## IMPORTANT MESSAGES

**WAKA We are Learners – Whaia te Matauranga. Our WAKA focus for the next two weeks is Whaia te Matauranga – We are Learners, as we start the option subject selection process for students in Years 8 – 12 for next year. This Tuesday is Options Evening from 4.00pm – 7.00pm. All students in Years 8, 9, 10, 11, and 12 will receive an email to your school email account with your unique username and password to access our Online Option Selection platform, which is called Web Preferences. This Web based platform has easy to follow instructions on how to make your selections, and contains a link to our online Course Guide, where you will find information about each course you can chose from. The Portal to enter your option choices will be open from this afternoon. Please discuss and share your option subject choices with your parents, whānau and caregivers, and your Form Teacher. Your subject teachers, Mrs Crawford in Careers and your Year Level Dean are available if you need guidance with your choices.**

**Options Evening tomorrow (4.00pm – 7.00) is an opportunity to meet with teachers in different departments and find out more about what each subject option involves, where it leads and what sorts of things you will be learning about. We encourage you all to attend, with your parents, whanau or caregivers.**
