Read and Giorgia Davies) placed 2nd in the Solo/Duo division, Fresh D'Vision (Zaelich Tua-Mrkusich, Josh Harper, Niwa Korewha) were 2nd in the Tagata Beats competition, Reflecks (Cameron Dudley, Bella Mason, Brea Marsh, Felix Danilo, Myer Robb, Jack French) were placed 3rd in the regional final and Good Morning Waipapa (Ty Davis, Sophia Houben, Ben Thomas, Sarah Doherty, James Dawes) were offered a chance to submit a video to the National Final.

Highlights of the competition included the crowd suddenly cheering as James did a quick sax solo for sound check; Ty's 360 degree jump after the drum solo; the huge crowd response when Zaelich started singing; the sighs of 'how beautiful' after Izzy and Giorgia finished; the crowd response to Chris's humour; Troy falling off (then getting back on top of) the loop after a solo; The Tempts Marcela and Nicole's matching outfits and vibe; Heavy Steel proving that 11 year olds can rock and of course Felix's legendary head banging.

Year 11 Geography students competed at the Maatangi Whenua Northland Regional Competition. Students moulded playdoh, answered quiz questions, read maps, and formulated answers based on visual evidence. A Kerikeri High School team of Chris Lawrence, Ben Blackman and Sarah Traill won this regional event, nationally placing an impressive tenth out of 136 teams. The team of Julie Autet, Samantha Taylor and Moritz Bruehe placed fourth.

Tourism students have opportunities to complete different practical courses either based in Paihia or Whangarei, as well as visit various tertiary providers for future study options in Paihia, Whangarei and Auckland.

Community Problem Solving

Tradescantia is an invasive weed species that smothers native seedlings and stops our Northland forests from regenerating. A Community Problem Solving Team called the Tradescantia Terminators is now attacking it.

The fight against Tradescantia started in 2017. Under the guidance of Dr Dymock, a Northland Entomologist, and with the help of Year Seven students, the Tradescantia Terminators set about collecting beetles that had recently been introduced into New Zealand by Landcare Scientists. The beetles come from Brazil and only eat Tradescantia. With a blessing from Ngāti Rēhia Kaumatua Alan Munroe the beetles were released along the Wairoa Stream Track.

In 2018, the fight continued with another weapon, manual weeding. Assisted by Year Nine students and members of the community the CmPS team removed Tradescantia from flood prone areas along the stream where the beetles were likely to be washed away. The Tradescantia was then composted in weed bags made by the team. The weeded areas were subsequently planted with native trees, including 300 manuka seedlings. A 'Terminator Tank' was made then donated to the community to be used in the ongoing war against this invasive weed.

The Tradescantia Terminators want to thank their primary sponsor Comvita Kiwi Bee NZ, Friends of the Wairoa Stream, Vision Kerikeri, ShadeHouse and all the Facebook followers that have been cheering the Team along.

NATIONAL CHAMPIONS

The 25th Future Problem Solving New Zealand Finals event was bigger and better than ever before. Community Problem Solving projects were submitted from across New Zealand, with the best six invited to compete at the 2018 National Finals. Our Tradescantia Terminators team earned an invitation, so off we went to Auckland for a weekend of fun challenges, creativity and serious competition.

The team had two hours to set up their display then went into a 30-minute panel interview throughout which each team member answered questions on aspects of their project. That night each team gave an account of their project to the 200 participants. Our team were the 2018 National Winners of the Community Problem Solving Senior Division, which is an enormous achievement. They will now go on to represent New Zealand at the International Future Problem Solving Competition in Boston, USA in 2019.

International Department

2018 has been a busy year for the International Department, with Semester Two seeing a record number of enrolments of students from Europe, Latin America and Asia. Our Pōwhiri to welcome new students in February and July were profoundly moving. Rodrigo Pinochet Borchert and Elias Delug both welcomed the opportunity to speak on behalf of their International Groups.

The year got off to a great start with our first Orientation Adventure Camp in Russell. Students enjoyed snorkelling, kayaking, bush walks and orienteering in a team-building environment.

Kerikeri High School hosted the two-day Te Tai Tokerau Festival in April and our Kapa Haka Roopū included two Italian students Micol Mazza and Luca Poletti. Micol and Luca earned their places through many hours of practice, hard work and sheer determination and it was a very proud moment for us to accompany their International peers to watch them perform.

The International's Got Talent Show performed a sold out production in conjunction with the Drama Department. Nina Flachsmann and

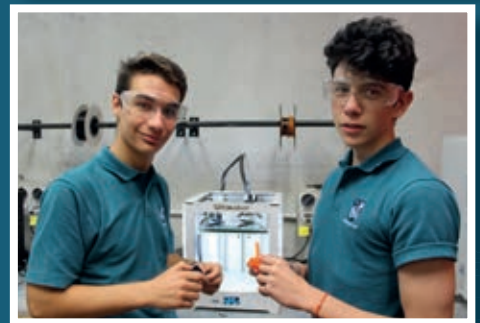

Fenja Reeps were the driving force behind the organisation of this production and there were some highly entertaining performances.

Our students continue to get involved in a wide variety of adventures, sports and cultural activities available at Kerikeri High School and in the Kerikeri community. Senior Hospitality student Jil Klein was part of the Kerikeri High School team that competed at the National Hospitality Competition in August, placing second overall in the top New Zealand School award and winning Gold for her Berry and Mango Smoothie and a Silver medal for her Table Setting.

More and more of our students are coming to Kerikeri High School to take part in our Sailing Academy, which is enjoying record high numbers and others continue to enjoy Surfing, Equestrian and Golf. Term 3 has seen the launch of the Academic Plus Mountain Biking programme and our students are currently enjoying the best of the Waitangi Mountain Bike Park as well as the more challenging Inlet Road side of the Waitangi Forest tracks.

Our Semester Two intake enjoyed an "Amazing Information Gathering Race" with their Kiwi Buddies during

orientation, a friendly and fun way to get to know each other and our school. We would like to take this opportunity to thank all our 2018 Kiwi Buddies who have warmly welcomed so many international students into their hearts and school this year.

RUGBY

This year we played our First XV in the Northland U16 Club Competition. With the departure of several key senior players in 2017, the decision was made to focus on our younger players with the aim of building up a solid, well-drilled and cohesive group for the future. The team did well, getting through the season with one loss in pool play, narrowly losing the final by only two points.

We then switched to mid-week rugby combining our U16 team with older boys to compete for the Northland Co-Ed Secondary Schools title. We played three games, finishing 1st equal on points: a Northland title for the fourth year running.

In December 2017 our Girls Under 15 Sevens Team won the coveted Condor New Zealand Title, winning all their games comfortably. This achievement is historic for our school - it is our first National Rugby Title. Congratulations to the team and their coach Belinda Edwards and to Mia Anderson and Eva Fulton who were selected for the New Zealand Under 15 Tournament Team. Our victorious players were Eva Fulton, Mia Anderson, K'Lee Going, Billie Brown, Rangimāria Waiātare, Charlotte McCondach, Manaia Webb, Rosie Robinson, Savannah Foster, Jorja Batts, Andrea Cotton and Maybel Koro.

First XV Boys

We were also successful at the Northland Sevens competition in late term three. Open boys placed 4th, U15 boys 1st, open girls 2nd and our two U15 girls teams placed 3rd and 5th. Our U15 girls' teams were made up of girls who had never played before so they did remarkably well. This December will see us field U15 boys and U15 girls teams at Condors. We also have an U16 mixed team travelling to Rarotonga in December to play in the Cook Islands International Challenge.

UNISS Netball

Kerikeri High School fielded 21 netball teams for the Saturday competition at the Kerikeri Netball Centre from May through to August. Our junior competition finished on a high note with a number of Year 7 and 8 teams making the finals. Grade 3 winners were KKHS Jade and our Grade 2 winners were KKHS Pounamu.

The senior competition was very much a Kerikeri High School affair, with teams placing well in the final round. Our UNISS team placed 2nd in the Premier grade, KKHS Senior Magic won C grade, KKHS 9A won B Grade and KKHS Kahu placed 1st in A grade.

Congratulations to our top school umpire Stacey Ferguson who achieved her New Zealand Centre Theory Exam.

NETBALL

BOI Beast

Forty-nine Kerikeri High School students in a field of 250 travelled to Haruru to compete in the off road, farm based mountain running/goat trail BOI Beast event. Weather was amazing for running and our team had a great time. Our top podium results were: Mason Younger 1st overall and 1st U16, Callum Hoult 2nd U14, 6th overall, Max Donaldson 2nd U16, Max Jordan 3rd U14, Oona Rodenburg-Broido 3rd U16, Holly Pickery 3rd U14.

Tough Guy and Gal

The Tough Guy and Gal Challenge consisted of a 12km run in the mud. For most of the group, it was the first (and last) time ever, a personal challenge to do it before finishing school. It was hard work, exhausting and multiple competitors lost their shoes. This year our girls were crowned Top Tough Gal Team, and the boys placed third overall. Top individual places went to: Mason Younger 1st U15 boy, Nathalie Hull 1st U15 girl, Cleo Boyd 2nd U15 girl, Maya Rodenburg-Broido 2nd U18 girl, Max Donaldson 3rd U15 boy, Cody Pickery 3rd U18 boy, Kate Moyle 3rd U18 girl.

BOYS FIRST XI FOOTBALL

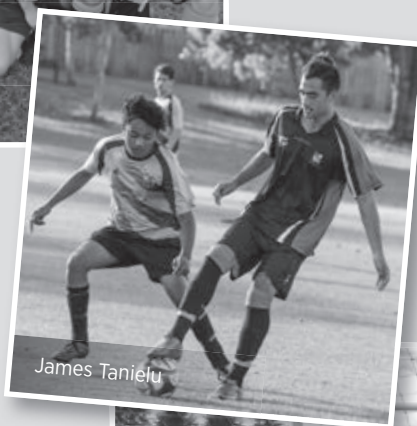

Boys Tournament team

Northland Secondary Schools Champions

The Premier Boys' grade played their Northland Secondary Schools' final against Whangarei Boys High School in a home game match for the Northland title. The game was intense and hard fought from start to finish, with Kerikeri coming through to win 2 -1.

James Tanietu

The 2018 Rex Dawkins Football Tournament took place in Napier. We started well coming away with a very close 2-1 loss, then our young side struggled in our next three matches against bigger and stronger opponents. Games were cancelled and pitches closed as the weather deteriorated over the week. On Thursday we drew our game 5-5, then we travelled to another changed venue to take on Takapuna Grammar. The game ended with a 7-1 win to our boys with Geoffrey Zwaneveld scoring four goals and Rob Willems three goals, his second hat trick of the tournament. This made Rob our top goal scorer for the week. Matthew Timperley was our Most Valuable Player and Josh McNulty Most Improved Player.

GIRLS FIRST XI FOOTBALL

First XI Girls Football

The Kerikeri High School Girls Football team played in the Northland Women's League. Having played 18 games, they won 11, drew 5, lost 2, scoring 55 goals. The girls went on to finish 2nd in the League which was a great result for the team. This year the team also played in the local secondary schools mid-week competition. From 8 games the girls walked away with 8 wins, going on to win a well fought game over Kaitaia 2-1, finishing 1st overall.

The Secondary Schools Tournament was in Rotorua. Finishing 2nd in pool play the girls then went on to finish 4th out of 24 teams, which was an outstanding result considering the calibre of the competition. The last game of the season was the Northland Women's Knockout Cup Final. It was a thrilling game, which saw the girls carry

on into extra time, only for them to narrowly lose 2-1, placing them 2nd overall in the Northland Women's League.

We also entered an U16 and an U19 team into the Northland Futsal Championships, with both teams finishing 2nd. Tara Jackson and Emily West went on to play for the Northern Federation at national level. Another highlight was Tara and Emily playing for the Aotearoa Māori Women's Team in several international friendlies.

Overall, it was an outstanding season, scoring an unprecedented 70 goals in the two Northland Premier Cup competitions and playing 38 games in total. Their results are a fitting accomplishment for the 9 senior players who leave us this year. Thanks to Harcourts Kerikeri and Blast NZ for their sponsorship this season.

Cricket

Cricket continued to enjoy a resurgence at Kerikeri High School this year. For the first time ever, the school fielded three sides in Northland Cricket competitions. Two Year 7/8 A Grade teams and a Third Grade team played throughout the summer with all three teams achieving some impressive wins. The improvement of players across all teams was a highlight

and a number of boys were selected to play representative cricket for Northland. Another highlight was the local derby at the end of the A Grade season with saw our two teams play against each other for first place in the post-Christmas competition.

Volleyball

Senior boys and girls Volleyball teams both played their preliminary rounds at Kensington in Whangarei and qualified for the finals day, but this outing was all about winning for seeding places. Both teams placed 3rd at the Northland Secondary Schools Volleyball Finals event, which was a great result.

Hockey

The Hockey team returned to playing in Whangarei this year, which meant they were competing against school rather than adult teams. The van trips created good team bonding and a chance for everyone to get to know each other better. The team were winners of the Division 2 round robin competition.

This year saw the Mixed 1st XI Hockey team travel to Whanganui for Tournament Week, a nine-hour drive with no stops. The team played 7 games, winning 5 and drawing 1. We placed 9th overall, with the team being top goal scorers of the tournament with 27 goals.

Mountain Biking

We had another strong, full year of mountain biking, with the school represented at Cross Country and Downhill events at the Northland Secondary Schools Champs in Whangarei. Lily Wilson was placed 1st overall girl, Luca Legler 3rd junior boy, Adam Pilling and Mason Younger 1st= senior boys and James Oxley 3rd senior boy.

We also attended the Crankworx National Secondary Schools races in Rotorua and the North Island Nationals in Tauranga where our senior mixed relay team come home in 2nd place. We had some representation in Auckland with Adam Pilling winning cross country races as well as the Auckland Enduro Series for his age group. Locally we were well represented in the Kerikeri Enduro with all of the younger age groups won by our riders. Thursday afternoon rides have been busy and the skill of our younger riders is advancing well.

AIMS GAMES

Florence Venner and Maia Williams

Kerikeri High School sent 27 Year 7 and 8 athletes to this year's Aims Games Sporting Championships in Tauranga: a football team, netball team, 2 swimmers and tennis player. The sporting week was both challenging and exciting with some very close results in football and netball. Both teams played well in pool play with the netball girls securing a spot in B Grade and ended the week in 49th place out of 122 teams. The football boys had a full on week and the results were incredibly close in most games, finishing a credible 36th. Rebecca Clements represented the school in tennis and thoroughly enjoyed her final Aims Games experience. Swimmers Maia Williams and Florence Venner had an intense two days at the pool, swimming multiple events back to back. They both achieved personal bests and made finals. Florence came away with two bronze medals in the 100m and 50m butterfly and has qualified to swim at the Swimming New Zealand Division 2 competition in Dunedin next year.

52 Kerikeri High School

Kayla Murray and **Ty Murray** were selected for the New Zealand Junior Polocrosse Team of 8 players from a squad of 18. The team competed in Chinchilla, Australia in April against the top junior players from Queensland. The New Zealanders placed 1st equal with a draw in their final match. Both Kayla and Ty are keen to play for New Zealand at the World Cup in 2023.

Ty Murray

(middle L to R): Pipi Johnson-Phillips and Sky Gundry at Sandy Bay

In the first round of the Northland Scholastics Surfing series, keen surfers travelled to Sandy Bay. Conditions were not ideal and 62 competitors over three age groups tackled the lumpy, challenging waves. **Sky Gundry** placed 1st in the U14 girls division with **Pipi Johnson-Phillips** closely behind in 4th place. In Round 2 also at Sandy Bay, the waves were not great but high scores were achieved with Sky achieving 1st and Pipi 2nd in their age group. Sky was selected for the Northland U14 Scholastics Surfing team and competed at the New Zealand Secondary Schools event in Gisborne.

U16 Girls Futsal

Overall we placed 2nd in the U18 and 1st place in the U16 Northland Secondary Schools Girls Futsal competition. Four girls teams from Kerikeri High School competed which allowed for some non-football players to experience this fun day. Eight teams comprising of 51 boys travelled to the Boys Futsal event. The day was hectic but fun. Our U19A team placed 1st after going into extra time - the game was intense and played at speed. Our U16A team came 1st and U16B 4th.

Elena Polovnikoff won the Senior Girls and **Kaleb Stevens** won the Senior Boys Kerikeri High School Tennis Championships. Ten students travelled to Kamo to compete at the Northland Secondary Schools Tennis event. The Senior Boys Basketball team placed 3rd overall at the Northland Secondary Schools competition, the Year 9/10 boys 4th, and the two Year 7/8 boys teams played against each other in their final so Kerikeri High School took out 1st and 2nd place.

Open Nationals Sailing Team

We entered an Open and a Girls team into the Upper North Islands Team Sailing Regatta at Algies Bay. Conditions were very windy which did not suit our young, light girls' team. The Open team who are going through a big regrowth achieved three wins

over the course of the competition. The Open team went on to compete at the New Zealand Secondary Schools Team Sailing Regatta in April against 34 other teams. The team placed 3rd in the bronze division.

Ella Taurua

It was exciting for the group of 10 riders from Year 7-13 to show off their dressage and show jumping skills at the Northland Secondary Schools Combined Training Equestrian Event. Within the three teams, riders had the opportunity to ride at four different

levels in terms of the complexity of the dressage test and height of the jumps. **Ella Taurua** who rode in the pre-novice level (most challenging) placed 1st in the dressage and 2nd overall, jumping a height of 1.05m.

Coach Mr Russell Coutts said "I think he (Jake) has set himself up well to enjoy a lot of sailing in the years to come." Jake would like to eventually compete at the Olympics like past Kerikeri High School student Blair Tuke.

World Champion Jake Pye

The Kerikeri High School Badminton Championships started with a knock out competition to find the Senior Champion. Many of the students have been playing after school on Fridays,

so the level of competition was high. Champions for 2018 were **Elena Polovnikoff** and **Logan Gualofa**, with **Ben Gualofa** and **Heidi Nicholls** runners-up. Elena placed 1st and Heidi

4th at the Northland Secondary Schools Senior Badminton event. Our boys' team, which included Elena, placed 4th in the team event.

Quick Rip Team

Byron Carere-Semb

Seventy-nine Year 7 and 8 students competed in the first Northland Rugby Quick Rip day. Quick Rip is a game where the students play sevens rugby on a half field, but with the element of tackling removed and rippa belts used instead. Students spent two weeks of lunch times prior to the day learning the game. The entire day was all about fun so no scores were recorded. Senior Kerikeri High School students did a fantastic job of coaching our teams and umpiring games.

Holly Mather was a member of the Tai Tokerau U18 and U20 women's Touch teams and was selected as a trialist for the New Zealand U20 Touch team.

Yves Brown was awarded Official of the Year for Ki-o-Rahi at Te Tai Tokerau Māori Sports Awards at Waitangi.

She has umpired at two Upper North Island Secondary School tournaments, and this year umpired the Kerikeri Netball Centre's Premier final. Significantly, this year Stacey also passed her New Zealand Centre Theory Examination.

R.A.G.

(Recycling Action Group)

This year the Recycling Action Group worked at the Tai Tokerau Festival, did some beach clean ups, helped with the Wairoa Stream project and highlighted World Environment Day.

Recycling Week was introduced and won by Year Eight in Term Two. Next year we plan to work on developing a composting system and will look into more ways that Kerikeri High School can work sustainably.

Young Enterprise Scheme MARKET DAY

Year 12 and 13 Business students attended the Young Enterprise Scheme Northland Trade Day Fair at the Old Packhouse Market in Kerikeri, where they successfully launched their businesses and sold their products to the public.

Gateway

Gateway is a work experience programme where mature and work ready students are encouraged to work one day a week for a minimum of six weeks. It is open to students in Years 12 and 13. In 2018 we placed 109 students in 130 roles with 62 different employers.

Students who undertake Gateway are working in real workplaces, gaining work experience and building skills for employment. Students are expected to earn 20 credits while on Gateway, including Core Generic Unit Standards that they complete throughout the year. We also put on First Aid courses and Health and Safety courses in the school holidays, to avoid disrupting curriculum time. Where possible, we organise units of work from the Industry Training Organisations.

We provide students with specialised gear and equipment including safety boots, high vis vests, bee suits, leather gloves, black dress pants or a builders apron. For students who cannot make their own way to the placement, we can provide transport. We encourage students to find their own placement, however we have a great relationship with many employers so will always contact them if a student is unable to do so themselves.

Holly Mather on Gateway as an Administrator Assistant

We have students doing work experience in a range of pathways from Barista to Early Childcare, to Sports Administration and Agriculture. Many students gain part-time paid employment or even apprenticeships from their Gateway employers. Students gain references from employers and develop skills they can add to their Curriculum Vitae.

During 2018 we have had students leave Kerikeri High School with a panel beating apprenticeship, a marine electrical apprenticeship, and apprenticeships lined up for the new year in barbering and plumbing. Students have gained part-time work with their Gateway employers or gained work due to their placement or having sat one of the courses we offered. It is really exciting watching our students find career paths that they are keen to be a part of, and knowing that learning continues outside of school.

We have had students in a wide range of placements again this year and would like to thank the following businesses for their work with our students:

All Faze Electrical Taipa, Apprente Café, Arohanui Early Childhood Learning Centre, Auto One, B Hair Ltd, Bay of Islands Computers, Bay of Islands Veterinary Services Kerikeri, Best Plumbing, Café Blue, Cervus Equipment Waipapa, Classic Electrical Ltd, Coastal Kayakers, Community Fitness, Dive Zone Bay of Islands, Doc 2 Wheel, Dormavina, Elsewhere Hair Salon, Envision Electrical Ltd, Foodstuffs Future Foodies New World, Freestyle Construction, Geoffrey Giltrap Family Trust, Hair Affair, Hair By Nature, Hall Mechanical Ltd, Harcourts (Bay of Islands Realty Ltd), Harinui Early Childhood Learning Centre, Highway Vets & Pets Kerikeri, Hunter Cycles, Jacman Entertainment Bay of Islands Music Festival, Jay's Traditional Barbershop, Just a Plumber, Kauri Cliffs Golf Course, Keri Hurcomb Builders, Keri Pollination, Keri Refrigeration, Kerikeri Community Childcare Trust, Kerikeri High School Sports Department, Kerikeri Primary School, Kerikeri Rugby Football Club Inc, Laser Electrical Northland, Lumino The Dentists: Kerikeri Dental Centre, Manaaki Childcare Limited, Mataka Station, Matt & Sarah King Farm, Northwire Electrical, Northland Hair Company, Ohaeawai Community Preschool ECL, Oliver & Sons, Orangetown Plant & Food Research, REAL Kerikeri, Riverview Primary School, Seapower, Smith & Howe, Springbank Preschool, Stagelt, T&G Plumbing, The Ridge Childcare, The Turner Centre, Top Energy Group, Treggan Luxury Lodge, Waipapa Auto Repairs, Warehouse Stationery Blue Shirts in Schools.

TE PUNA WAIORA

Our wonderful new Student Centre building Te Puna Waiora was blessed at the end of term three then officially opened on October 17, 2018. Principal Mrs Elizabeth Forgie, Board of Trustees Chairperson Mrs Sue Richards and BOT Property Committee member Mrs Wendy Butler spoke at the Opening ceremony. Te Puna Waiora is all about the function of supporting student wellbeing. It houses the Student Centre, 'sick-bay' and the offices of the Deputy Principals, Deans and Guidance Counsellors.

Staff News

We welcomed new and returning teaching staff at the beginning, then during the year as staff left for various adventures or new positions. Welcome to Miss Karalee Whiu, Miss Marama Baker, Mr Jonas Kortner, Mr Noel McRae, Mrs Michelle Penman, Mr Jerome Sanson, Mr John Sexton, Mr Alex Ward, Miss Georgina Robinson, Mrs Shelley Ash, Mrs Beth Clarke, Mrs Sarah Davis, Mr Andy Dyson, Mr Seth Brown, Mrs Diane Christensen and Mr Jim Knox. A number of support staff also joined our team: Mr Darryl Ford (Workshop Technician), Miss Kate Liddington (Te Puna Waiora), Mrs Charlene Muller (Librarian), Mrs Deb Rooney (LEC), Miss Shantay Ruru-Tana (LEC), Mrs Lily Cureen (LEC), Mrs Rachel Gundesen-Stewart (LEC), Miss Savannah Peters-Heihei (LEC), Mrs Belinda Mead (LEC), Mrs Stefanie Schmitz (International Office Manager), Mrs Katie Smith (International Accommodation Manager) and Mrs Philippa Campbell (Deputy Principal's PA).

At the beginning of term three we farewelled our successful and long serving International Director Mr Grant Berry. Mr Berry built up our International Programme and developed opportunities for many overseas students and Kerikeri High School students. Mr Berry was recognised with the SIEBA (Schools International Education Business Association) Leadership Award this year.

Mr Grant Berry at the SIEBA National Conference with Mrs Jess Donovan

We farewelled Deputy Principal, Mr Julian Cosgrove at the end of term three. Mr Cosgrove came to Kerikeri High School at the beginning of 2014, bringing with him valuable skills and knowledge from his previous roles in New Zealand schools. He left to take up a position as 'Director of School' at Kelston Boys High School. With Mr Cosgrove went Miss Abby Hope who we were also lucky to have with us teaching Geography and Social Studies.

Fox Wharton

During the year Miss Lee Blackwell travelled, and then took a teaching role in Hong Kong, Mr Richard Higgins left to teach in Kawakawa, Mr Brodie Nel moved to Tanzania and Mrs Jess Lowe moved to Napier. Mr Lika Gauaulofa returned to Tokelau after 22 years teaching, coaching and mentoring students at Kerikeri High School. Mr Seth Brown, Mr Jim Knox, Mr Scott Picken and Mr Ryan Barker will be embarking on new adventures in Kerikeri. Mrs Lyn Raines left her position in the sports office at the end of the year to fulfil overseas travel plans.

Several staff celebrated weddings this year; Mr Richard Higgins followed by Mrs Ellie Baird, then Miss Kate Langman became Mrs Montgomerie in October.

We congratulated the following staff during the year for their lovely additions to their families. Mrs Jess Lowe had Nelly, then Mr Craig Jordan's little girl Lola was born in February, followed by Mrs Katy Galvin's baby Sophie and Mr Arran Richards' cutie Cameron in March. Mr Seth Brown's son Luke arrived in June and Mr and Mrs Wharton had Fox in July. Miss Kate Crawford had James in August, with Mr Jonas Kortner's Anika also born in August. Mrs Elle Baird had her little girl Lilly in early November.

Mrs Elizabeth Forgie with Ms Su Neave and Mrs Michelle Hagerty

We celebrated with Mrs Elizabeth Forgie, her 25 years in the Principal's role at Kerikeri High School. Mrs Forgie came to our school in 1988 as Senior Mistress and teacher of History and English. Mrs Forgie's appointment to Principal in 1993 was a significant step as there were very few female Principals in New Zealand at that time. We acknowledged Mrs Forgie's 25 years of visionary, deliberate and caring leadership at Kerikeri High School.

Mr Lika Gauaulofa was farewelled by staff and students

Mrs Elizabeth Forgie was awarded Life Membership of the Secondary Principals' Association of New Zealand. In making the presentation, the President of SPANZ, Mike Williams acknowledged Elizabeth's 23 years of service to Secondary Principals, having been elected to the Executive by her peers every year since 1995, serving as Vice President of SPANZ and Convenor of the National Conferences since 2000.

We also congratulated our highly successful Football Coach Mr Russell McCabe who received a New Zealand Secondary Schools Sports Council Service to Sport Award for over 20 years of service at secondary school level, and because of his involvement at regional and national levels in the code. The award came as a follow-up to a life membership to Northern Football Federation and a Northland Secondary Schools Sports Association Service to Sport Award that Russell received last year.

Ms Collins on Mount Everest

Ms Erica Collins made it to Base Camp on Mount Everest – a huge achievement following a gruelling 12-day hike, 9 days up to an altitude of 5500m then 3 days down. Little oxygen, but lots of determination got her there. Congratulations to Mr Noel McRae who completed a Bachelor of Culinary Arts through Otago Polytechnic this year. We warmly congratulated Mrs Megan Prendergast for her nomination by the students for the Sir James Fletcher Award for Most Inspiring Teacher.

Board of Trustees | 2018

As we approach the end of our third year together, the Board have continued to work towards maintaining strong and solid relationships with senior leadership, teachers and staff, students and whānau. The government have begun conversations around the future of education in New Zealand but the impact of any major change is yet to be felt.

A major highlight for us this year was the Tai Tokerau Festival held over two days in April. Kapa haka teams from schools all over Northland filled our Auditorium for the teams' first performances, while the second stage saw the larger Gymnasium overflowing with supportive friends and whānau. Northland weather delivered a massive downpour, but on the second day, the sun came out blazing, and the crowd grew beyond all our expectations. The event saw some incredible spine-tingling performances; none more so than our own amazing kapa haka team.

Our Property Committee have worked under enormous pressure this year to complete Te Puna Waiora, our new student centre, standing so proudly at the front of our school. To its right, our beautiful Marae

has had new carvings crafted and installed. These are the last of our major building projects for a while, and the Board extends a heartfelt thanks to Richard Pilling, Wendy Butler and the team for their tireless efforts.

The International Department's contribution is ongoing and this year they welcomed over 70 students into our school. The impact of the Department is felt not only through the benefits of teaching students the importance of respecting cultural differences but also financially. We have had no additional funding from government this year and our Finance Committee has been stretched even further in managing a very tight budget.

The Board recognise the incredible work done by our faculty of experienced teachers and support staff. In all we have over 100 dedicated staff who work together to prepare students for a world not yet built. They are teaching them to be open to new ideas, to change and to understand that learning is a lifelong journey. We also acknowledge the phenomenal efforts by our Senior Leadership Team and Principal Elizabeth Forgie who work so hard to manage and promote the school.

We are expecting our next Education Review Office (ERO) visit next year after the last one in early 2015. NCEA results show that our school continues to exceed the national measures. Our students have achieved success at the highest levels in all the four cornerstones (sporting, cultural, leadership and academic) and have held our WAKA values close.

And so to our students – you are of course the reason we are all here, and it is good to see your names and faces recorded in the pages of this outstanding school magazine. We hope that you have had a great year and enjoyed everything our school has to offer. Have a wonderful summer holiday; we look forward to seeing you back in 2019. To those of you who are leaving us this year, we say waimarietanga – we wish you good fortune. Waiho i te toipoto, kaua i te toiroa – let us keep close together, not far apart.

PTA Report

The Kerikeri High School PTA is a small group of parents who meet monthly and welcome the role of supporting Kerikeri High School's students and staff.

Some of the support we are able to provide includes counting Workday money, polishing trophies for Prizegiving, selling second hand uniforms and catering several events throughout the school calendar. The highlight of these events is the Senior Ball which is always a very special and memorable night for our students. We aim to make the supper we provide very special too, so a lot of thought and effort goes into it. An acknowledgement and special thanks must go to the student ball committee, the volunteers who help on the night and the kind people who donate platters of

food. Our other catering events include the Prefect's Speech and Prospective Parents evenings, Art Exhibition and an end of year morning tea for all the staff.

The Kerikeri High School PTA is a great way to meet people. We are not required to do any fundraising and our monthly meetings are informative, providing an insight into what is happening in our school. If you would like to join our friendly relaxed group, we always welcome new parents and caregivers. We meet on a Wednesday evening at 7pm in the school staffroom. Please see the school website for more information.

In Memoriam

Dion Hodder was a much-loved member of the Kerikeri High School whānau for six years. He made an impression on everyone that he met, brightening up people's days with his cheerful greetings and positive personality. Dion started at Kerikeri High School in Year Seven and we could see when our community came together at the service to celebrate Dion's life, how big an impact Dion had.

Reflections | 2018

Our school is strong, stable and successful. We talk about whānau; we are a big family and are proud of our whakapapa, where we come from, our shared history and how we have built this school over time. We also talk about our four cornerstones of a balanced education and our four principles of WAKA.

Now after we have consulted widely, especially with our students through the Student Council and our Prefects, we will talk in our school about our Four Pou or pillars, based firmly on the foundation of the Treaty of Waitangi. The famous whakataukī says Ki mai ki ahau, he aha te mea nui o te ao? (Ask me, what is the most important thing in the world?) Maku e ki atu, he tāngata, he tāngata, he tāngata (I will reply, it is people, it is people, it is people).

From the foundation, looking up to our vision of experiencing and enjoying success for all – however that looks for every one of us as lifelong learners our four Pou are:

Tahi: promoting wellbeing and success for every student as optimistic lifelong learners in a rapidly changing world.

Rua: the same for our staff – wellbeing and success so that we can continue to ensure high quality teaching, learning, opportunities and care for each and every student.

Toru: our third Pou is about our connections to people and place. We belong and we share the values that Kerikeri High School stands for.

Whā: our fourth Pou is our community. We are cloaked in the korowai of care of our school community. Connection again to people – those who have gone before us, our elders, local hapū, families, whānau and place – the environment we live in.

Now at the end of our 2018 school year, we acknowledge and celebrate achievement, offer our thanks and commit to the way ahead.

(Tahi) Students, always you are number one. Our opportunities for you are firmly based in the classroom, our relentless focus on academics and getting the best possible results you can achieve. Widen that focus to the opportunities you have available to achieve in all of the four cornerstones. We celebrate many of your wonderful achievements at our Prizegivings and Honours Celebration Assemblies. Participation, participation, participation; we know it works. The huge number of University Scholarships awarded to our graduating students are a testament to the power of the four cornerstones of a balanced education. Well done for your participation and successes.

(Rua) We look after our staff too, their wellbeing and learning and ensure through them the huge range of opportunities that we offer. They have chosen us, with all their qualifications, experience and talent. They are here for us to make a difference, not in research

laboratories, offices, universities or businesses but at Kerikeri High School. Thank you.

(Toru) Kerikeri High School, connections to people and place – we talk in tough times about the reassurance of the busy day-to-day life of the school. Our school is here for us, no more so than in the last few difficult weeks. We belong, and we build incredible teams, big and small, right across the school. We are a big, diverse and proudly bicultural whānau from Hospitality to International, Prefects and Student Council to every single person who helped to make the Tai Tokerau Festival this year the best ever.

(Whā) Our community needs to look after us. We have changed the stars for our community, lifting achievement and success for our young people. Our community was a very different place when at NCEA Level One ten years ago; we were pleased that 75% of our students passed. Last year it was 93%. In just five years, the number of our Māori students leaving Kerikeri High School with NCEA Level Two has lifted from 41 to 64 young people, up by 11%.

Thank you to our Board of Trustees for the many ways in which you link our school with our community and work so

constructively with our Senior Leadership team. You volunteer and personify the values we stand for – compassion, courage and sheer hard work. Schools are not about buildings but as one example of our progress supporting student learning, since Dame Kiri Te Kanawa opened the Performing Arts building we have developed over \$16 million of new buildings and raised hundreds of thousands of dollars to modernise existing facilities.

You devote countless unpaid hours to budgets, site meetings, Discipline Hearings and Board meetings all for the good of our school. Thank you is not enough – we do appreciate your service.

Our precious memories of 2018 are in our exceptional School Magazine. This is a testament to the determination, thoroughness and creativity of an outstanding editor, Mrs Client.

Let us look back at this time we had together in 2018 as we look to the future.
