Head Prefects

Head Prefects Rehutai Armstrong Kingi and Andrea Cotton.

Andrea Cotton HEAD GIRL

As I rethink over my journey here at Kerikeri High School, I often think about how easy we've got it. Over my time here, I have been presented with an immense range of opportunities. From receiving trumpet lessons for a term, to travelling over to Rarotonga to compete in a sevens rugby tournament. I can for sure say that I have made the most out of what this school has to offer and to my fellow Year 13 peers, I hope that you can leave here today feeling the same.

What I have admired while being here, is the versatility of our four cornerstones philosophy. Whether your interests are in academics or sports, you are guaranteed to find happiness and joy in something here at Kerikeri High School. And to those of you who love to participate in all aspects of the four cornerstones, good on you, keep up the hard mahi, just don't burn yourself out.

To our juniors, I cannot stress enough how important it is to give everything a go! At this young age, the world is your oyster, go outside your limits. Give debating a go, or whatever it maybe circling over in the back of your mind. However, happiness is the key to everything. It is also important to enjoy

your time here, hence why I dropped the trumpet lessons after a term, it just wasn't for me. But hey, at the end of the day, I would not have known that I didn't like it if I hadn't given it a go.

To the class of 2021, congratulations we did it! I am so beyond grateful to be in a year level surrounded by such a diverse and talented mix of people. Whether we are best mates or not, you have all been a part of my journey here at Kerikeri High School and I would like to thank every single one of you sincerely, for making this chapter of my life a thrilling and memorable one.

Next year I will be attending the University of Waikato, where I intend to study Law and Criminal Science. I hope to stay connected with you and wish you all the best in your next adventures. Whether that is joining the workforce, going to university, or just simply having a gap year. As we all know, Kerikeri people uphold a special bond which allows others us to go off and pursue our aspirations and goals, and at the end of the day we come back together just like we never left.

Rehutai Armstrong Kingi HEAD BOY

Scared, nervous and excited, Andy and I arrived in 2015 with our eyes wide open. We never would have guessed what this school would have in store for us. As I reflect on my time here, it has occurred to me just how lucky we are with the endless opportunities that are available to us here at Kerikeri High School. From lit quiz to chess, lawn bowls to basketball, drums to Kapa Haka, the list goes on. Students know that whatever their passion is, it will be supported. When I arrived I was determined to make the most of the four cornerstones concept. Who would have thought I would have been able to go to National Ngā Manu Korero competitions, been a Peer Support Leader, perform in front of a roaring crowd at Te Tai Tokerau Festival, run around on a basketball court or even be an unsuccessful trialist for the volleyball team?

Rehutai receiving an award in Year 7.

Andrea's Year 7 netball team.

Please make the most of these opportunities and put yourself out of your comfort zone. Try new things and meet new people, because when you leave here those memories will be the most important things you have. Don't forget, you miss 100% of the shots you don't take, so do not be afraid to take that first shot because it could change your life.

Undertaking the role of Head Boy has been such a rewarding and challenging experience and a huge privilege. But what has really made it special, has been being a part of the awesome prefect team. As I imagine leaving for Waikato University next year, I am going to miss Kerikeri so much. I can't write this without mentioning Nana Bloss who we all miss. She was my number one supporter who believed in me and supported us all through anything. Moe mai ra Nan.

Finally, to the Year 13 cohort. We made it. You guys are such an awesome and talented bunch of people. I am so lucky to have been through the years with you. I cannot wait to see what the future has in store for you all and where Kerikeri High Schools class of 2021's legacy will lead the world.

This whakatauki is relevant to us all as a reminder to continue doing your best, no matter what that is.

"Kua tāwhiti kē tō haerenga mai, kia kore e haere tonu. He tino nui rawa ōu mahi, kia kore e mahi nui tonu."

You have come too far not to go further; you have done too much not to do more.

Student Leadership

The 2021 Kerikeri High School Prefects:

Stephanie Bartlett, Fern Bell-Bowers, Stella Blackwood, Kori Brown, Lucas Casey, Andrea Cotton (Head Girl), Max Couling, Summer Curran, Harry Davies, Georgia Doherty, Isabella Doubleday, Joshua du Preez, Emilia Finer, Patrick Godson, Anika Green, Peter Hargrove, Samuel Harper, Rehtuai Armstrong Kingi (Head Boy), Hope Korewha, Maybel Koro, Henry Ludbrook,

Axel Mabidikama, Charlotte McCondach, Josh McNulty, Casey Roberts, Jaydn Roberts, Reuben Saipaia, Nimish Singh (Deputy Head Boy), Rachel Smythe, Adrian Snowdon, Ella Taurua, Holly Thackway, Gillian Toala (Deputy Head Girl), Tane van de Donk, Cole Walker, Emily West, Charlie Weston, Jamaine Young.

Prefects are selected through a formal process early in the year. This includes submission of an application letter and Curriculum Vitae, followed by a panel interview. Going through this process while at school is very helpful for when students move on to apply for roles after leaving school.

Our Prefects are busy throughout the year 'giving back' to the school community in a variety of events, on top of their usual schoolwork and other cornerstone activities. We are proud of them for their leadership and in their roles as tuākana for our younger students.

To be in consideration for the top awards of Proxime Accessit and Dux at Kerikeri High School, a student must first be a Top Scholar, then we focus on each Top Scholar's other achievements that demonstrate our philosophy of success in the four cornerstones of a balanced education. We consider the students' other academic, sporting, cultural and leadership with service participation and achievements. It is even more exceptional when a Top Scholar achieves at the highest levels in the other Cornerstones.

Congratulations to our Proxime Accessit for 2021, Gillian Toala.

Gillian has received multiple Honours Awards in the Academic, Cultural and Leadership with Service cornerstones. She has been a Top Scholar since Year 9 and was awarded Honours Academic for NCEA Level One and NCEA Level Two.

During her education at Kerikeri High School, Gillian has participated in the full range of academic extension opportunities and was awarded Academic Honours for the Education Perfect World Championships and the ImmerseMe Games. Gillian was also awarded Academic Honours for winning the Overall Prize in the 2021 Top Energy Regional Science Fair.

In the Leadership and Service cornerstone Gillian has been Deputy Head Girl, Peer Support Leader, KERI Reading Tutor, Kiwi Buddy, served on the Ball Committee, Class Representative and was in the Model United Nations Assembly Team, as well as supporting the school library as a Librarian. Gillian was the recipient of the William Thomas Graveson Leadership with Service Study Award.

In the Sporting cornerstone Gillian has represented Kerikeri High School in Cricket, recently being awarded the 2021 Most Valuable Player Award. She has also represented Kerikeri High School in Volleyball, Netball and participated in Athletics and Cross Country.

In the Cultural cornerstone Gillian is a talented musician, twice achieving Cultural Honours for her performances in the Jazz Band and the Concert Band.

Gillian has been awarded a prestigious University of Auckland Top Achiever Scholarships for 2022. We wish her every success in her tertiary studies as she pursues her career pathway into medicine, towards her goal of being a neurosurgeon.

Congratulations to the 2021 Dux of Kerikeri High School, Nimish Singh.

Nimish has received multiple Honours Awards in the Academic, Cultural and Leadership with Service cornerstones. He has been a Top Scholar since 2017 and was awarded Honours Academic for NCEA Level One and NCEA Level Two. Nimish has participated in the full range of academic extension opportunities and was awarded Honours Academic for being the top student in New Zealand for ICAS Writing. He was awarded Academic Honours for the Education Perfect World Championships and the ImmerseMe Games, as well as Honours Academic twice for Spanish language accolades.

In the Leadership and Service cornerstone, Nimish has been Deputy Head Boy, a Peer Support Leader, KERI Reading Tutor, a Coach, served on the Ball Committee, Class Representative and was in the Model United Nations Team.

In the Sporting cornerstone Nimish represented Kerikeri High School in Hockey and was awarded the 2021 Most Valuable Player award at the end of year Sports Prizegiving. Nimish also represented Kerikeri High School in Cricket, Volleyball, Basketball and participated in Cross Country, Athletics, and Orienteering.

In the Cultural cornerstone, Nimish is a talented speaker, achieving Cultural Honours for Public Speaking and twice being awarded Cultural Honours for Auctioneering, this year being the New Zealand Secondary Schools' Auctioneering Champion. Nimish won the Carolyn Gifford Trophy for Creative Writing and was awarded the Kerikeri Community Trust Study Award.

Nimish has been awarded Kerikeri High School Honours for an unprecedented fifteen times, an extraordinary achievement which demonstrates his commitment to education over the last seven years at Kerikeri High School. The University of Auckland has awarded Nimish a Top Achiever Scholarship for

Principal Mrs Forgie with Proxime Accessit Gillian Toala and Dux Nimish Singh.

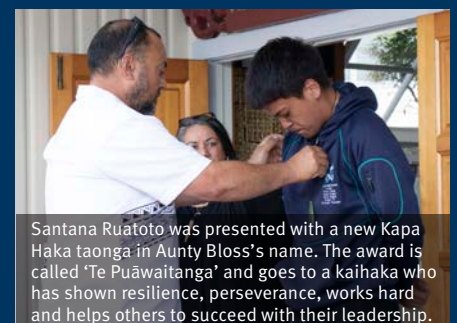

his studies in 2022. Nimish intends to undertake a Bachelor of Arts in Chinese and a Bachelor of Sciences. Knowing Nimish, we know this is just a starting point and wish him the very best for his exciting future.

Senior Prizegiving

Prizegivings were very different this year, with the planning focussed on what we could do rather than what we couldn't. The Senior Prizegiving was split into smaller events, with students being acknowledged for their achievements by groups of fellow recipients, the Principal Mrs Forgie and specific staff members. Sports and Cultural Awards were presented in Mrs Forgie's office, Kapa Haka Awards were presented outside our Whare Te Pou o Manako and the Top Scholar, Prefect, University Scholarship and Leadership Service and Study Awards were awarded in the Auditorium, with the announcement of the 2021 Proxime Accessit and Dux at the conclusion of the ceremony. These smaller scale celebrations were very successful and enjoyed by all who attended them. Congratulations to all the award recipients.

Senior Girls and Boys Cups for Overall Sporting Excellence were awarded to Emilia Finer and Joshua Du Preez.

Santana Ruaototo was presented with a new Kapa Haka taonga in Auntie Bloss's name. The award is called 'Te Puāwaitanga' and goes to a kaihaka who has shown resilience, perseverance, works hard and helps others to succeed with their leadership.

Honours Awards | 2021

During the year we celebrated our students who were awarded Honours in the Academic, Leadership and Service, Sporting and Cultural Cornerstones. Our Honours recipients were recognised for their achievements at two Celebration Assemblies throughout the year. The philosophy of our Honours Award is to promote the pursuit of Excellence. Acknowledging elite success is always important and the positive example these students set for others cannot be underestimated.

The following students received 2021 Honours Awards:

ACADEMIC NCEA LEVEL ONE

Lydia Bailie-Bellew	Eva-Sky Gundry
Lorelei Baker	Nicolas Powell
Matthew Clent	Tiree Robinson
Imogen Crooks	Jonathan Rogers
Daniel Ellingham	Pippiana Voakes

LEADERSHIP

Gillian Toala	Deputy Head Girl
Nimish Singh	Deputy Head Boy
Andrea Cotton	Head Girl
Rehutai Armstrong Kingi	Head Boy

ACADEMIC

Stella Blackwood	International iGeo Competition
Max Donaldson	Young Enterprise Scheme
Eva-Sky Gundry	Young Enterprise Scheme
Nimish Singh	ALC Spanish
	Education Perfect World Language Championships
	STANZA National Spanish Debate Competition
	STANZA National Spanish Speech Competition
Gillian Toala	ImmerseMe Games
	Science Fair
Jamaine Young	International iGeo Competition

ACADEMIC NCEA LEVEL TWO

Stephanie Bartlett	Danyelle Mealings
Andrea Cotton	Jessica Mooney
Georgia Doherty	Heidi Nicholls
Isabella Doubleday	Casey Roberts
Emilia Finer	Ryva Rowlinson
Patrick Godson	Nimish Singh
Kayle Hyde	Gillian Toala
Hope Korewha	Eva Wagner
Catherine Lord	Matthew White

CULTURAL

Rehutai Armstrong Kingi	Kaitātaki Tāne o Te Pou o Manakō

Lily Wilson	Mountain Biking

Hope Korewha, Lachlan McCreanney, Isabella Doubleday.

Back (L to R): Patrick Godson, Jamaine Young, Emilia Finer, Georgia Doherty, Anika Green, Summer Curran Front (L to R): Lily Wilson, Emily West, Charlie Weston, Ella Taurua.

Gillian Toala, Max Couling, Stella Blackwood, Jessica Mooney.

Poppy Kirkham, Andrea Cotton, Rehutai Armstrong Kingi, Kayle Hyde.

University Scholarships

Congratulations to the following Year 13 students who have been awarded Scholarships to support them in their tertiary studies. These scholarships are prestigious and come with substantial financial awards. This acknowledgement of the hard work and success of our students is a credit to them and to the Four Cornerstones philosophy of our school.

Te Paewai o te Rangi: The University of Waikato Scholarship for Outstanding Academic Achievement was established to contribute to the University's Vision of achieving excellence, distinctiveness, and international connectedness. Recipients **Rehutai Armstrong Kingi** and **Andrea Cotton** achieved NCEA Level 2 with Excellence and have shown exceptional leadership qualities as well as being actively involved in community initiatives. This Scholarship is valued at \$25,000.

Stella Blackwood was awarded the University of Auckland Academic Potential Scholarship valued at the top tier of \$20,000, which also guarantees Stella a place in a University Hall of Residence. This Scholarship supports students who have achieved academically to undertake tertiary studies.

University of Auckland Top Achiever Scholarships were awarded to **Max Couling, Jessica Mooney, Casey Roberts, Nimish Singh** and **Gillian Toala**. Every year the University receives thousands of applications for these awards from students throughout New Zealand. Valued at \$20,000, these Scholarships recognise exceptional ability and outstanding achievements as well as leadership potential.

Summer Curran was awarded the University of Otago 150th Scholarship to

the value of \$14,000. These scholarships provide for students who have demonstrated academic ability and show potential and motivation to succeed at university. **Emily West** received the University of Otago Performance Entrance Scholarship valued at \$17,000, which was established to encourage excellence in areas of performance including sport, culture, music, and the arts. These scholarships are available to academically able students who have demonstrated high-level ability in their chosen area of performance.

Lisa Wilson, Ella Taurua, Charlie Weston and **Jamaine Young** accepted the University of Otago Māori and Pacific Peoples Entrance Scholarships, valued between \$14,000 and \$18,000. Established by the University in 2005 to celebrate academic excellence and cultural diversity, this Scholarship encourages the progression of Māori and indigenous Pacific Peoples into tertiary study.

The Auckland University of Technology (AUT) Welcome to Auckland Scholarship recognises student academic achievement, potential leadership ability and contribution to the school, community, or cultural pursuits, and was awarded to **Isabella Doubleday** and **Hope Korewha**. Valued at \$17,000, it is available to high achieving secondary school students living in rural areas outside of Auckland.

Hope Korewha was also awarded the McDonald's Te Tai Tokerau Scholarship for study at AUT, with a value of \$12,500 over three years of study. The Scholarship programme supports Māori students to gain tertiary qualifications that will assist in the economic, professional and community growth of their hapū. **Sakura Aihara** and **Lachlan McCreanney** were awarded the AUT Find Your Greatness Scholarship – Hike Ake (Lift

Up), valued at \$14,000, to support students who demonstrate academic potential to attend University.

The University of Otago Leaders of Tomorrow Entrance Scholarship was awarded to **Patrick Godson** (\$6,000), **Anika Green** (\$7,000) and **Emilia Finer** (\$10,000). The Scholarship assists students who have demonstrated all-round ability and who exhibit leadership potential to attend the University of Otago. The Vice Chancellor's Scholarship was established in 2015 to celebrate the excellence of students enrolling at the University of Otago. This Scholarship valued at \$6,000 was awarded to **Georgia Doherty**.

Max Donaldson received the University of Canterbury Auaha Scholarship valued at \$5,000, which recognises and encourages innovation and entrepreneurship amongst intending first year students at Te Whare Wānanga o Waitaha | University of Canterbury. This gives Max the opportunity to participate in a sponsored programme for budding entrepreneurs and innovators through their Centre for Entrepreneurship.

Luca Brassett and **Henry Ludbrook** were awarded The Victoria University of Wellington Totoweka Scholarship for Equity and Support. These Scholarships valued at \$5,000 each can be put towards accommodation costs at a Victoria Hall of Residence, or as a contribution towards first year living costs.

Waikato University's Ko Te Tangata School Leaver Scholarship is awarded primarily based on evidence of academic readiness at NCEA Level 2 and strong community spirit. **Kayle Hyde, Poppy Kirkham** and **Heidi Nichols** received this scholarship valued at \$5,000. A Knox College Accommodation Scholarship valued at \$2,000 was awarded to **Anika Green** to support her in her first year at Otago University.

Leadership

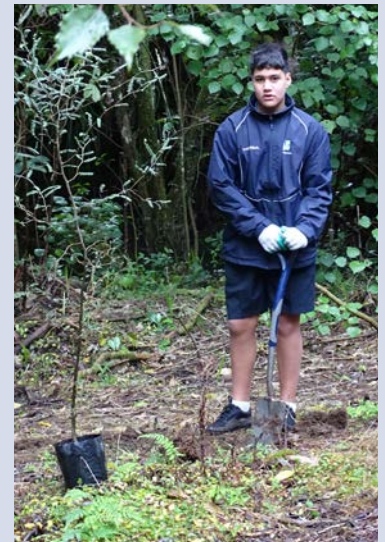

SAVE Students met with Mrs Birthe Kortner from the Whitebait Connection at the Wairoa Stream. She taught us about fish and invertebrate species and how they show us the water quality, and about testing nitrate and visibility levels.

All students in Years 9 – 13 were eligible to vote for the Incoming Student Trustee on the Kerikeri High School Board of Trustees. We had 5 excellent candidates standing and we commend each of them for putting themselves forward for this important role. Our elected Student Trustee for 2022 is **Jacob Fewtrell**.

Nimish Singh delivered a powerful speech to win the Northland Regional Race Unity Speech Competition. The topic for the speech was ‘Paddle as One – Race Relations in Aotearoa’ providing students with a forum to share their vision for race unity and working together towards eradicating racial prejudice and injustice. Nimish then advanced to the national semi-finals of the speech competition in Auckland, where he delivered his speech and attended the Race Unity Hui and the National Final of the Speech Awards.

Student volunteers tree planting at the Wairoa Stream.

Tuākana welcoming tēina at our beginning of the year Pōwhiri.

Our **Social Action in Senior Social Studies students** focused their research and social actions this year on the question “Why is there a need for foodbanks/pātaka in Aotearoa?” They were working towards an inaugural Social Action Week. A wide range of actions were planned such as a bake sale and sausage sizzle to raise funds for Kairos Foodbank in Kerikeri, work with Year 8/9 classes to collect food items, and students who live in Kaikohe planned to collect items to help stock up the local pātaka. A group worked with Frontline Church to support their work in the community, a short informational documentary was made, and two students worked with Kerikeri Primary School leaders on a mufti day and foodbank appeal. Students also worked with Year 7 classes to collect food items and lobbied Members of Parliament to make it mandatory to have rohe based facilitators for foodbanks and pātaka in Aotearoa. Students also worked with a local supermarket to make it easier to find information about donating to the national foodbank on their website. Our staff were also involved through donating, baking, and adding items to their online shopping to support our students to succeed.

Harmony Silich and Prīsayus Kenney with food donations.

Casey Roberts, Andrea Cotton, Gillian Toala and Nimish Singh were selected as finalists in the Lions International Young Ambassador’s Competition. Students from all over Northland had to submit a written application and personal statement about their contributions to their community, with only four finalists chosen from across Northland. All students were then interviewed by a panel of judges, before making a speech to the assembled Lions Members. Nimish won the competition, along with \$1000 and the right to go forward to compete at the next level.

This year we celebrated the 20th anniversary of **KERI Reading**. The highly successful programme was created by a group of Kerikeri High School Community Problem Solving students who wanted to use the tuākana-tēina learning model to help foster the love of reading. Volunteer Year 13 students train to be reading buddies to selected Year 7 readers to support them in developing their reading enjoyment and confidence. They meet once a week and read together in pairs.

S.A.V.E.

The school environment group Saving All Valuable Environments fundraised for 20 in-class compost bins to be run as a trial in Term Two. Over the holidays, they found out that they had been successful for a third year running for a Keep New Zealand Beautiful grant of \$500 to continue the extension of this program through the year. The S.A.V.E. group runs every Tuesday during the Lunch break and is open to all students.

Cups for korero.

Juliette Traas won the Term 1 SAVE logo competition. You'll find the logo on our Instagram account [kkhs_save](#) and on the compost bins around the school.

Academic NEWS

Jamaine Young and Stella Blackwood represented New Zealand at the International Geography Olympiad competition in Wellington. The team of four Geography students from around the country usually join in Wellington for training. Unfortunately, this year due to travel restrictions, the New Zealand team was not able to travel to Turkey but instead competed online against other teams representing 60 nations. The iGeo competition consists of three parts: a written test, a multimedia test and substantial fieldwork requiring observation, leading to cartographic representation and geographical analysis.

Nimish Singh.

The Secondary Schools' Regional REINZ Auctioneering event was a brilliant display of talent and tenacity again this year. Previous champions, Nimish Singh and Nicolas Powell, competed against a talented group, including Faith Ward, Lydia Bailie-Bellew, Tiree Robinson and Joe Howells. The \$1,000 prize, donated by Barfoot and Thompson, was taken out by Nimish Singh, with Nicolas Powell coming in a very close runner up. Lydia Bailie-Bellew won the top Female Auctioneer.

Nimish, Nicolas and Faith competed in Auckland at the Nationals, against the cream of the crop from other secondary schools. This National REINZ event was a proud moment for Kerikeri High School and their outstanding mentor, Mr Ross Paterson, from Kerikeri's Barfoot and Thompson: **Nimish Singh** was named as the National winner of the 2021 REINZ Auctioneering Schools' Championship and **Nicolas Powell** was runner-up.

In July of this year, Senior Debaters hosted Parliamentary Services and their **Outreach Speakers Programme**. We were lucky enough to welcome both Dr Shane Reti and Speaker of the House, Rt. Hon. Mr Trevor Mallard. Several senior debating students debated the issue of whether or not a wealth tax should be introduced. The debate was entertaining and a valuable experience for our senior students.

Millie Caswell and Shannon Miringaorangi won the Best Original Storyline for Spanish 2 in the inaugural WoolyCon competition. They had to draw and write an original comic influenced by Señor Wooly characters. Students from 137 schools across 5 countries competed.

Year 8 student **Franky Sefton's** story 'The Legend of Hoiha' was awarded Highly Commended in the New Zealand Intermediate School Writing Competition, which had over 500 entries from 40 schools. Franky's story was included in the 'Beyond Beneath Below' anthology, published in June of this year.

For International Languages Week this year there were daily challenges in foreign languages in the notices for the whole school to participate in. Students were encouraged to use international greetings of the day, such as “hola” and “konnichiwa.” We also ran lunchtime activities including mini piñata making, jellybean chopstick races and a kendama challenge, and hosted a bake sale on Friday with delicious goodies from around the world including churros, nachos, dumplings, sushi, cocadas and more.

Nimish Singh won Mejor Orador (Best Speaker) at the National Spanish Debate Championships, an event open to all schools that teach Spanish. He also placed 2nd (Level 3) in the National STANZA Spanish Speech competition.

Our Year 9 Readers Cup team of Nikitah Underwood, Grace Gundry, Michelle Horsfall and Jana Godwin, won the Northland competition and competed in the Nationals where they came 7th.

The Kerikeri High School Speech Competition gives all our students the opportunity to prepare and present a speech. Public speaking skills are important, and we know the experience of delivering a speech to a teacher, to a class or to the year level is challenging. However, it also gives our students an experience which often serves them well in their later school life. Well done to everyone who took the challenge on and delivered their speech and congratulations to the students who placed at the top of their year levels:

- (Year 7) 1st Ikaroa Armstrong Kingi, 2nd Isaac Sharp, 3rd Pippa Sager
- (Year 8) 1st James Simpson-Maccabee, 2nd Kyla Tawara, 3rd Ben Andrews
- (Year 9) 1st Atahikoia Smith, 2nd= Freddy Jarman and Te Kauri Armstrong Kingi
- (Year 10) 1st Layla Molloy, 2nd Chanleigh Baatjies, 3rd Joshua Anderson
- (Year 11) 1st Jamie Doubleday, 2nd Joe Howells, 3rd Lucas Thomas
- (Year 12) 1st Eva-Sky Gundry, 2nd Nicolas Powell, 3rd Amelia Galvin

Speech Competition winners (L to R): Ikaroa Armstrong Kingi, James Simpson-Maccabee, Layla Molloy, Eva-Sky Gundry, Jamie Doubleday.

Five teams of Kerikeri High School students competed in the Northland Regional Debating Tournament at Huanui College in Whangarei. Joe Howells and Nicolas Powell were selected as part of the 2021 Northland Debating Team. Stella Blackwood and Lydia Bailie-Bellew were chosen as reserves and the students travelled to Wellington in May to compete in the New Zealand Secondary Schools Debating Competition. Junior Debating has continued to thrive thanks to the senior students who give up their time to train the younger students.

Nicolas Powell, Lydia Bailie-Bellew, Stella Blackwood and Joe Howells with Mrs Forgie.

Hector Danilo's artwork was selected for the National Youth Art Awards. This prestigious nationwide award is open to young artists between the ages of 13 and 25, including established artists and students. Hector's drawing 'Yggdrasil' (The Tree of Life) was exhibited for a month in Hamilton.

Three Kerikeri High School teams were selected for the **Rotary Model United Nations Assembly** held in Auckland. Nimish Singh, Rachel Smythe and Gillian Toala represented Ireland, Marshall Arvidson, Sakura Aihara and Kayle Hyde represented Qatar, and Savannah Hancock, Patrick Godson and Casey Roberts represented Libya. 100 teams from the Northland/Auckland area representing 100 different countries took part in the two-day event set to copy the United Nations Assembly. Each team chose two remits based on current global issues to speak about in front of the 300 participants.

The annual **Jock Hodgson speech competition**, supported by Rotary, showcases the talents of the most eloquent and thought-provoking speakers in the school. The students who have won the school speech competition for their respective year level, go on to compete against one another for the ultimate accolade. The quality of the speeches this year was exceptionally high, and the range of topics and styles of delivery were engaging and entertaining for the audience. Eva-Sky Gundry was announced as the overall winner.

Nimish Singh gained an Elite Award in the Education Perfect World Language Championships. He placed in the top 0.2% of competitors in the world and was the top student from over 151 000 competitors. Gold Awards were achieved by **Emma Betts, Gemma Griffiths, Sasha Marchant and Shannon Miringaorangi, Michelle Horsfall and Matilda Townsend** received Silver Awards and **Casey Roberts, Braeden Leung, Zoe Ackers, and Phoebe Williams** were awarded with Bronze.

Nimish Singh won the top student prize in the national Whakataetae Reo Māori – Māori Language Competition. He also won the Certamen Literario Prize for his short story in Spanish. This is a national Spanish writing competition run by Massey University where students write a fictional story of up to 1500 words.

The **Immerseme Games**, an online language immersion competition, is growing in popularity. Our students performed at a very high level, with Gillian Toala achieving the Laureate award with her results of 1st in World overall, 1st Mandarin Chinese and 4th in Spanish. Pippiana Voakes and Matilda Townsend received Gold awards.

Three teams represented our school at the **Northland Kids Lit Quiz**. Our Year 8 team of Ava Yarrow, Roisin Godson, Zoe Fisher and Shilay Coles placed second out of the 33 teams.

The following students achieved impressive results in the **Australian Language Competition** in Spanish: (Level one) Phoebe Williams High Distinction in Reading, Distinction in Listening, Braeden Leung High Distinction in Reading, Izzy Robinson and Alice Fairhurst Distinction in Reading and Listening, Ciara Andrews, Emma Betts and Michelle Horsfall Distinction in Reading, (Level 3) Nimish Singh High Distinction in Listening, (Level 3 German) Anika Green Distinction in Reading and Listening.

Three Kerikeri High School students were among the top 280 spellers that advanced to the next stage of the **Spelling Bee Aotearoa New Zealand Semi-Finals**. Sam Bryant, Venice Jenelle Maunahan and Kelly Wan all competed admirably, with Kelly and Venice the top two spellers of the region, qualifying to compete in the finals in Wellington.

Kelly Wan and Venice Jenelle Maunahan.

Students participated in a Rural Health Presentation.

MATHEX

Mathex is a challenging and fast-paced mathematics contest where schools across Northland compete against each other in teams to answer questions as quickly as possible. The winning team is the first to gain an absolute score of 100 points or the team which has gained the highest score at the end of 30 minutes. Eleven teams were selected from Years 7-10 to represent Kerikeri High School at the annual Mathex Competition in Whangarei. Our students had a great time representing our school, with one Year 10 team bringing home bronze medals: Leo Duncan, Devon Buxton, Harley Kingston, Mitchell Thomson-Reid; and one of our Year 9 teams placing 4th: Grace Gundry, Michelle Horsfall, Nikitah Underwood and Ella Wade.

Titration day is an exciting event on the Year 13 Chemistry calendar. Students spend the day completing their analysis of how the concentration of a chemical changes when something else changes using titration. This year some students considered how the temperature of different types of juice affected the vitamin C content of the juice. Others looked at how the oxygen content of water in local waterways was affected by the distance of the sample site from a particular significant point on the waterway. The students work together to support and encourage each other with the often-tricky process of analysis.

SCIENCE

Ellee Newman on the Year 12 Biology **Rocky Shore Research Trip.**

Samuel Fan, Reuben Cook, Toby Graham were involved with **'The Problem is Absolutely Rubbish'** a Year 12 Science initiative driven by students to source and monitor compostable waste, plastic and cans. Their work resulted in new bin stations installed in four locations, Year 7, 8, and 9 seated lunch areas and one close to the Tucky. Their primary audit data of our outdoor bins estimated that nearly 3000 kg of compostable matter is thrown into landfill annually.

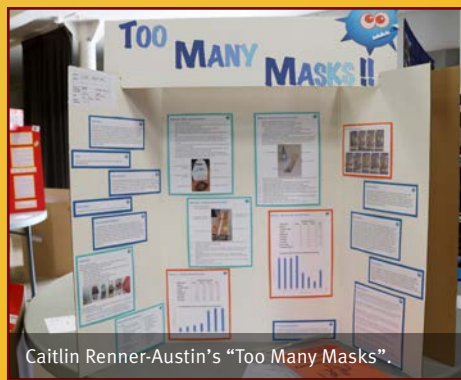

Year 7 students with their **Fantastic Playground** projects.

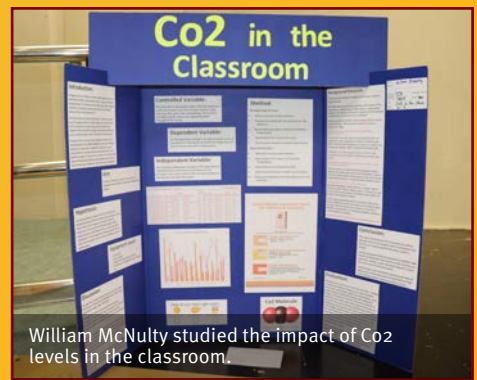

Sam Weston's award-winning project.

Caitlin Renner-Austin's "Too Many Masks".

William McNulty studied the impact of Co2 levels in the classroom.

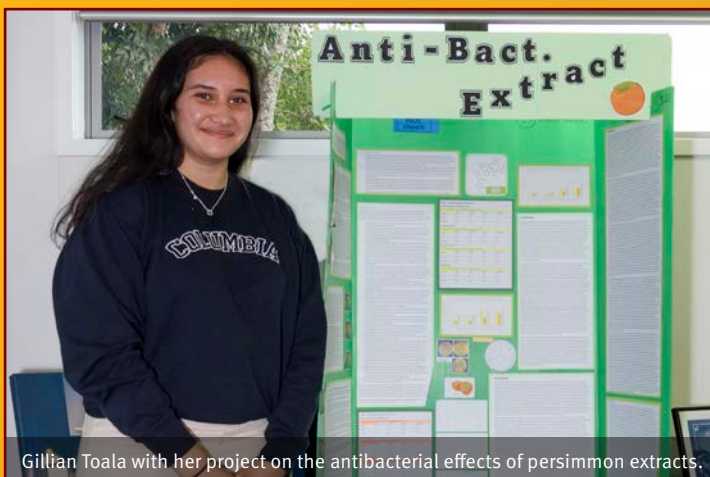

This year's Regional Science Fair at the Turner Centre was different from previous years, as judges were not able to discuss the projects with the students. However, it was still a highly successful event, with Kerikeri High School winning all the major section prizes.

The Outstanding Top Energy Premier Overall Excellence Awards went to William McNulty (Year 7), Sam Weston (Year 8), Caitlin Renner-Austin (Junior), and Gillian Toala (Senior). Gillian also won an Outstanding NRC Excellence Award and was named the Top Energy Overall Winner of 2021 with her project "Anti-bact Extract." Everest Anderson and Samantha Hansen won Outstanding NRC Excellence Awards, and William McNulty and Tíree Robinson won Outstanding NIWA Awards. Emilia Finer with "Rinse to Gold" an investigation into the best ways of taking in a high energy sports drink before competitive swimming, was awarded numerous prizes including a Special Award sponsored by Stats NZ and the New Zealand Statistical Association. Other Special Award recipients were Amber Bloch-Jorgensen, Craig Wilson, Lola Scott, Jessica Keil, Angie Morgan, Caitlin Renner-Austin, Ella Wade and George Campbell.

Eva-Sky Gundry took out first place in the Young Enterprise Scheme Trade Fair. (photo/Peter de Graaf) Eva-Sky received \$10,000 from the Tu Manawa Aotearoa Fund in October to fund up to 8 girls for her Young Enterprise Scheme 'Sky's Surf School'.

BUSINESS MANAGEMENT *and* YOUNG ENTERPRISE

Max Donaldson was selected for New Zealand Trade and Enterprise's Global Kaitiakitanga Project. The sustainability-focussed programme provides high quality business mentoring and international collaboration for young innovators who are shaping the future for a better world. Max was joint winner and has won an all-expenses paid trip to Dubai in February 2022 to promote his olive leaf supplement at the New Zealand Expo.

At the Young Enterprise Scheme mid-year celebration, the top 8 Dragons' Den pitches from the Northland region repeated their pitches to an audience. Kerikeri High School's top eight companies were: Eva-Sky Gundry (Sky's Surf School), Max Donaldson (GreenKiwi Supplements), Holly Thackway (Healthy me) and Jacob Fewtrell (InSight).

Other competition winners were also announced at the YES event. Eva-Sky came 1st and Jacob Fewtrell came 3rd in the Kerikeri Design and Print Business Card competition. Georgie Ludbrook (Afters) came 2nd and Nicola McDonald

(Natures Wood, Rakau Taiao) came 4th in the Northtec Business Plan competition.

The Year 12 and 13 Business Management students had their Trade Fair at the Old Packhouse Market. Eva-Sky Gundry was awarded the Judges' Prize for Best Business with her Wahine Surf School and Jacob Fewtrell was awarded second prize for his business in which he has developed an automatic letterbox light. Jacob also won the public vote for Best Team for this enterprise.

Luca Brassett, Holly Thackway and Max Donaldson were selected to be part of the 2021 Entrepreneurs in Action event. Selected students have all their expenses paid to attend the three-day programme, which focuses on developing creative thinking to solve a problem. This was an opportunity to work with other students from around the country and gain mentoring from business leaders.

The end of year regional celebration for Young Enterprise produced some fantastic results for our students, with seven Kerikeri High School companies nominated for awards. The event started with the regional finalists pitching their

businesses to a panel of judges followed by an awards ceremony and dinner.

AWARDS WENT TO:

Rosie Arthur and Stacey Rikys won the Northtec Award for Business Management; Eva-Sky Gundry won three awards for Communication, Sales and Marketing, Innovation and Growth potential and Young Managing Director; Jacob Fewtrell won two awards for Technology and Innovation and Growth; Max Donaldson won four awards for Financial Management, Sustainability, Innovation and Growth and Enterprise Champion.

The main award of the night, the Top Energy award for YES company of 2021 went to Eva-Sky Gundry, with Jacob Fewtrell gaining second place and Max Donaldson third.

Eva-Sky's prestigious award has led to her pitching her business to a panel of judges in December to compete for the National YES Company of the year. These are outstanding results and well deserved. All these students have worked extremely hard on the respective businesses this year.

MARKET DAY

Gateway

Gateway is a work experience programme for Y12-13 where mature and work ready students are encouraged to work one day a week for a minimum of 6 weeks. In 2021, 112 students were placed within 134 roles with 66 different employers.

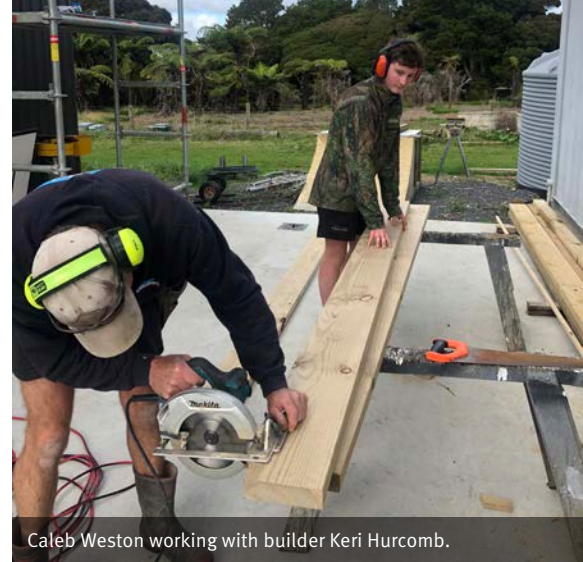

Students who undertake Gateway are working in real workplaces, gaining work experience, and building skills for employment. Students also complete Core Generic Unit Standards, and First Aid and Health and Safety courses in the school holidays to avoid disrupting curriculum time. Where possible, we organise units of work from the Industry Training Organisations which are usually assessed by Workplace or Industry Assessors.

This year we hosted three very successful Learners Driver's License courses run by an outside provider and assisted by the local police, with most of the costs funded by the Ministry of Social Development. We have had 100% success with students learning the road code, then being supported to sit their Learners Test.

We have students doing work experience in a range of pathways including dairy farming, electrical, landscape gardening, beauty therapy, equine, tourism, art gallery, diesel mechanics, golf, and

plumbing. We provide students with any equipment they may need and can provide transport when needed.

This year we have had Gateway students leave school with apprenticeships or trials in building, plumbing, roofing, and truck driving. In the new year we have students ready to begin roofing and electrical apprenticeships. Students have gained part-time work with their Gateway employers or gained work due to their placement.

YEAR 13 LEADERSHIP CAMP

Year 7 Peer Support Camps

YEAR 12 GEOGRAPHY

Year 12 Geography students enjoyed a day trip out to the Poor Knights Marine Reserve off the Tutukaka coast as part of their work around Marine Reserves. We saw many different marine animals, including a turtle, seal and stingrays. "The Gardens" area of the Poor Knights was full of schools of juvenile fish, kelp and mature fish. Students were able to swim, snorkel, kayak, and stand-up paddle board to explore the area.

Outdoor Pursuits Centre

YEAR 12

Duke of Edinburgh

The Duke of Edinburgh programme is in its sixth year at Kerikeri High School. Committing to doing the award is a personal challenge, not a competition against others. It pushes young people to their personal limits and recognises their achievements. Students this year completed four bronze tramps. The students have always risen to the challenge and enjoyed learning that is outside of the classroom. We are lucky to live in the Far North where we have such beautiful landscapes to experience.

LION NZ SAILING

The NZ Sailing Trust works with schools and teachers to deliver learning opportunities such as sailing on the famous boats Lion New Zealand and Steinlager 2. The sport of maxi yacht sailing brings to life values like leadership, teamwork, communication, determination, courage, and respect as each team member learns the various roles they need to perform to sail the yacht and reach their destination. Learning to navigate, sail, cook and live on a maxi yacht leaves each team, at the end of their journey, with a great sense of achievement.

YEAR 10

OUTDOOR PURSUITS CENTRE

The Y10 trip was cut short this year, but the students had an action packed two days in the snow while they were at the Sir Edmond Hillary Outdoor Pursuits Centre.

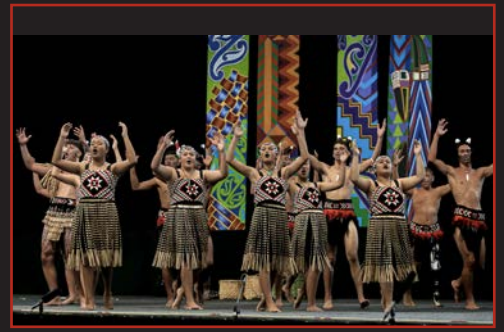

Te Pou o Manakō

Our Kapa Haka roopu, Te Pou o Manakō achieved outstanding results at the combined Tōkihi ki Tua and Te Tai Tokerau Festival, 2021. Their stunning, emotional performance was dedicated to Nana Bloss.

1st Place Waiāta Tira (choral), 1st Place Kaitātaki Tāne (male leader) Rehutai Armstrong-Kingi, 1st Place Kaitātaki Wahine (female leader) Maybel Koro, 2nd Place Whakaeke (entry), 2nd Place Waiāta-ā-ringa (action song), 1st Place Whakawātea (exit). Our roopu was placed 5th overall with very few points between the top 5 placings. A total of 26 roopu from different schools throughout Te Tai Tokerau performed in the combined events.

Ten students had 48 hours to create a complete 5-minute Dare to Devise theatre piece, which included costume, props, sound, and lighting. Their work culminated in a public performance at the Forum North theatre in Whangarei. Given the instructions of using a ball and slow motion, this group created “Still I Will Be Merry” which explored the theme of love, loss and life changing events. They won the Judges Choice award for Excellence.

Drama SHOWS

Showquest was an online performance, a film called 2071: FREEDOM. It is a story of aliens who invade earth and force the humans to entertain them with endless theatrical performances until the humans choose to fight back. The film was written, directed, produced, and performed by Year 9-13 students.

Actors Gabby Smythe and Jack Johnson from Children's Theatre.

Users Guide to Reality was an original piece of theatre created by Year 9 drama students. It had to be something that communicated their own voices and touched on their world. Together they shaped this vignette play made up of many different scenes – all with a focus on technology – the good, the bad and the funny. They were supported by a full technical crew of Year 12 Entertainment and Event Technology students. With no teachers backstage, the production was 100% student created, managed, and operated.

Hope Springs is a correctional facility that problem teenagers are sent to for readjustment. What happens when discipline becomes cruel and when agency and self-worth are removed by the very adults employed to help you? Who are your friends? Who are your enemies? It's a bit of a grey area. Year 11 actors combined live filming with action in this incredibly moving performance.

The Last Gasp Cafe was performed by Year 12 and 13 Drama students, a play about a family that crashes their car in a small rural town. The business tycoon father sees an opportunity for land development and tries to buy the café, but the locals fight back. Entertainment and Events Technology students built the set and designed the theatre technologies, which made for exciting performances.

Music

Three Kerikeri High School bands made it through the heats to get into the top 12 bands at the Regional Rockquest finals in Whangarei. They were Under Pressure (Zane Scott, Sam Hendriske, Josh Boyd, and Dillan Blithe-Drake), No Vacancy (Erin Rosetta, Kosta Silich, Finn French and Lukas Bayer) and The Click (Sailor Epiha, Jenna Dawes, Cooper Harris and Declan Matthews). The Click was awarded 3rd Overall, and Erin Rosetta from No Vacancy received the Musicianship Prize.

The Kauri Armstrong-Kingi's original song 'Golden Sands' came 2nd in the New Zealand Music Commission's National 'Hook, Line and Sing Along' competition, and was also included in the Play it Strange national song-writing compilation. Te Kauri was interviewed and filmed by TVNZ for an appearance on Seven Sharp.

Band members of Under Pressure submitted their performance online for the regional Bandquest competition which is for Primary and Intermediate School aged students.

Hector Danilo passed his Grade 8 drums (Trinity College of London) with distinction at the end of last year. Grade 8 is nearly the top of the system; Hector is now qualified to become a private music tutor.

Y13 students Amelie Bettle, Bella Seagar, Laney Roberts with Chef Mrs Sturge.

INTERNATIONAL DEPARTMENT

In 2021 we had a small but successful International Department whānau. We have got to know each other very well and have enjoyed making lasting memories together.

We enjoyed bike riding and bush walks around the Bay of Islands, attended a two-day Hospitality course in Paihia, had an overnight stay at Tutukaka, as well as two trips to Auckland to visit tertiary study options and enjoy activities such as the Escape Room.

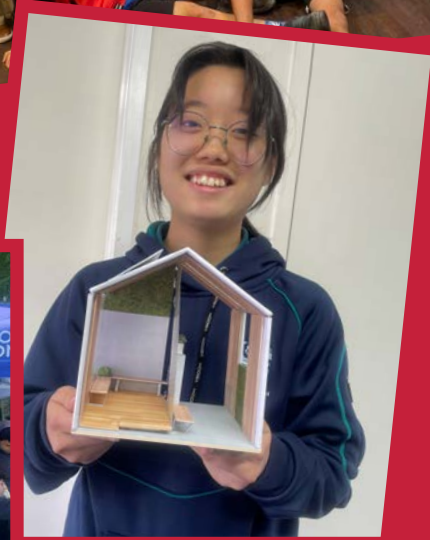

Guide Prawatlerdwattana, Bill Gui, Simone Wu and James Poon represented Kerikeri High School in the Student Ambassador programme for Study Northland. This programme promotes international education in Northland with the students taking part in tourist, cultural and environmental activities. This year the programme involved an Amazing Race around Whangarei,

a weed busters' trip to Limestone Island, volunteering at the Mother's Day dance at the Kerikeri Retirement Village and an Amazing Race in Paihia.

Our students have very successfully participated in school sports such as Badminton, Tough Guy 'n' Gal, Cross Country Running and Football. They have done this while also excelling at their studies with some great NCEA results.

We would like to thank our host families, the International Department staff, Kerikeri High School teaching staff and the Kerikeri community for the aroha, care and support you have shown our students, they truly feel like Kerikeri is their home.

Junior Swimfests

Waka Ama

The NSSA Waka Ama Regionals were held at Lake Ngātu. Our J19 crew Troy Leef, Tāmure Webb, Matthew Rakena, Joshua Young, Jamaine Young and Rehutai Armstrong-Kingi placed 2nd in the W6 250m straight race and 2nd in the W6 500m turn race. Tāmure Webb, Matthew Rakena and Joshua Young competed in the J19 W1 250m race, Joshua placed 3rd and Matthew 4th.

The crews travelled to Rotorua for the Waka Ama New Zealand Secondary Schools competition held on Lake Tikitapu. Joshua Young progressed to

the J19 W1 250m champ final and placed 12th. Matthew Rakena progressed to the J19 W1 250m plate final and placed 3rd. Our J19 W6 (Tāmure Webb, Rehutai Armstrong-Kingi, Jamaine Young, Troy Leef, Matthew Rakena and Joshua Young) competed in the W6 500m turn race and W6 250m straight race. They progressed to the W6 250m champ final, placed a respectable 11th, progressed to the W6 500m plate final and placed first. It was a very successful campaign for these dedicated paddlers. A special thanks to Uncle Danny Kaiawe and Aunty Tuppy Kaiawe for their time and commitment to the Kerikeri High School Waka Ama crew and to the Kaihoe o Ngāti Rēhia club for the use of their gear.

Swimming Championships

The Kerikeri High School Swimming Championships year level winners were: (Year 7) Blake Barker and Sakura Tau, (Year 8)

Finn Ludbrook and Kaia Derbyshire, (Year 9) Devon Ray and Sasha Bell, (Year 10) Oliver Horsfield and Florence Venner, (Year 11) Jamie Doubleday and Ariella Ripohau, (Year 12) Dean Mansell and Pipi Johnson-Phillips, (Year 13) Kori Brown and Emilia Finer.

Kori Brown broke an impressive five records on the day: 100m Backstroke, 50m Backstroke, 100m Breaststroke, 50m Breaststroke and 200m Medley. Five other students also broke records: Emilia Finer 200m Medley, Ariella Ripohau 50m Backstroke, Oliver Horsfield 100m Freestyle, Kaia Derbyshire 100m Breaststroke, Sakura Tau 100m Breaststroke.

A group of 18 travelled to Dargaville to compete at the NSSSA Swimming event. The following swimmers had podium finishes: Oliver Horsfield, Kori Brown, Sakura Tau, Kaia Derbyshire, Dayna Hawke, Sasha Bell, Ariella Ripohau, Ciara Andrews, Emilia Finer, Florence Venner, Lukas Bayer, Henry Ludbrook, Ben Andrews, Sophia Orchiston, Ella Johnson-Phillips, Will Anderson, Stella Bowron, Alice Calnan, Emma Betts, Devon Ray, Natalie Creighton, Madison Flood and Jamie Doubleday.

ATHLETICS

We had 97 students from year 9-13 attend our Kerikeri High School Athletics Championships, with one record broken by Jamie Doubleday in the 200metres. The record of 23.5 sec had been held since 1985 and Jamie's time was 23.22 sec.

The year level winners were:

Year 13 (Girls) 1st Rachel Smythe, 2nd= Isabella Doubleday/Anika Green; (Boys) 1st= Josh Dupreez/Harry Davies, 3rd Josh McNulty; Year 12 (Girls) 1st= Avalon Strang/Sky Gundry, 3rd Juliette Wilkinson; (Boys) 1st Toby Bell, 2nd Josh Morrow, 3rd Jacob Fewtrell; Year 11 (Girls) 1st Mereana Huirama-Moore, 2nd Ariella Ripohau, 3rd Gabby Smythe; (Boys) 1st Jamie Doubleday, 2nd Callum Hoult, 3rd Tony Munford; Year 10 (Girls) 1st Anika Wallace, 2nd Layla Molloy, 3rd Arlia MacCarthy; (Boys) 1st Joshua

Anderson, Ahi Fowler-Bayer, 3rd Oliver Horsfield; Year 9 (Girls) 1st Jayden Tango, 2nd Tanya Woods, 3rd Madison Flood, (Boys) 1st Sam Bell, 2nd= Benji Ellicott/ Flynn Fair-Machin.

A small team attended the NSSA Athletics event, for our Year Nines it was their first experience of running on a proper track. For the first time ever, we had a relay of eight team members, and a slight drop of the baton placed us 2nd. Our impressive results included: (Junior girls) Bailey Edwards 3rd 100m, (Junior Boys) Hunter Kay 1st High Jump, (Intermediate Boys) Jamie Doubleday 1st 100m and 1st 200m, (Intermediate Boys) Callum Hoult 2nd 1500m and 3rd 800m, (Intermediate Boys) Joshua Anderson 2nd Long Jump, (Senior Boys) Josh Du Preez 1st 400m and 1st 800m, (Senior Girls) Isabella Doubleday 2nd Long Jump, (Senior Girls) Anika Green 3rd 100m. Both Josh Du Preez and

Jamie Doubleday went on to represent Northland at the North Island Secondary Schools Field and Track Championship held in Hamilton. Josh came 10th in 800m (2.00.95 sec) and Jamie gained some PB's and 4th in 200m (22.76 sec) and 6th in 100m (11.51 sec).

Cross-Country

The Kerikeri High School Competitive Cross-Country race saw 186 runners take to the course. Year level winners in this event were:

(Year 7) Charlie Birt, Eva Steenkamp; (Year 8) Ben Vreede, Kaia Derbyshire; (Year 9) Benji Ellicot, Madison Flood; (Year 10) Oliver Horsfield, Jess Jack; (Year 11) Callum Hoult, Isabella Elia; (Year 12) Max Jordan, Harriet Bunce; (Year 13) Joshua Du Preez, Emilia Finer.

The newly formed Year 7-8 orienteering and cross-country event was a huge success with 212 entries (43 teams), huge smiles on the runners faces and a relaxed, fun atmosphere. The Sports Council students were on the stations around the course where the team members had to complete an exercise challenge and collect a stamp on their race cards. First across the line with all stamps in the right place claimed first. This new format was to offer a competitive race for those that want that and an event that encouraged participation, teamwork and being active.

Netball

Rugby

1ST XV RUGBY BOYS

This year six schools entered the mid-week competition. A complete round was played, and we had five big wins under our belt, on target to clean sweep the competition. With the strongest team we had ever fielded we were ready to take on the top North Harbour school. Unfortunately, a lockdown occurred and all we could do to complete the season was play a final. We say goodbye to our much-valued Year 13 players and hope they continue to play rugby. A special thank you to Kevin Casey who has coached the team for the last four years.

CONDORS SEVENS COMPETITION

Four teams (U15 Girls, U15 Boys, Open Boys and Open Girls) which made up a group of 45 players, with 12 coaches and managers, represented Kerikeri High School at the New Zealand Secondary Schools Condors 7's tournament held at Kings College in Auckland in late December 2020.

Players ranged from first timers taking up the challenge, to Year 13 students at their last ever school tournament. There were many highlights including first wins, first tries, beating Scott's College, amazing team support and bonding, unique hairstyles with ribbons, Willy's team, and school chants. We celebrated Lucas Casey being named in the New Zealand Schools

Barbarians team which was a huge achievement. Whatever the memory, the entire four-day tournament is a highlight on the school sporting calendar.

1ST XV RUGBY GIRLS

With the numbers of girls playing rugby in Northland increasing, four schools were able to field teams which included girls ranging in age from 14 to 18. Again, the season was disrupted, and we only played three games, of which our team managed three well-earned wins. We would like to thank Bruce Mackintosh and Connor Mccondach for coaching the team.

Football

This year the Premier grade for the boys and girls lacked in team numbers from other schools. The girls' divisions combined to create a meaningful competition and our Girls 1st XI made it into the final against Whangarei Girls High School at Trigg Stadium. The Boys 1st XI competition only had 3 teams, with each game fiercely competitive.

Mountain Biking

Our Kerikeri High School Mountain Biking Club has had a busy year of having fun on bikes and training for events, but we were only able to compete in the Northland Secondary School's races due to restrictions. We came away with lots of top results in the different age groups. The club has been lucky enough to have access to the new Kerikeri Mountain Biking Club track development in Whitehills which has helped develop the skills of our young riders.

Sasha Blandford

Johnny Bryant

Equestrian

We had 13 riders enter the second equestrian event for the year at the Kaikohe Showgrounds for the Combined Training Day. All competitors rode well, and we came home with some pleasing results. Sophie Ludbrook placed 4th in dressage and 4th overall in 105cm, Ruby Donovan-Flynn 3rd in dressage in 95cm, Keira Featherstone 4th in dressage and 3rd overall in 95cm, Tyla Wynyard 2nd in dressage and 2nd overall in 80cm.

SPORTS NEWS

The newly formed **Student Sports Council** is an opportunity for students to have purposeful leadership input into sport at Kerikeri High School. Sports Council roles include running sports festivals, attending assemblies to deliver notices and certificates, organising lunch time activities on the field and in the gym for junior students, revamping events played at sports festivals, looking at projects like outdoor basketball nets, making the PE changing rooms a safer environment and producing articles for the School Magazine and social media. It is all about increasing the voice of rangatahi around sport in our school.

Isla Robinson and Lana Leaf placed 2nd and Grayson Black and Zane Adkins placed 4th at the **NSSSA Croquet Competition**.

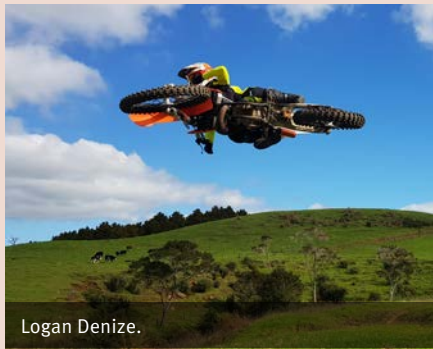

Senior Boys Basketball placed 2nd in their **NSSSA Basketball competition**.

Eva-Sky Gundry, Grace Gundry, Oska Robinson and Kosta Silich were included in the Northland Surfing Training Squad. They have been training and competing against some of Northland's best surfers. Eva-Sky Gundry was also selected to travel with the competition team for National Competition in Taranaki.

Izzy Robinson won the girls competitive grade at the **NSSSA Tennis Championship** at Thomas Neale Memorial Park.

Y9/10 Basketball team who were unbeaten at the **Basketball 3v3 event**.

Logan Denize.

Several Kerikeri High School riders attend round 4 of the North Island King of the Secondary Schools Motocross Series at the Ruakaka Motocross Park. **Logan Denize** won 5 out of 6 races, placing him 1st overall in both the 125cc and the 250cc in his age group. Logan also competed at the Motocross Interschool racing in Rotorua, winning the 250cc and placing 4th in the 125cc in his age group.

Competitive surfers Grace Gundry, Kosta Silich and Oska Robinson.

With a building swell and strong onshore winds all day at the **NSSSA Surfing Series #2** at Sandy Bay, the conditions were not always easy or pleasant, but it was a credit to all the surfers to see their perseverance and talent shine through. Grace Gundry placed 2nd in the U14 girls, and Eva-Sky Gundry 1st in the U18 girls' section.

It was a beautiful day at Ahipara for the 3rd event of the **Scholastic Surfing Series**. The points were a bit small, but they found a nice bank left of Kaka Street for the competitors to show their skills. Oska Robinson placed 2nd in the U14 boys and Grace Gundry placed 3rd in the U14 girls.

Charlie Birt won his age group, **Kaia Derbyshire** placed 3rd (11yrs) and **Keira Featherston** placed 3rd (12yrs) at the Kerikeri Districts Intermediate and Primary Cross Country.

Kaia Derbyshire leading the field.

Charlie Birt.

Twelve of our students competed at the **NSSSA Stand Up Paddleboard** competition held at Lake Manuwai. Our students had been training on and off since the beginning of the term and were keen to compete. We had some excellent results on the water, with first placings in their age groups for James Simpson-Maccabee, Jana Godwin, Ella Scott and Eva-Sky Gundry.

A group of 18 girls participated in a **Girls Rugby Festival**. This was a mixture of girls who have never played before and those who are currently playing. This day is our first introduction of girls to rugby and our starting point of moving them into our Sevens and the 1st XV programme.

Tiree Robinson.

Tiree Robinson raced at the **Bev May Women's One Day Cycling Classic** in Morrinsville. She won her U17 50km Road Race against a strong field of 16 other cyclists. Tiree has been selected to be part of the **Cycling New Zealand school focus group** and was also accepted into the **Cycling New Zealand Road Cycling Junior Development camp** in Invercargill, which lead into the **Yunca Junior Tour of Southland**. The tour was 6 stages around Invercargill and Tiree raced in the U19 Women's age category. Tiree finished the tour with the **Polka Dot Jersey (Queen of the Mountains)** and **3rd Overall** on the **General Classification**.

Talented rugby player **Kahleah Nathan** was awarded a **Kauri Club Grant** (affiliated to Sport Northland). The grant is used to support talented sportspeople in Northland and give them every encouragement to advance their sporting careers and achievements.

Thirty-one students and one teacher took on the challenge to compete at the **Tough Guy and Gal** event, arriving to the Helensville venue in abysmal weather – a hailstorm had just been through, and it was pouring with rain. The race consisted of a 6km course, filled with obstacles ranging from waist deep mud pools, barbed wire crawls, steep hills, water filled drains to horse jumps. **Madison Flood** placed 3rd in the junior girls. For most it was their first time at the event. The course was muddy, wet, cold, and challenging, proving very hard. All came away having had an extremely fun day.

Two teams travelled to Kaikohe to compete in the **Year 7/8 Quick Rip** competition. Playing in mixed teams of age groups and club rugby teammates they competed well. The teams were coached by Year 12 students **Toby Bell**, **Avalon Strang** and **Eva Forest-Chambers** who did well in terms of encouragement, knowledge of the game and enthusiasm. Our more senior team placed 3rd. The same teams and coaches travelled to Kaitaia and progressed into full tackle rugby. The girls were outstanding as they were tackled and had to tackle much larger boys and again, the older team came 3rd.

Ten boys and eight girls battled in a round robin competition so we could crown the champions in the **Kerikeri High School Badminton Championships**. Top placings went to (1st) **Laney Roberts** and **Guide Prawatlerdwattana**, (2nd) **Heidi Nicholls** and **Samuel Fan**, (3rd) **Rachel Smythe** and **Patrick Godson**. **Laney Roberts** is the **Northland Secondary Schools' Senior Badminton Champion**, and **Guide Prawatlerdwattana** placed 3rd at the **NSSSA Individual Badminton Competition**. Our **Senior Boys Team** (Guide, Samuel Fan, Patrick Godson, Cole Walker) placed 2nd at the **NSSSA Badminton Teams Competition**.

Senior Badminton.

Gabi Hislop was selected for the **New Zealand Māori Women's Football Team "Aotearoa Ngā Wahine Whanapoikiri."** She was also invited to trial for the **New Zealand Football Talent Centre** with the **National U17 coaches** and was and captained the **New Zealand Māori U17 Football Team** to play the **Cook Islands**. Gabi has absolutely loved playing at this elite level.

Sailor **Epiha** won **Gold** in **Sparring**, **Gold** in **Speciality** and **Silver** in **Patterns** at the **New Zealand Taekwondo Tournament**.

Year 10 student **Lucas Bayer** placed 1st in the **U19 Boys** and **Year 8** student **Kaia Derbyshire** placed 2nd in the **U19 Girls** at the **NSSSA Triathlon**. Kaia then placed 4th at the **New Zealand Secondary Sports Association Triathlon Championship**.

Isabella Doubleday was selected as one of only ten secondary school students from around the country to be on the Student Athletic Commission for School Sport New Zealand. The role of student voice in sport is increasingly valued and Isabella's role was to help deliver positive experiences for our young people in school sport. This was an amazing student leadership opportunity, and we know Isabella represented Kerikeri High School and Northland with distinction.

Isabella Doubleday.

Several students also competed at the New Zealand Secondary Schools Swimming Championships. **Lukas Bayer** and **Oliver Horsfield** achieved Personal Best times in their swims. **Ariella Ripohau** swam to five top-four finishes including Gold and two Silver medals in her three favoured backstroke events. **Emilia Finer** swam to five top-ten finishes: including Silver in the 200m Butterfly and Bronze in the 200m IM and 400m Free.

Our Senior Boys Turbo Touch team consisting of **Lucas Casey**, **Sam Harper**, **Mouhnir Ramach**, **Daniel Rogers**, **Cameron McClelland**, **Bailey Johanson** and **Ari Leonard** came 1st at the NSSSA Competition.

Kahleah Nathan and **Oceane De Reuck-Donelley** both made the Semco Northland Rugby Development Team. **Tuhikaariki Smith** played for the Northland U15 Basketball team over the July Holidays. **Lucas Casey** and **Toby Bell** were selected into the Auckland Blues Under 18 Rugby squad.

Alana Baker, Jessica Rooney and **Tadiwanashe Nyakudya**, our **Special Olympics Team** who competed at the T2 Swimming Upper North Island swimming carnival.

Kori Brown, **Emilia Finer**, and **Ariella Ripohau** competed at the New Zealand Swimming Championship event in Auckland. Emilia and Ariella swam in the Open Age group, and both qualified for finals in their events and finished with top 20 placings, all three swimmers improving their personal best times and overall national placings. Emilia and Ariella qualified for finals at the **National Age Group Swimming Championships** in Wellington and finished with top 5 or 10 placings. Outstanding results, which see them sitting amongst the top 10 swimmers in their age group in New Zealand.

The **New Zealand Division II Swimming Championship** event was held in Dunedin. Sophie Broughton, Emilia Finer, Henry Ludbrook, Ciara Andrews, Lukas Bayer, Dayna Hawke, Oliver Horsfield, Florence Venner and Sascha Bell all competed, with top 10 finishes for Sascha, Oliver and Henry and a medal each to Emilia (Gold - 1500m Free) and Florence (Bronze - 100m Fly).

Devon Ray placed 3rd in the U16 North Island Secondary School Mountain Biking Enduro and **Lily Wilson** placed 2nd in the U19 Enduro and 1st in the U19 Down Hill.

1st XI Boys Cricket.

Aims Football team.

Aims Netball team.

Our Year 7/8 Aims teams go through a rigorous selection process every year and play as many games as they can to build their skills as a team before the Aims Tournament in Tauranga. Unfortunately, the tournament did not go ahead this year, but we congratulate the teams nonetheless for their selection and development as players and teams.

1st XI Mixed Hockey.

Term 2 saw the **1st XI Mixed Hockey** team playing in the Collegiate Div 2, winning every game comfortably by 6 goals. It was decided that for the second half of the competition we would move up to Div 1 so we could better prepare ourselves for Tournament Week. It was a complete flip where we were experiencing losing every game by 4 goals. We wish our much-valued Year 13 players all the best for the future.

The following Kerikeri High School Cricket players were selected for Northland Representative teams in 2021: **Joshua du Preez** Northland Men's B Team and Northland Senior Secondary Schools Team; **Joshua McNulty**, **Daniel Rogers** and **Matthew McNulty** Northland Senior Secondary Schools Team; **Lola Scott** and **Lizzie Woodhead** Northland Junior Schools Girls Team.

Mahia te Mahi

‘Do the mahi, kahi’ is a study group established this year for our kapa haka roopu, so that they were not getting behind with mahi while practicing for competitions. The group met after school once a week. They were supported by teachers of various curriculum areas.

Another kaupapa Year 8 students looked at this year was Ngā wāhanga o te whare hui (parts of the meeting house). Their learning was reinforced by constructing their own whare.

Our Year 9 students of Te Reo Māori extended their knowledge about Kupe and his voyage to Aotearoa. Along with the Year 12 class, they travelled to Opononi to visit the Manea – Footprints of Kupe Experience. Their visit reinforced and extending their learning about our tupuna, Kupe. Ngā mihi nui ki ngā tāngata whenua kei reira.

Ngā Manu Kōrero was held in Panguru. We had two students represent Kerikeri High School; Te Kauri Armstrong, who spoke in the Tā Turi Kara (Junior English) section and Ātahikoia Smith who spoke in Te Rāwhiti Ihaka (Junior Māori) section. As first-time speakers, both of our tairā did us proud. Kei runga noa atu kourua.

This year our Year 8 Te Reo Māori students had a real hands-on experience preparing and cooking their own hāngī to enjoy! This was to reinforce their mahi about Atua Māori (Māori Gods) and the kai that they provided and to learn about manaaki i te tangata – caring for others.

YEAR 13

3rd Row: Madeleine Johnson, Lily Wilson, Kit Kinghan, Danyelle Mealings, Faith Archer
2nd Row: Jane Jarman (Year Level Dean), James King, Vincent Gil, Patrick Godson, Max Couling, Mitchell Keys, Matthew White, Emma Wise (Form Teacher)
Front Row: Stella Saville Burley, Charlie Weston, Ailish Pinkney, Georgia Russell, Kayla Murray, Hannah Pearse, Catherine Lord
Absent: Fischer Lewis De Kirkbride, Joshua Pegler Davies, Joshua Scott, Henry Ludbrook, Ryan Bennett

University Trip

We were very fortunate to be able to take 38 students away on our annual University trip. We visited AUT, where students participated in groups with other Northland schools, exploring the campus. At the University of Auckland, we had a walk around the campus and then saw the new hall of residence, Waiparuru. We timed all our visits to coincide with the University of Waikato Open Day. Students are free to explore the Hamilton Campus and attend mini lectures. Returning to Auckland, we split into those wanting to listen to either the University of Otago or Victoria University of Wellington Liaison Advisors. Finally on our last day we had a Treasure Hunt around the Albany Campus of Massey University. We returned to Kerikeri after 3 days away, with more of an awareness of University life and the wide range of options available.

Staff News

Mrs Melissa Rennes, Ms Su Neave, Mrs Lyn Raines and Ms Erica Collins.

Miss Yates and Mr Clent at OPC.

Matilda Belle Ward.

Mr Darren Kitchingman, Mrs Marla Osborne, Miss Georgia Miller and Mr Chris Wallis joined our teaching staff during the year and Mrs Michelle Penman returned, moving to the Learning Enrichment Centre. Ms Janet Vidal and Ms Carol Atkinson joined us in Guidance, Miss Tallulah Mills in LEC, Mrs Barbara Wright in the Science department, Ms Christine McFarlane for term four in Guidance and Mrs Ange Bell and Mrs Rachel Armstrong in Te Puna Waiora.

We had several staff departures, including Mrs Maddy Haydock who won a position with the Education Review Office. She has been with us at Kerikeri High School for 16 years, and in that time, held positions including Year Level Dean, Head of English, and Deputy Principal. Mrs Haydock made a significant and positive contribution to our school community in that time across all her roles, including organising Speech Competitions, the Ball, Leavers' Dinner and establishing Auctioneering at Kerikeri High School. We wished Mrs Haydock and her family our very best on their move to Wellington.

Mrs Wendy Nagel has taught at Kerikeri High School over the last 40 years. Her specialty subjects included Home Economics, Hospitality and Human Development, with Wendy being a huge support to these subject areas and to the school over the years. Her expertise in these areas meant her knowledge inspired many students throughout the years. We wish her the very best in her well-deserved retirement.

Mrs Lois Andrewes is also retiring, after working behind the scenes in the Science Department as a full-time Lab Technician for 24 years. She has been a very important part of the school during that time, also putting her photography skills into action to support the recording of student achievements.

Our Health and Physical Education Head of Department Mr Grant Connon retired at the end of the year. Mr Connon started at Kerikeri High School 23 years ago in 1999. He contributed a huge amount to our school community, especially in the field of athletics developing talented students

through to national level. Grant spent many hours coaching after school in weekends and during holidays, including trips away to athletics events.

Mrs Gill Luke started in December 2003 as Guidance Counsellor and was appointed Head of Department of Guidance and Careers in 2010. During this time, she also took on a Teacher's Sabbatical in 2017 to write up our Traumatic Incident Response into a Workbook, which was publicised in the Secondary Principals of New Zealand President's Comment. Gill plans to carry on with a bit of part-time counselling, spend time with her grandbabies and continue pounding the pavements, training for walks and bike rides around New Zealand.

Mr Russell Giles joined us in 2006 and has been a much-respected teacher of Visual Arts over the last 16 years. His expertise in printmaking and encouragement of students to share and develop original ideas in their art has been highly valued. Russell will enjoy having more time to spend with his family and work on his own art and fantastic gardens. Mrs Nickola Brock also started in 2006, as a Senior Biology and Junior Science teacher. She has been a huge part of the development of the Year 10 and Year 11 programmes in the Science Department. Nicky is planning lots of skiing and travel in her retirement. Mr Derek Tankard also started 16 years ago, teaching mainly Maths but also English and Social Studies during that time. Derek is also very much looking forward to his retirement – reading, jobs to catch up on at home, and fishing when he wins lotto and buys a boat! We wish him well.

Mrs Miriam Collins held the roles of Teacher of Social Studies, Music Teacher and Moderate Learning Needs Facilitator during her 6 years at Kerikeri High School. We wish her the best as she is enjoying spending more time with her family and pursuing her interest in drama. Physics and Science teacher Mrs Sian Durbin also

leaves us after six years to spend more time with her family, moving back to Auckland with her husband. We thank her for her contributions to our Science department, also holding the role of Assistant Leader of Learning. Science teacher Mrs Nicole Simonetti left us after two years for a position at a neighbouring school.

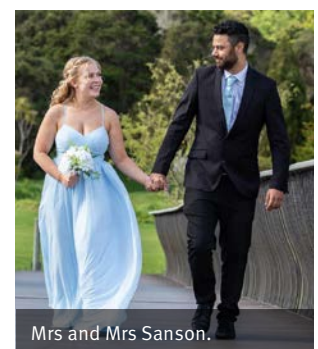

We thanked Mrs Carol Atkinson and Mrs Fleur Kelaher for their time with us in the Guidance Department and wished Mrs Janet Vidal and her family the best as she went on maternity leave. We were pleased to welcome our Principal Mrs Elizabeth Forgie back at the beginning of Term 4 following her well-deserved Sabbatical.

Congratulations went to Mr Jerome and Emily Sanson who were married on the 24th of April, and we were excited to welcome Miss Kate Liddington's baby Micah on March 20th, Mr Alex Ward's baby Matilda born on October 17th, and Mrs Ellie Baird's little girl Ashton on the 18th of November. Mrs Renae Rakena completed her Master of Educational Leadership, with First Class Honours. Teacher Aides Miss Grace Calvert, Miss Tallulah Mills, Ms Deb Rooney and Mrs Janine Ford all completed their New Zealand Certificate in Health and Wellbeing – Specialising in Teacher Aiding Level 4.

Several teachers have been studying under Te Ahu o Te Reo Māori which is an MOE funded project to teach teachers te reo Māori. Miss Kara Whiu is undertaking the L3 Te Hiku Okoro course and Mr Jordan Westerlund, Mrs Tania Peters-HeiHei, Mrs Sarah Davis and Mrs Shelley Ash are enrolled in the L2 Te Rekamauroa programme.

Kapa Kōrero is an initiative to encourage our kaiako and ākonga to speak te reo. We meet twice a week for a 'cuppa' and a kōrero.

Mrs and Mrs Sanson.

Board of Trustees Report

Like its badly behaved brother 2020, this year has challenged us all. But even amongst the constant change, the Board of Trustees has continued to work together as a cohesive team which has allowed us to focus on our students, faculty, and support staff.

Our Senior Leadership Team (SLT)

Our Principal Mrs Elizabeth Forgie took a sabbatical in term 3, effectively study leave, which must be approved by the Board and then the Ministry of Education. Elizabeth's request to us was to write the story "Te Reenga Kotuku: Our long-term commitment to school reform with a vision of equity for Māori and how it benefited all." Essentially a journal of what we have changed and where we are on the journey.

The aim was to tell our story in a way that provides a resource, inspiration, ideas, and encouragement for others. Elizabeth's intention was to collaborate with Dr Mere Berryman and Professor Russell Bishop, but it coincided with the second national COVID lockdown in August. Although the impact of COVID restrictions meant her paper was shorter than intended, it did not detract from the quality and the Board were so impressed with her work that we agreed it should be required reading for all future Boards and staff.

Our Associate Principal Mr Mike Clent has the Board's acknowledgment and thanks for his outstanding leadership during the Principal's sabbatical. Mike stepped up to lead our school through two lockdowns. The second COVID lockdown for Northland in August was unexpected and swift, but the school was able to quickly adapt after so many lessons learnt over the last 20 months. Communication from Elizabeth and Mike to our school community has been regular and extensive over this year, and feedback from parents has been generous and supportive.

We also thank our Deputy Principals Mr Daniel Wise, Mr Hal Walker, and Mrs Justine Strang who is on secondment from her Dean position. Justine was asked to join the team as an Acting DP to cover for Mrs Maddy Haydock who has moved to the Education Review Office in Wellington. The Board work closely with SLT and know that they are out of their offices and on the grounds every day, working closely with our students and staff. These demands on their time mean that they're not always immediately available to others, so we do encourage you to contact your child's teacher or Dean in the first instance.

Our Staff

We are also deeply thankful for all our staff: the teaching faculty and the support staff. As we have said before, they are a team who made our school a safe and stable place for our students when so much in their world has been turned upside down. Even when, like us, their home lives were so

different, they stayed focused on supporting our school community.

Our staff have worked extremely hard whether at school or from home, to provide meaningful work for our students, maintaining that critical connection with classes. Not all our students have been able to access work digitally, and when the COVID lockdown happened, it was SLT who collated and delivered over 140 packs of learning materials to students around the school area, with those further afield couriered to their homes.

We have all worked together this year like any good whānau, and have done our best to support each other, which sometimes has been as simple as just listening.

Our Results

This is a good opportunity to remind our school community of the Education Review Office (ERO) review completed at the end of 2019. Their overall evaluation noted that the school's "performance in achieving valued outcomes for our students is strong". Even more so that this rating of "strong" is the third in a row over a period of 10 or so years.

Our NCEA results show that our school continues to exceed if not equal the national measures. Last year's achievement results included:

- 82% of Level 1 students (national rate was 71%),
- 92% of Level 2 students (national rate was 80%),
- 74% of Level 3 students (in line with national rate),
- 90% of our boys (national rate was 78%).

Achievement for Māori was above the national averages at all Levels, with Level 2 at 16% ahead of the national rate for Māori.

At school, our students have achieved success at the highest levels in all the four cornerstones (sporting, cultural, leadership and academic) and as always, we were delighted with the Scholarship results with over \$500,000 awarded. We acknowledge the teachers who put a lot of extra time in with these students.

The Board acknowledge all our students in sports, auctioneering, debating, business, science, kapa haka teams competing locally and around the country.

Our Physical School

The Property Committee have again worked solidly to keep the buildings and grounds maintained, with many of our planned repair and upgrade projects completed. In terms of impact, our major building works in previous years have been equalled at the

end of this year with the installation of solar power panels on the BES block at the front of the school and the gymnasium.

Completion of this project is an exciting and innovative move that will generate up to 43% of the school's electricity. The use of data monitoring software will bring major benefits to student learning in Maths, Science and Social Studies. This environmentally friendly use of sustainable power makes a significant contribution towards Kerikeri becoming a carbon neutral town, and our school is playing a leading role, noting that we will be the owners of the largest solar power system of any primary or secondary school in New Zealand.

Our Finances

As we said last year, the Finance Committee were grateful to have made the decision in 2019 to accept the Government's contribution in lieu of parent donations. It has meant that we have been able to withstand the financial impact of COVID, although this year the school has had to have slightly larger classes. The forced closures this year has also reduced our expenditure somewhat. We are constantly analysing our expenditure to find ways to work smarter in economic terms. The solar power project is an excellent example, and we expect to make considerable cost savings in the years to come.

Our Processes

As we do every year, the Board have been reviewing our processes regularly. We always start the year with a plan, but we've been hampered these last two years by events completely out of our control and have had to shift focus rapidly and constantly. We are pleased though that this year we've been able to finalise some overdue work. This included consulting with the community on our Policy on Bullying Prevention and Response. This goes hand in hand with the new Policy on Behaviour Management which sits as the overarching policy for managing behaviour.

We thank all those who provided us with their input, and as with all school policies, the Board will review and revise these regularly. The school contracted with SchoolDocs earlier this year which means that all Kerikeri High School policies will be available on the school website to read or download. We anticipate they will be available by mid-2022.

Of note, the Board also conducted a self-review this year, following a similar process carried out by the Disciplinary Committee last year. That saw several changes in how we work with student suspensions,

always with the student at the heart of the process, but ever mindful of keeping all our staff and students safe.

Our International Friends

Our International Department are an important part of both our school and our community, and although this year we have only a handful of international students, we are still hopeful that when the borders eventually reopen, we will be able to open our doors to the world again. We thank those families who are part of the homestay group and our international staff team, most of whom are working temporarily in other departments.

Our Community

Our school community is more than our staff and students. It is the parents and caregivers, grandparents, aunts and uncles, cousins. Those living in neighbouring properties. Local businesses, many of whom support us financially, or employ our students. Just like our students and staff, you are all always front of mind in everything we do. The Board acknowledge each one of you and thank you for your continued support as we all work together as one to raise our students.

Our Board

Our Board are now looking at our final year together; the elections which are normally held in June every 3 years have now been pushed out to September 2022. The Ministry of Education have made this decision which they have said will allow the implementation of electronic voting. This Board can look back with pride in what we have achieved and look forward to next year to implement other projects that we are working on.

Our Students

And finally, to our students, because you are the reason why we are all here. We know that this hasn't been an easy year for you, but you have all of us looking out for you, all your community supporting you, and we are all very proud of you. We hope that you have a great Christmas and summer, and we look forward to seeing you back in 2022. To our Year 13's and others who are leaving us this year, we wish you all the best in whatever path you choose. *Waiho i te toipoto, kaua i te toiroa* – let us keep close together, not far apart.

And so, to close with some positive inspiration for our students, the last word goes to the great comedian Robin Williams in one of his many acting roles. "And if you're ever distressed, cast your eyes to the summer sky when the stars are strung across the velvety night. And when a shooting star streaks through the blackness, turning night into day...make a wish...make your life spectacular."

Mrs Sue Richards | Board Chairperson

Kerikeri High School PTA

We are a small group of parents who endeavour to meet monthly in the school staff room. Our purpose – to support the high school's students and staff with various events throughout the year such as counting the workday money, preparing the trophies for prizegiving, and helping with the sale of new and used uniforms.

We also help with catering several events throughout the school calendar, the highlight of which is the Senior Ball, a very special and memorable night for our students. The supper we provide for the evening is of a very high standard, a lot of thought and effort goes into it. Thankfully we were lucky enough to get the ball in this year between lockdowns. Other events usually include the Meet the Prefects evening, the Prospective Parents evening, The Art Exhibition, and an end of year morning tea for all the staff.

Mrs Shelley Ellicott | Chairperson, Kerikeri High School PTA

2021 has unfortunately been an extension of the uncertain times of 2020. A very difficult and unsettling time for many and I would personally like to thank all the school staff for the extra time and effort they are putting in. All the hurdles they are constantly having to jump to make sure our students are getting the best education possible, is all really appreciated.

Our PTA is a small friendly group, fun to be a part of and it is also a great way to meet people. We are not required to do any fundraising and our monthly meetings are relaxed but informative. We always welcome new parents and caregivers to join us at our monthly meetings on a Wednesday evening at 7pm. You could also just be a 'Friend of the PTA' if you can't commit to meetings but would still like to help on occasion. Please see the school website for more information.

Solar Power Project

We are excited to share with you that our new Solar Power project has come to fruition, with the installation of solar power panels on the roof of the BES building and Gymnasium roof in term four. The 178.88kW PV Solar System, by SuperPower, will produce an estimated 209,918 kWh of power in its first year of production.

Once installed and operating, Kerikeri High School will be the owners of the largest solar power system of any school in New Zealand, generating up to 43% of our electricity.

Historically, Kerikeri has been amongst the towns of New Zealand with the highest sunshine hours per year. Given that we are operational during sunshine hours, the school is ideally suited to generating and using solar power.

This is an exciting and innovative initiative for our school. Kerikeri pays the highest price for power of any town or city in New Zealand, more than 34% above the national average. The financial savings for the school over the coming years will therefore be significant and are estimated to be about \$1,385,000.00 over the next 25 years. Over the 25-year life span of

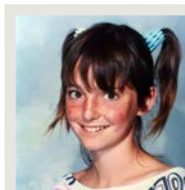

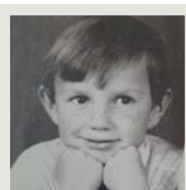

the system, the use of solar power at Kerikeri High school will reduce carbon emissions by an estimated 675 tonnes.

The use of data monitoring software also has significant application to student learning across a range of curriculum areas including Mathematics, Science and Social Studies. This learning will increase awareness of power usage, energy conservation, the impact of energy use on the environment as well as providing a real-life context for mathematical and scientific learning across all levels of our local curriculum.

We acknowledge and thank Mr Gerry Buxton for his expertise in assisting and guiding us through our very detailed and thorough work to bring this project to completion.

Reflections | 2021

At our Prizegiving in 2012 our Head Girl in her speech said, “Don’t cry because it is over, smile because it happened”. Emma was quoting Dr Seuss and in the second year of COVID we would say don’t cry because we couldn’t do it, it was cancelled... smile because a lot happened, and we are safe, and we are together.

Guiding us at the beginning of this year was the saying Whakapiki Mauri – uplifting the spirit. We came into this year firm in our belief in the importance of relationships, relationships, relationships and knowing kindness works. All the love and care we had put into looking after one another and especially our students had seen a lot achieved, despite COVID. You only had to look at our NCEA results.

In 2021 a lot happened to smile about such as the big Powhiri for our new students, our Celebration Assembly for our new Prefects, our Year 7 and Year 13 students got to Urupukapuka Island, we were

outstanding at the Tai Tokerau Festival and won four trophies in the competitive Tōkihi, we had three performances back home for our students and whānau and we enjoyed our beautiful Ball.

A lot happened to smile about across the four cornerstones of our balanced education.

As this year draws to a close, we are living examples of our WAKA values. Kia Manawanui is all around us and we are very proud of our “let’s focus on what we can do, not what we can’t do” attitude. We are proud of our flexibility and resilience; our students getting off the buses in their masks, the Sport Department creating events when NSSSA could not carry on in Term 4, Leaders of Learning lifting once again to support their teachers and students through Unexpected Event Grades, an outdoor Celebration and pizza lunch for Keri Reading, Science Fair prizes delivered and photographed when assembly gathering numbers were problematic and an outdoor Enterprise Market Day.

Mrs Forgie and Mr Clent, both Principals at Kerikeri High School in 2021. Mr Clent was our Principal while Mrs Forgie was on a Sabbatical term writing the story “Te Rerenga Kotuku” about how our school worked over 18 years to change the stars for our students, especially our Māori students taking our pass rate from 28.6% to 88.9% over that time.

We have a lot to be thankful for and to say thank you for in 2021.

For part of 2021 we had two Principals and our School never missed a beat between Mrs Forgie and Mr Clent. The school is much strengthened by having two leaders to negotiate the lockdowns, the health and safety, the caring for all and the communication.

Our Board of Trustees have been alongside us every step of the way. We are truly fortunate to have such an experienced

Mrs Forgie with Head Prefects Rehtuai Armstrong Kingi, Gillian Toala, Andrea Cotton and Nimish Singh.

Mrs Forgie was presented with a beautiful Korowai by Head Boy Rehtuai Kingi Armstrong. At the presentation, Rehtuai said “This Korowai I am wearing has the colours of Kerikeri High School and the white feathers at the top represent the kotuku which has great significance to Mrs Forgie, and represents everything beautiful that this school has to offer.”

and thorough Chair as Mrs Sue Richards who leads from her heart and has the welfare of the whole School uppermost in her mind as she negotiates the attention to detail required. Sue generously and graciously in a very inclusive way, ensures the governance role is the best it can be.

Our staff have just been outstanding, relentlessly positive and caring of one another and their students. And our students, adapting to every new circumstance, friendly and fun with an energy that keeps us all going. To our families and whānau, Ngāti Rēhia and the wider community, your care and encouragement has been a strength. We also acknowledge and thank our hugely experienced, creative and dedicated School Magazine Editor, Mrs Roz Clent, who has taken on the task of historian to record for us all what this year has meant to us.

This year of 2021 that was about being strong and smiling because we made such a lot happen.

*Manaaki te tētahi
Love one another*

*Kia aroha tētahi ki tētahi
Take care of each other*

Mrs Elizabeth Forgie | Principal

Mr Mike Clent | Principal and Associate Principal
