## IMPORTANT MESSAGES

**WAKA We are Learners – Whaia te Matauranga.** Students in Years 8 through to 12 are currently making option selections for next year. Thank you to everyone who came along to Options Evening yesterday. We hope the time spent and the information shared helps you as you make decisions about your learning in 2023. In our school, being a learner, and making those important decisions looks like:

- Reading your course guide carefully**
- Talking with your parents & Whānau about your subject options**
- Talking to teachers about their subjects and asking questions**
- Talking with your Form Teacher about your choices**
- Thinking about what sort of study or work you might want to do when you are older**
- Making an appointment and talking to Mrs Crawford in the Careers Office if you need more help**
- Entering your Option Choices online over the next two weeks, accessing the online portal via the email you received to your school email account.**
