## HEAD PREFECTS

### Jack Williams | HEAD BOY

We are coming to the end of another great and eventful year. This year has gone so quick, for us Year 13's this is the beginning of the rest of our lives: it is both terrifying and exciting. Over the years I have met hundreds of people and have made more friends than I can count. The role of Prefect has been an honour, it has been my privilege to be the Head Boy of 2017.

This has been an exceptionally challenging and yet also triumphant year for me. This year I did Peer Support and KERI Reading giving me a chance to work closely with Year 7 and remember back to when it all began. All the while I got to work alongside an amazing group of people, firstly being the Year 13 cohort who I have grown up alongside, and the Prefects, who are an exceptionally dedicated group of students.

I am thankful to everyone who has supported me this year; to my teachers who have helped me find a balance between my academics and other engagements, friends who have offered support, the Prefect team in particular Keegan and Tiana for their continued support and encouragement throughout the year. I would also like to thank our fantastic Dean Mrs Crawford in her support not just in aiding me as Head Boy but as a student since Year 7, the Senior Leadership team particularly Mrs Forgie and Mr Cosgrove who I have worked closely with this year, and Mum and Dad who have stuck by my side through thick and thin. Even though Dad isn't here with me I am sure he is looking down proudly.

I have always been a reasonably average student, however I put my full effort in to everything I do from staying up all night to finish an assignment, to spending lunch times that could have been spent in the sunshine indoors practicing a speech. I have thoroughly enjoyed my time here at Kerikeri High school; you name it and I have done it. Try everything, the people you meet and the experiences you will gain are priceless. It is in the situations when you step outside your comfort zone that you do the most growing and you find out the most about yourself. I encourage you all to take full advantage of the opportunities presented at our school, modelled by our four cornerstones. In life it's not always about being the best, it's about being better than you were yesterday. The person you should aspire to be is your future self.

*Kua tāwhiti kē tō haerenga mai, kia kore e haere tonu

### Jasmin Winikerei | HEAD GIRL

Jack and I were two of five to make our way from Oromahoe Primary to Kerikeri High School for Year 7 in 2011. As I reflect on my time here it occurs to me just how lucky we are and that the endless opportunities that have been available to us here at Kerikeri High School have been life changing.

When I came to Kerikeri High School I was determined to make the most of the four cornerstones concept. Who would have thought I would have been able to travel to America for Problem Solving, be a Peer Support Leader, perform in front of a roaring crowd at Tai Tokerau Festival and run around on a netball court. From Lit Quiz to Lawn Bowls to Kapa Haka, the list goes on, ensuring students know that whatever their passion, the school is there to support them. Don't forget that you miss 100% of the shots you don't take, so don't be afraid to take that first shot, because it could change your life.

Undertaking the role of Head Girl for 2017 has been such a rewarding and challenging experience and a huge privilege. But what has really made it special was being a part of the awesome Prefect team. You all did such an amazing job this year and thank you for your endless support. The same goes for the leadership of Deputies Keegan and Tiana; it has been awesome working with you guys and thank you for always having our backs.

To the teachers, you are so amazing that the impact you have had on my life has inspired me to become a teacher myself. To just say thank you is an understatement. I'd particularly like to thank our incredible Year 13 Dean Ms Crawford who has been with us for the last 6 years, helping us across the finish line with her motivation and efficiency. The Senior Leadership team, thank you for your tireless work, keeping the school running smoothly for our benefit. And to Mrs Forgie for being such an amazing leader, words cannot describe the work you do to make this school be the best it can be for us and on behalf of all the students I want to thank you.

As I imagine leaving for Waikato University next year, I am going to miss Kerikeri so much, in particular, my family. It's been a hard road these last 6 years and without such an amazing and supportive family there would be no way that I would be standing up here today. I think Cleo would be proud of all of us.

# Student Leaders

## PREFECTS

Being selected to be a Prefect is a huge achievement at Kerikeri High School. The responsibility of being a Prefect is a privilege and an enriching experience, it is a lot more than wearing the badge and the blazer – it is about Leadership with Service.

This year there were 76 strong and talented applicants. They experienced a professional job application process and each applicant had a 15-minute panel interview. The 2017 Kerikeri High School Prefects were introduced to the School at two special Celebration Assemblies for students, whānau and staff.

# PEER SUPPORT

One of the great advantages of our Year 7 to 13 School is the positive interactions between the oldest and the youngest students to the school. We talk about "eyes up" to the senior role models, and our senior students look forward to the opportunity in Year 13 to train to be Peer Support Leaders for our new Year 7 students.

Peer Support at school began with our Year 13 students supporting the Year 7 students in their transition to Kerikeri High School in their first weeks. Then the Peer Support Leaders ran the activities at the Year 7 Camps on Urupukapuka Island. Back in school, the students continued to work together in their Peer Support groups, enjoying relationship and leadership building activities during tutorials.

# STUDENT COUNCIL

The purpose of Kerikeri High School's Student Council is to give the student body a voice in several important aspects of the school. Year level representatives, Head Prefects and a Deputy Principal meet fortnightly to discuss school matters and organise funding activities and allocations of the Student Council money. In 2017 the Student Council was involved in several behind the scenes endeavours that have benefited our school and have set up business for next year.

The Student Council has been involved in projects such as Pink Shirt Day to raise awareness of bullying behaviours. We provided funding to sports teams for Tournament Week and Aims Games and to the sailing team in order to support their pursuits. We also provided support to outstanding individuals to aid them in their goals this year, one of whom went to Serbia and another to the Youth Commonwealth Games. We encourage sporting, cultural and academic teams to contact the Student Council for regional, national and international support.

Technology and BYOD are becoming widespread at Kerikeri High School so our group looked to advance this

development. COWs (Computers on Wheels) have been in our school since 2015 and are a way for students to access the internet without moving from the classroom. Seeing the success of the project, the Student Council decided to fund an additional COW with the aim that more students can access computers in any given class period. We also looked to have a plaque made to show our contribution to the purchase of the COW, to indicate the impact of the Student Council.

*Jack Williams and Jasmin Winikerei, Head Prefects*

# KERI Reading

KERI Reading is a very successful reading programme in our school. Volunteer Year 13 students train to be reading buddies to selected Year 7 students who could benefit from extra 'reading mileage.' This year Mrs Maria Halliday hosted an evening for Year 7 KERI Readers, their Year 13 reading tutors and whānau to share the "Pause, Prompt, Praise" method of supporting reading progress. It was a great opportunity to get to know each other and share reading success stories.

# Daffodil Day

The Cancer Society's Daffodil Day Appeal was a wonderful opportunity to support those affected by cancer. This year, Kerikeri High School students and staff raised an amazing \$3,800. We decorated the school in yellow, had student volunteers in town with entertainment by the Jazz Band, and ran a special Mufti Day and food stalls.

# ANZAC DAY

Kerikeri's Anzac Day Dawn Parade was well attended by Kerikeri High School students and the wider community. Head Prefects Jasmin Winikerei and Jack Williams spoke on behalf of our school. The concert band provided the music with Hannah Collins leading the singing and Georgia Doherty playing the Last Post and Reveille.

## AUCTIONEER Lara Beiert

Lara Beiert as a guest of Harcourts travelled to Adelaide to compete in the 2017 South Australia Schools Auction Championship. She was presented with a beautiful framed certificate and auctioneers hammer in recognition of her achievements. The local Harcourts competition at the Turner Centre follows a weekend of training in August. Each Auctioneer is allotted eight minutes to call their auction and a panel of four judges awards points for their performance.

# Honours Awards 2017

**K**erikeri High School Honours are awarded to acknowledge elite achievement by students in each of the Four Cornerstones of Academic, Cultural, Sporting and Leadership with Service. All of our Honours Recipients receive an

Honours Badge, which they wear on formal school occasions, and each has their name inscribed on the Honours Boards in our Auditorium. The philosophy of the Honours Award is to promote the pursuit of excellence. In 2017, Honours were awarded to:

# Dux and Proxime Accessit

To be considered for the top awards of Dux and Proxime Accessit at Kerikeri High School a student must first be a Top Scholar. At that point, every Top Scholar comes into contention. Each Top Scholar's other achievements, demonstrating the Kerikeri High School philosophy of success across the four cornerstones of a balanced education, are researched, considered and rated. It is even more exceptional when a Top Scholar achieves at the highest levels in other cornerstones.

Proxime Accessit Sophie Morrison, Principal Mrs Elizabeth Forgie and Dux Jack Williams

**Sophie Morrison** was awarded Proxime Accessit in 2017.

Sophie was a Top Scholar every year since 2014, being awarded Honours Academic for both NCEA Level One and NCEA Level Two. In the Leadership and Service Cornerstone Sophie has been a Class Representative, Peer Support Leader, Keri Reading Tutor, a Tuakana and a Prefect. Sophie also has three Honours Awards for Sport, a Cornerstone where she excels. Sophie has participated in an extraordinary twenty diverse sporting codes from Floorball to Triathlons for Kerikeri High School.

Sophie was selected for the New Zealand Hockey Under 18 Development Squad, the Northland Talent Hub and Pathway to Podium Programme. She is a Northland Under 18 Hockey Representative, was selected for the Northland Womens' Hockey team, and won an ASB Northland Secondary Schools' Sporting Excellence Award for Hockey this year. Sophie was the winner of the Lawrie Kendall Memorial Cup for Senior Girls Sporting Excellence for the last two years. She has been awarded the prestigious \$30,000 Sir Edmund Hillary Scholarship for tertiary education. In 2018 Sophie will be starting her Bachelor of Management Studies at Waikato University.

The Kerikeri High School Dux for 2017 was **Jack Williams**.

Jack was awarded Honours Academic for NCEA Level One and NCEA Level Two. He was a Top Scholar in Year 9, Year 10, Year 11, Year 12 and Year 13 and ever since excelling in Lit Quiz and the Regional Science and Technology Fair as a junior, he has participated in a wide range of Academic Extension Activities.

In the Cultural Cornerstone Jack has been involved in Debating for most of his time at Kerikeri High School and was a semi-finalist and finalist over several years in Speech Competitions. In the Sporting Cornerstone during seven years at Kerikeri High School Jack has played across a range of eleven Sporting codes for the school, this year in two top teams, Mixed First Eleven Hockey and First Fifteen Rugby.

It is in the Leadership and Service Cornerstone for Kerikeri High School that Jack has excelled – as a Coach, with the WAKA Video Making Team, a Peer Support Leader, Keri Reading Tutor, Class Representative, Librarian, Kiwi Buddy, Chair of the Student Council and Head Boy. Jack has been awarded Honours for Leadership and has accepted a Victoria Excellence Scholarship for 2018. He will be studying Law and International Relations at Victoria University next year.

## A PLASTIC OCEAN

Year Nine students hosted an event to raise awareness about the effects of plastic in our environment. At the event, we screened the award-winning documentary A Plastic Ocean, showed our inquiry work, had a raffle and held a sausage sizzle. All the money we raised went to The Plastic Ocean Foundation so they can continue their research on the effects of plastic in our oceans.

This event was part of our Social Studies inquiry learning. We learned how problematic plastic is for our environment. We explored the issue of sustainability and good use of our natural resources, with our focus on plastic pollution. Some of the shocking facts I learned were that marine plastic pollution has impacted on at least 267 species worldwide; that 100,000 animals are killed by plastic bags each year; and that the fish we eat have microplastics in their bodies that we then ingest when we eat them.

If everyone pitches in and does a little bit in reducing their plastic consumption rate, it will make a massive difference in preserving our planet so the future generations can still enjoy our amazing natural world.

# University Scholarships

**C**ongratulations to the following Year 13 students who have been awarded Scholarships to support them in their tertiary studies. This year an incredible total of \$557,500 of Scholarship funds was offered to 30 Kerikeri High School students. This is a credit to our students and to the Four Cornerstones philosophy of our school.

**Alice Autet** and **Stella Green** were awarded the prestigious University of Otago Academic Excellence Entrance Scholarship worth more than \$40,000 over three years. The Scholarship established by the University of Otago Council in 2011 assists new undergraduate students who have demonstrated outstanding academic potential and leadership capabilities.

The Sir Edmund Hillary Scholarship was awarded to **Sophie Morrison**. This is the University of Waikato's premier school leaver Scholarship, valued at \$40,000 over the four years of her degree. It supports students to continue to excel in a sporting code or creative or performing art, to achieve high academic standards, and to develop leadership qualities through a tailored leadership and personal development programme.

**Jamie Struthers** and **Jerry Tang** received the University of Auckland Academic Potential Scholarship. The University received over 750 applications for this Scholarship from students throughout New Zealand. All the applicants were talented and able students. This Scholarship is Tier 1 and is valued at \$20,000 over three years. **Sarah French** also received this Scholarship at Tier 3 and will receive \$6,000 over three years.

The University of Auckland Top Achiever Scholarship recognises exceptional students, who have outstanding academic achievement and demonstrated leadership potential. This year **Tiana Edwards**, **Lauren Harrell** and **Libby Inwood** were awarded this Scholarship which is valued at \$20,000 for one year and guarantees a place in a hall of residence.

**Nyena Weeds** and **Guy Yarrell** were awarded AUT Vice Chancellor's Significant Student Scholarships. Awarded to students demonstrating leadership through academic excellence and also achievement

at a high level in sporting, cultural pursuits or community involvement, the value of this Scholarship is up to \$6,500 per year for three years.

**Nyena** was also able to accept the McDonald's Te Tai Tokerau Scholarship. McDonald's New Zealand established an annual sponsorship programme with the Auckland University of Technology (AUT) in 1993. The primary aim of this Scholarship is to extend education opportunities to Māori students from the Northland region, with a value of \$12,500 over three years.

**Arni Bailie-Bellew** and **Eve Robson-Clark** were awarded University Of Otago Leaders Of Tomorrow Entrance Scholarships which assists students who have demonstrated all-round ability and who exhibit leadership potential. The Vice-Chancellor was particularly impressed with Arni's exceptional academic achievements and awarded her a further \$4,000 as a Vice Chancellor's Scholarship to go with the usual \$6,000 Leaders of Tomorrow Entrance Scholarship.

University of Otago Alumni Entrance Scholarships provide for students who have demonstrated academic ability. Donated by Alumni of the University of Otago, the Scholarship has a value of \$6,000 and was awarded to **Kitty Holden** and **Chloe Mountain**

As part of the Maintenance Engineering Institute of New Zealand's objective to encourage training into tertiary education and technology, a MESNZ Scholarship is offered each year to cover tuition fees. The Bill Buckley Engineering Scholarship is available to assist students commencing study towards a MESNZ/IPENZ accredited engineering degree, diploma or certificate. This Scholarship worth \$5,000 was awarded to **Tassilo Eisenmann**.

**Courtney Armstrong** was awarded the Massey University Albany Vice-Chancellor's Innovation and Academic Excellence Scholarship. This \$5,000 Scholarship recognises student achievement for academic excellence at secondary school and innovative thinking. The successful recipient must be committed to study and completing a degree on the Albany campus.

Five Massey Student Accommodation Scholarships are available to new students and may be awarded on the basis of academic achievement, sporting achievement, contribution to the arts, or community service. **Shannen Frear** received the Scholarship valued at \$5,000.

**Shannen** also received the \$5,000 Massey Business School Future Leaders Scholarship. This was established to recognise and support emerging leaders enrolling in full-time business and agricommerce programmes at Massey University.

A Victoria Achiever Scholarship for School Leavers valued at \$5,000 was awarded to **Bianca Maddox** who is intending to undertake a Bachelor's degree programme at Victoria University of Wellington. Scholarships are awarded competitively on the basis of academic merit and other criteria.

The University of Waikato awarded **Jasmin Winikerei** a Northland Future Leaders' Scholarship. These Scholarships are awarded on the basis of leadership, community involvement, contribution to cultural and sporting activities and other personal attributes including character, academic ability and a commitment to succeed. This award has the value of \$5,000.

Victoria Excellence Scholarships were awarded to **Laila Abada**, **Felix Drew** and **Jack Williams**. By helping high-achieving undergraduate students to come to Victoria, the University recognises them as New Zealand's future scholars. These Scholarships are valued at \$5,000 for the first year of study and contribute to fees or accommodation costs at Victoria University.

**Zoe King-Samuels**, **Kate Edwards** and **Taran Kern** received University of Waikato Scholarships, valued from \$3,000-\$4,000, which can increase to \$6,000-\$7,000 if the student achieves NCEA Level 3 Endorsed with Excellence. The Scholarship is based on academic achievement and will provide support towards either tuition fees or accommodation in the University's Halls of Residence.

The University of Otago New Frontiers Entrance Scholarship was established in 2015 to recognise academic excellence in secondary school study. The value is \$2,500 but can be \$5,000 if the student achieves NCEA Level 3 Endorsed with Excellence.

**Julia Moyle** was a recipient of this award.

**Billie Klinac** received the Hundertwasser Art Scholarship. Donations gathered from visitors to the Hundertwasser building fund this \$1,000 Arts Scholarship which is awarded annually to a secondary school student from within the Eastern and Western wards of the Far North District Council.

# TOP ENERGY FAR NORTH SCIENCE AND TECHNOLOGY FAIR

More than 80 Kerikeri High School students represented us at the Top Energy Far North Science and Technology Fair at the Turner Centre. Congratulations to all of the participants, who had already achieved at the top level in the Kerikeri High School Science Fair. Their projects were selected based on the thoroughness of their investigations and their innovative approach.

Sophie Piesse

Daniel Ellingham won the Top Energy Gold and Supreme Award for his Intermediate Project "Good Wood." He was recognised for his innovative and comprehensive approach to determining the most effective type of wood to use in heating.

Bhavin Patel and Quin Kusanic

## Special Prize Winners were:

### Isaac Chandler:

Department of Conservation Award and the Birds of New Zealand Award

Isaac Chandler

### Paige Naylor: Mid Far

North D.O.C. Award for her project "Mangrove Madness"

**Rehuti Armstrong-Kingi:** The Landcare Research Award for a project of relevance to Māori

The Farmlands Award went to **Weston Harper**, the Kikuyu Management Award to **Quin Kusanic** and **Bhavin Patel**, the Fullers Great Sights Bay of Islands Award to **Blake Williams** and **Finn Vezey** and the Crop and Food Research Awards to **Tiree Robinson** and **Ellise Williams**. The overall winners were **Daniel Ellingham** (Junior) and **Jamie Struthers** (Senior).

## Science Successes

Science students participated in several competitions throughout the year. Highlights were:

**The 2017 Big Science Competition:** (Distinction) Katey Whitehead, Jesse Tang, Tea Rasclas, Acima Mabidikama, Gillian Toala, Emilia Finer; (Credit) Emilie Jones, James Dawes.

**The University of Canterbury's Kiwi Science Competition:** (Excellence) DJ Jones; (Merit) Royston Gardiner, Emilia Finer, Nimish Singh; (Achieved) Cleo Boyd, Axel Mabidikama, Heidi Nicholls, Rachel Smythe, Gillian Toala, Emilie Jones.

**The ICAS Science Examination:** (Distinction) DJ Jones, Dean Baker; (Merit) Anika Green, Emilie Jones, Sophia Fotheringham; (Credit) James Dawes, Emilia Finer, Nimish Singh, Acima Mabidikama, Katey Whitehead, Lucia Avery.

Jamie Struthers won multiple prizes for his project "The Allelopathic Effects of Totara Extract." Allelopathy is a biological phenomenon by which an organism produces one or more biochemicals that influence the germination, growth, and survival of other organisms. Jamie's prizes included the New Zealand Statistics Association, Dairy NZ Outstanding Award and the Top Energy Supreme Award for Best Senior Science Project.

History students enjoyed a wide range of enrichment activities and opportunities outside of the classroom. Mr Sam Jaffe from the Auckland University History Society visited Year 12 and 13 classes to talk about Further Education opportunities in History. This was followed up with an overnight trip to Auckland, where a group of Year 13 students participated in a range of lectures and presentations at the Auckland University History Schools Day. Year 10 History students went to the Cathay Cinema, where they watched an exclusive screening of the historical blockbuster, Dunkirk.

Year 13 History students travelled to the historic battle site of Ruapekapeka Pa, where Ngā Puhi chiefs Hōne Heke and Te Ruki Kawiti fought in their last stand against the British. These students were lucky enough to have the Māori Member of Parliament for Tāmaki Makaurau, Mr Peeni Henare, as their guide. Mr Henare gave the students an entertaining and uniquely Northland perspective on the battle. His presentation was also recorded by a documentary making team.

# ACADEMIC BITS

**Shannen Frear** and **Sophie Schmude** were selected from a pool of 121 candidates to attend the Massey Business Boot Camp. They joined students from 48 schools for a full-immersion business week in Auckland. **Sean Mackay** was Best CEO and **Tea Rasclas** and **Thomas Richards** were members of the overall winning team at the BP Business Challenge, an educational 3-day course.

**Tiana Edwards** attended the Global Summit at Massey University's Auckland Campus. This was a valuable opportunity for Tiana to hone her skills in negotiation and collaboration, and meet other like-minded delegates.

**Sophia Fotheringham's** artwork was selected for the National Youth Art Award. This prestigious nationwide award is open to young artists between the ages of 15 and 27 and includes independent artists as well as students.

Kerikeri High School finished 6th in New Zealand in the National Language Perfect Championships. **Nimish Singh** finished 1st with a total score of 40,000. Nimish went on to finish 85th in the world from more than 165,000 competitors in the Language Perfect World Championships. Kerikeri High School finished in the top 2% of all schools in Spanish, a great achievement. Further results were: (Elite) **Nimish Singh, Gillian Toala, Emilia Finer, Grace Jennings, Kellie Hodkinson**; (Gold) **Lizzie Gamble, Charlotte Gamble**; (Bronze) **Eli Chandler, Olivia Jack, Casey Roberts**.

These students gained top results in the Australian Language Competence Spanish Exams: **Kellie Hodkinson** (Level 3 High Distinction), **Olivia Jack, Victoria Pantano, Alana Tapia**, (Level 2 High Distinction), **Isaac Chandler** (Level 2 Distinction), **Nimish Singh, Daniel Bunn** (Level 1 Distinction).

**Josh Dormer** was a 2017 Bright Awards Winner, Highly Commended in the Games Category. The Bright Awards were created by Auckland's Media Design School to recognise New Zealand's up-and-coming emerging creative talents.

Australian National Chemistry Competition: Distinction (top 10-25% in New Zealand) **Emilia Finer** (Year 9), **Emilie Jones** (Year 10); Credit (top 25-40%) **DJ Jones** (Year 8), **Dean Baker** (Year 10), **Lucia Avery** (Year 12), **Jerry Tang** (Year 13).

A team of Year 9 and 10 Community Problem Solving students presented their case to release Brazilian beetles along the new Wairoa stream track in a mock Environment Court. The group aptly named **Tradescantia Terminators** believe these beetles will help in the control of the invasive weed Tradescantia that forms a dense mat, preventing the regeneration of native forest along the track. The judges were impressed with the depth of understanding the students displayed. Their verdict was that the students should proceed with their plans to release the beetles. The judges noted that "these students are going to make a difference."

Mathematics Problem Challenge: Year 7 Participation (completed three or more challenges): **Zoe Ackers, Chelsea Birchall, Milaan Butler, Alice Calnan, Grace Calnan, Marshall den Boer, Joe Howells, Joe Lankshear, Flynn Page, Hunter Scott, Gabby Smythe, Emma Thomson, Zac West, Cameron Willis**; Year 8 Participation: **Daniel Ellingham, Anouk Froitzheim, Lilly Matthews, Cole Puru, Billy Toto, Harrison Woodham**; Year 8 Merit: **Ameya Russell, Hayden Sime**.

AMC Mathematics Competition (Year 8-13): (Year 8) **Matthew Clent**: Proficiency; (Year 9) **Axel Mabidikama, Heidi Nicholls**: Proficiency; **Emilia Finer, Nimish Singh, Gillian Toala, Matthew White**: Credit; (Year 10) **Heidi Nicholls, Rachel Smythe**: Proficiency; **Jack Hodgson, Emilie Jones, Jeany Kim, Tate Mansell**: Credit; **Charlotte Gamble**: Distinction; (Year 11) **Samantha Dearnley, Sophia Fotheringham, Sophie Fox, Nathan Gibson, Leah Green, Luke Halligan, Max Hart, Acima Mabidikama, Riley McMurtry, Anneke Price, Thomas Wilson, Katey Whitehead**: Proficiency; **Jesse Tang**: Credit; (Year 12) **Nicola Dearnley, Yuti Jain**: Proficiency; **Lauryn Jarman, Annette Pilapil**: Credit; (Year 13) **Jerry Tang**: Proficiency.

## MATHEX

The annual Kerikeri High School Mathex Competition packed the gymnasium with teams energised to solve their Mathematics questions as fast as possible. The Year 7 - 10 winners and the students who represented Kerikeri High School at the Northland Mathex Competition were:

(Year 7) **Jade Sceats, Cameron Willis, Finn Stephenson, Joe Howells, Levi Booth, Oliver Boyd, Jaluka Clarke, Charley Cates**, (Year 8) **Emma Lloyd, Ruby Robinson, Ameya Russell, Bevan McKenzie, Lydia Bailie-Bellew, Imogen Crooks, Charlotte Taylor, Hannah Collins**, (Year 9) **Gillian Toala, Nimish Singh, James Dawes, Georgia Doherty**; (Year 10) **Sophie Wilkinson, Chloe Halliday, Zara Thomas, Amelia Stephen**.

# DEBATING

Debating has continued to thrive with students of all ages succeeding at regional level. At the Senior Russell McVeagh competition in term one, our senior team composed of Laila Abada, Sophie Piesse and Lauryn Jarman were Runners Up. Following that competition, Grace Jennings and Laila Abada made it into the Northland team for the New Zealand Debating Competition, with Katey Whitehead named as the travelling reserve.

At Northland Championships this year we fielded teams in both the senior and junior competitions. With the intention of building strong debaters for the future, we invited Year 9 students to compete in the Junior Tournament. Our Year 9 team of Casey Roberts, Sophie Ngan, Faith Ward and Stella Blackwood beat considerable competition to finish fourth and they gained valuable experience in the process. Charlotte Gamble, Jeany Kim, Helen Wasey and Emilie Jones (Year 10) beat off a higher ranked Year 11 team to take the Junior Northland Championship title. We were Runners Up in the Senior Northland Championships, with a Year 11 team made up of Acima Mabidikama, Nathan Gibson, Leah Green and Sophie Fox. Acima and Katey were each awarded Highly Commended Speaker for the Senior Tournament and Charlotte Gamble and Jeany Kim were awarded Highly Commended for the Junior Tournament.

A group of Senior Students, along with fantastic support from Mrs Sue Judd, coached the Junior Competition. The Year 8 students entered into several rounds of a Northland Year 7 and 8 Tournament at Huanui College. The first round was a huge learning curve, although we were pleased to come away with some wins. In 2018 Debating will be extended to include Year 7 students.

## Lit Quiz

Two teams of students represented Kerikeri High School at the Kids' Lit Quiz regional competition. Lit Quiz, also known as the sport of reading, is an interschool event that aims to encourage and celebrate the literary knowledge of young readers. Twenty-nine school teams from all over Northland competed over three hours, working collaboratively to answer 100 questions prepared by Quizmaster, Wayne Mills.

Our Year 8 team of Hannah Collins, Imogen Crooks, Lydia Bailie-Bellew and Daniel Ellingham came 8th while our Year 7 team of Cameron Willis, Mereana Huirama-Moore, Alice Calnan and Joe Howells came 14th out of 29 teams. It was a fabulous day and we all enjoyed ourselves immensely.

# SPEECH WINNERS

The increasing participation and interest in the Impromptu Speech Competition meant that this year students competed in one of three year-level groups. Competitors were highly talented speakers with the skill to improvise and think on their feet. The students who achieved first place in their year groups were (Year 7/8) Zoe Ackers, (Year 9/10) Casey Roberts, and (Senior) Acima Mabidikama.

The "Best of the Best" Kerikeri High School Speech Finals evening began with the Culinary and Hospitality students and staff hosting a dinner for the Rotary Club of Kerikeri, who kindly donated the speech competition trophies and vouchers. Then the best speech from each year level was presented to the Rotary Club, whānau, students and staff.

This event highlights every year level winner's speech, with the best speechmaker overall awarded the Jock Hodgson Trophy. The Judge's job was very difficult considering the range of speeches over six year groups and the outstanding level of presentations and challenging content. The winner of the Jock Hodgson Trophy was Lauryn Jarman.

### YEAR LEVEL SPEECH WINNERS:

Year 8	Daniel Ellingham
Year 9	Nimish Singh
Year 10	Anna Yarrall
Year 11	Katie Whitehead

# Market Day

Enterprising Business students in Years 9 to 13 worked hard to create innovative and sustainable products, to sell at the highly successful Kerikeri High School Market Day. They learned about business organisation, product design, marketing and managing business relationships.

## PINK SHIRT DAY

# GEOGRAPHY

Libby Inwood (*back row, far left*) entered the Northland Regional iGeo competition, in which she won the opportunity to attend a one-day selection process in Wellington to try out for the New Zealand Secondary Schools Geography Team. Libby was successful in making the team, along with three fellow students from around New Zealand. They travelled to Serbia to take place in the World iGeo Competition that involved competing in various activities and tasks against students from all over the world. Libby's success is a credit to her hard work and dedication in Geography.

Geography students enjoyed various fieldtrips throughout the year to help cement their learning. This included students taking part in research in Paihia and Kerikeri, studying Marine Reserves at the Poor Knight Islands and Tourism Sustainability in Paihia.

# TOURISM

Tourism students have opportunities to complete different practical courses based in Paihia or Whangarei, as well as visit various tertiary providers for future study options in Paihia, Whangarei and Auckland.

# senior drama

It has been a busy year in Drama, with many performances for all year levels in the Studio (Drama 2) and on the Main Stage (the Auditorium). The highlights have included the Children's Theatre performances by Year 11 Drama students for the Kerikeri Kindergarten; the Year 13's final production of "Find Me" staged in the round to sell out audiences; and the visual spectacle of the Year 12 "Ash Girl" performance, with the amazing set constructed by the Year 12 Performing Arts Technology students.

Smokefree Rockquest entry numbers for the province saw us return to Forum North in Whangarei to compete against students from Kaitaia right through to Warkworth. We had three groups in the Band section and seven entries in the Solo/Duo category who all performed at the Heats in May. Solo entrants were Sophia Houben, Katie Lawrence, Bella Mason, Israel Read, Tennessee Tipene and Guy Yarrall. Limitless was a duo including Tihema Riwai and Joshua Harper. Cypruss involved Peter Blakely, Boyd Dixon, Chris Gudsell, Kane Strongman and Liam Taplin.

Bands Theoretically Impossible (Felix Danilo, Jack French, Breanna Marsh and Myer Robb) and Denial (Ty Davis, Cameron Dudley, Simon Halliday and Michael Mitchell) both made it through the selection process to compete at the finals in Whangarei. The calibre of entries in the Band category was high and the top three positions could have easily been given to several of the bands.

The Jazz Band and Concert Band played at many community events this year including Anzac Day, Daffodil Day, the Riverview School Bazaar and the Kerikeri Christmas Parade. These events are highlights of the year for many of the students, where they can share their music with friends and family.

After six years of development and growth, the Kerikeri High School Concert Band led by woodwind and brass tutor David Lawless, and supported by drum tutor Murray Miskelly and percussionist Trevor Rowlinson, attended a National Concert Band event. The 20 students from Year 7 to Year 12 felt their training from Parades and ANZAC days had led them to a point where they were ready to take on a bigger challenge.

The three-day New Zealand Concert Band Festival included a range of performances and workshops. Our band earned a Silver Medal for their 20-minute performance: an award based on musicality, interpretation, accuracy and cohesion. The acknowledgement of their high standard was fantastic as it is the first time the band has attended a national event.

# Leadership Camp

Year 13 students took part in a two-day Leadership Camp at Waimate North before school even started, to begin their planning for the year. The Camp was organised and run by Deputy Principal and Peer Support Leader Mr Mike Clent, Year 13 Dean Miss Kate Crawford, Mrs Eileen Crawford and the Year 13 Form Teachers. The Leadership Camp is always a huge success with students training to be Peer Support Leaders for our Year 7 students.

# Year 7 Camps

# Year 7 Camps

# OUTDOOR EDUCATION

Term one was full of adventure with tramping, navigation, bushcraft and camping along the sunny Northland coastline and the kauri-filled, native bush of Puketi Forest. Students planned an Outdoor Education day, which included fun with giant, inflatable bumper ball soccer, mini-golf and archery at the stone store, complete with a fish and chip lunch. Team building activities added enjoyable social tasks, causing many laughs and unexpected challenges. Courses in First Aid and Day Skippers saw most students gaining real-life skills and the certificates to match. The year was

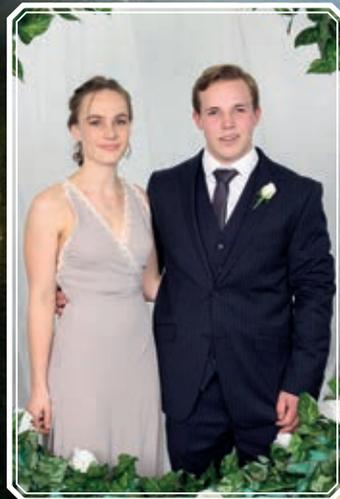

concluded with our sea kayaking trips in the Bay of Islands. Camping at Haruru Falls was a pleasant setting to wind down in the evenings, before another day of exploring the local islands around Paihia and Waitangi.

# International Department

It has been a great year for the International Department. We have welcomed students from countries new to us such as Slovakia, Norway, Sweden and Poland. We have also continued to host students from Germany, Italy, Belgium, Switzerland, France, Brazil, Chile, Argentina, Mexico, United States of America, Thailand, China, Japan and Korea and have had group tours from Thailand, Japan and another group of "Win the World" Scholarship students from Pernambuco, Brazil.

Our students have enjoyed getting fully involved in kiwi life and have participated in school drama productions, bands, sports teams and art exhibitions. A firm favourite is always the Year 12 Outdoor Education Programme in which students have enjoyed sea kayaking, bush craft and camping, navigation and first aid.

At the end of Term 2, the students with the help and support of Mr Russell Holmes presented the inaugural "International's Got Talent" show. Students, teachers and host families enjoyed the talent and creativity displayed by the students.

Students from all four ESOL classes visited the Kerikeri Retirement Village; a student driven idea which came about from a study of elderly people. The joyful experience was profoundly moving, and many personal connections between young and elderly were formed.

The Academic Plus Surf, Equestrian, Golf and Sailing Academy have been popular, providing our students with opportunities to experience these activities in the stunning Bay of Islands region. In some cases the students have brought a depth of experience with them and in other situations this has been the students' first time experiencing these activities.

We would like to give a special mention to the "kiwi buddies" for looking after our students so well at school and the host families for their care and support of our students.

## Tai Tokerau Festival

More than thirty schools participated in the Tai Tokerau Festival hosted by Bream Bay College. Kerikeri High School's Te Pou o Manakō proved entertaining with their catchy tunes and their own spin on a Moana favourite. The roopū performed last as they were responsible for receiving the mauri from Bream Bay College to host the festival in 2018. This is very exciting, as Kerikeri High School has not hosted this prestigious event since 1984.

Savanah Peters-Hei Hei, Logan Gaulofa and Mrs Blossom Silich

## Lions Pōwhiri

Kapa haka students Savanah Peters-Hei Hei, Jasmin Winikerei, Kahurangi Yakas, Mia Kolo, Lilli Kolo and Maybel Koro were part of an historic mass pōwhiri for the Bulldogs and Lions rugby squads at Waitangi. Not only did they get the opportunity to work alongside other schools from Te Taitokerau, but also alongside adult performers from some of the top groups in Aotearoa. They learnt how to wield a taiaha and had to learn at least seven different haka in practices for months in advance of the event.

## Kapa Haka

Approximately 130 students were involved in our three kapa haka roopū this year: Year 7/8 Ngā Tēina o te Kerikeri, Year 9/10 Ngā Puāwai o te Kerikeri and Te Pou o Manakō Kapa Haka (Senior level). Juniors enjoy two hours per week learning waiata, haka, tikanga Māori and kupu Māori. Our senior group leads kapa haka in our school and is involved in many pōwhiri for manuhiri to our school and celebration assemblies, as well as on behalf of Ngāti Rēhia hapū and Ngāpuhi iwi. This year we farewell our Year 13 tuākana Savanah Peters-Hei Hei, Jasmin Winikerei, Kahurangi Yakas, Zoe King-Samuels, Tyler-Rae Harris-Webb and Tiana Edwards. We thank them for their hard work and service to our school over the last seven years and wish them the best for the future. Ngā mihi aroha ki a koutou.

Prefects Savanah Peters-Hei Hei, Jasmin Winikerei and Tiana Edwards

## Ngā Manu Kōrero

Rehutai Kingi (Te Arawa/Ngāpuhi) and Isabella Joe (Ngāti Tūwharetoa) represented Kerikeri High School at this year's regional Ngā Manu Kōrero speech competition. They both delivered passionate and powerful messages, by chance choosing the same topic 'My sovereignty – my wellbeing,' but both putting a

different spin on their Kōrero. Isabella finished in the top half of her section Korimako – Senior English, both prepared and impromptu and Rehutai went on to take second place in his section Tā Turi Kara – Junior English. Both speakers represented their school, whānau, hapū and iwi with mana and pride, supported by their roopū tautoko.

# Ngā Rangatira ō Matariki

We observed the Māori New Year with our annual Ngā Rangatira ō Matariki Celebration. It was a hugely successful evening where Māori student achievement across the Four Cornerstones of a balanced education was recognised and celebrated in a Māori context. A supper then the awards followed the pōwhiri hosted by Ngāti Rēhia and Kerikeri High

School. There was a huge turnout of whānau and we enjoyed the Kapa Haka and two musical performances as well as our famous guest speaker, former student Troy Kingi. Over 100 senior students qualified at the high benchmark to be awarded a Matariki Certificate for their achievements from June to June in accordance with the Māori calendar.

## Te Roopū Tautoko

Mā te tuakana ka tōtika te teina, mā te teina ka tōtika te tuakana. From the older student the younger one learns, from the younger student the older one learns also.

of Māori customs and guidance, which is the main aim of Te Roopū Tautoko. "He waka eke noa, we are all paddling the same waka." Nāku nā, Jasmin Winikerei

I have attended Te Roopū Tautoko from Year 7 to 13 and my advice to future tuākana is to not take it lightly. Te Roopū Tautoko provides the opportunity to make the most of a unique cultural experience for you to gain a better understanding of Māori customs and leadership, which you can carry with you throughout your life. Have fun and make the most of it! Do not be afraid to try new things like leading karakia, or sharing your pepehā and whakapapa. Te Roopū Tautoko is a group that thrives off willingness and supporting one another. A major success is the involvement of more cultures into this roopū, as it shows how cultural understanding and awareness of kaupapa Māori is important in our school environment.

I am often asked "What does Māori achieving success as Māori look like to you?" For me it is being able to walk in both worlds through the eyes

# Hillary Outdoors Centre

The Hillary Outdoors Leadership programme is for students who wish to gain and develop leadership skills and experience. They learn about different leadership styles and the principles of good leadership, through adventurous and challenging activities. Students are encouraged to set goals and transfer their learning to their leadership positions at school and everyday life.

# Sailing Academy

The Sailing Academy offers a variety of sailing opportunities and caters for a wide range of ability levels from first timers through to advanced sailors.

This year we have competed in local and National Regattas, gained Dinghy and Keelboat Sailing Certifications, travelled to Auckland to sail on board the America's Cup boat, navigated and discovered the beautiful Bay of Islands and Whangaroa Harbour on our overnight adventures, sailed Land Yachts on the beach, experienced the thrill of Parasailing and even met Olympic gold medalist, Americas Cup winner and Volvo Ocean race sailor Blair Tuke.

Students sail every Friday during term time with the course including practical and theory components to develop safe boating skills, racing and navigational techniques in a variety of vessels. The Academy runs through the full school year but can also be attended per semester. The Sailing Academy is open to all students and attracts many of our International Students.

# Swimming

Swimfests are a participation event where each year level from 7-10 competes for points to find the top form class. It was a fun occasion, with lots of support from the side of the pool and the teachers swimming with their form classes.

**This year the winners were 7WHT, 8KEI, 9DRB and 10IRN.**

## SWIMMING CHAMPIONSHIPS

One hundred and twenty four students competed in the Kerikeri High School Swimming Championships, racing distances of 50m and 100m, with the choice of five different swim strokes.

**POINTS WERE AWARDED BASED ON TIMES TO FIND THE OVERALL YEAR LEVEL WINNERS:**

Year 7	<b>Gyanne Garner, Oliver White</b>
Year 8	<b>Barbara Kuruleca, Andrew Hay</b>
Year 9	<b>Emilia Finer, Kori Brown</b>
Year 10	<b>Emily Lyall, Cody Pickery</b>
Year 11	<b>Lexie Ludbrook, Archie White</b>
Year 12	<b>Bryna McCondach, Ben Gaulofa</b>
Year 13	<b>Nyena Weeds, Jayden Gibson</b>

The 200m Individual Medleys were won by **Emilia Finer** (Year 7-10) and **Archie White** (Year 11-13). Four Kerikeri High School records were broken on the day by **Emilia Finer** (50m fly) and **Archie White** (100m backstroke, 100m breaststroke and 50m breaststroke).

# Athletics

One hundred and twenty competitors took part in the Kerikeri High School Senior Athletics Championships. Olivia Sherman broke the shot put record and Leah Dawson broke the high jump record.

Year level winners were (Year 11) **Jared Thomson/Dennis Koro** (equal points), **Leah Dawson**; (Year 12) **Bay Fielding, Jeyde Sadler**; (Year 13) **Caleb Hetaraka, Olivia Frear**.

Olivia Sherman

A team of 14 athletes achieved the standards for entry to represent Kerikeri High School at the Northland Secondary School Track and Field Championships. They came away with outstanding results, most notably **Olivia Sherman** with a record breaking put of 12.54m in the U16 girls shot put event and **Anika Green** equaling the U14 girls 70m hurdles record. More first placings went to **Leah Dawson** (intermediate girls

long jump), **Olivia Frear** (senior girls long jump and senior girls 100m), **Anika Green** (junior girls 300m hurdles), **Jared Thomson** (intermediate boys 3000m).

Six students were selected to represent Northland at the North Island Athletic Championships in New Plymouth. They all competed at a very high standard and achieved personal bests, with top performer **Leah Dawson** finishing 3rd in the intermediate girls long jump.

# Girls FIRST XI FOOTBALL

The season started with six new players joining the team, including a new goalkeeper. Our first game was the community bowl, which proved to be a highlight of the year as the girls took Kamo to penalties, coming out the winners on the sixth kick. The trophy had been in the hands of Kamo Women for the last seven years.

The team played 18 games with 10 wins, 2 draws and 6 losses in the Northland Women's League. They made it to the finals of the Northland Women's knockout competition to end up playing Kamo Women at Toll Stadium in the final. They were too strong on the day and the girls came away with runners up medals. Wednesday football saw the team playing in the First Division Boys League, which saw spirited competition with a couple of teams coming close to conceding points.

# T&G Boys FIRST XI FOOTBALL

The T&G Boys First XI Football team had a mixed bag of results through the season. They convincingly beat Rodney College, lost to adversaries Whangarei at home, but beat them away and enjoyed some competitive games against the Kerikeri Second XI team in front of healthy crowds. Kamo stood in the way of a place in the final and two close games saw Kerikeri prevail. The final against Whangarei Boys was on

neutral territory. Kerikeri took the lead through a calm penalty by Captain Adam Streamer, but Whangarei levelled with a nice strike soon after. It was a very close game and Matthew Taylor headed in a delightful Geoffrey Zwaneveld cross. Whangarei levelled once again, taking it to penalties. Russell Benseman was a rock in goal, saving the first two he faced. Reece Noorwalla calmly slotted home the winner and the squad celebrated winning the Northland Premier Championship for the first time in three years.

# Netball

Three teams competed at the Northland Secondary Schools Netball Championships. Our T&G Premier team came 1st and Development team 2nd in Division 1, while our Senior A team came 1st in Division 2. Three Junior teams travelled to Whangarei to compete: 9A placed 2nd, 10A 3rd and our Year 7/8 Aims Games Team placed 2nd. The Kerikeri High School Sports Department runs an impressive school netball programme of 22 teams, thanks to the support of parent and student coaches, umpires and managers.

A number of students and teams achieved awards at the Kerikeri Netball Centre Junior Netball Prizegiving Ceremony after a very successful season: **Kowhai** Year 8 Round 1 Winners, **Daisies** Year 8 Round 2 Winners, **Daffodils** Team Sportsmanship Award,

**Hannah Watson** Most Promising Junior Umpire and Most Contributing Junior Player, **Stacey Ferguson** Junior Umpire Award, **Aaliyah Fountain** Services to Umpiring, **Eva Forrest-Chambers** Individual Sportsmanship Award, **Anna Yarrall** and **Julie Autet** Most Promising Junior Coach, **Olivia Bell** Most Outstanding Junior Player, and **Jasmin Winikerei** Most Outstanding Senior Player.

# T&G RUGBY FIRST XV

In a much reduced and late starting format, the T&G First XV boys played a round robin home and away competition between Kaitaia, Dargaville and Whangarei Boys High. This year saw Miles Halvorson, Caleb Read and Joe Wadman play their last games for school. Miles and Caleb will be staying in Kerikeri and hope to play for the newly promoted Kerikeri Senior team while Joe has signed to join the North Harbour Academy. Keenan Rush,

Chad Boyed and Dennis Koro have been selected for the Blues Under 17 Development programme.

The team went through undefeated, earning them the Northland Co-Ed Secondary Schools title. Because of this, they had the opportunity to play Rangitoto College, the top North Harbour Co-Ed team. It was a well-fought game but we went down 39-12. Rangitoto went on to represent the Blues region at the national secondary schools tournament.

Next year the Northland Union hope to see the midweek competition move to a Saturday, playing First XV schools and clubs in one Under 18 competition.

# RUGBY SEVENS

Under 15 Girls

Senior Girls

Our Under 15 Girls were lucky enough to play four mini tournaments this year. Two against Northland schools where they placed second, one against a touring Canadian school team and the final as a curtain raiser game at Toll Stadium before the Northland-Otago game. The team trained hard under Coach Belinda Edwards who prepared them for the NZSS Under 15 Condors tournament. Maybel Koro and Mia Anderson also played for the Northland Under 18 Girls team.

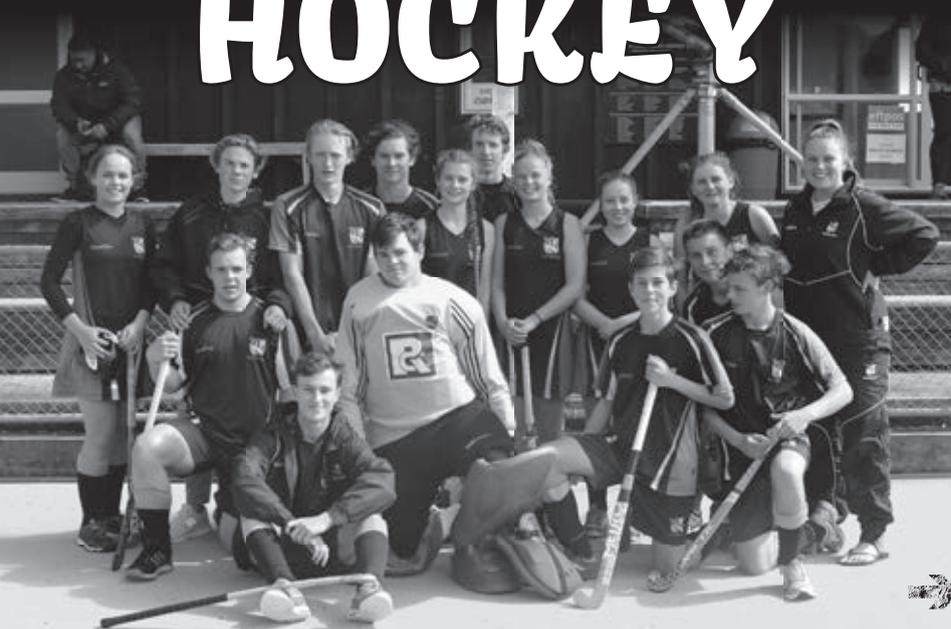

The Open Girls Sevens attracts many of our multi-code athletes who juggle playing this with other sports. Congratulations to Nyena Weeds, Mia Anderson, Leilani Erwin and Lanaya Morgan who all played for the Northland Open Girls Sevens team. Layana was also selected for the New Zealand Under 18 Rugby Sevens squad.

Under 15 Boys

The Under 15 Boys side were the Northland Champions, going through the season unbeaten. The team also competed at the NZSS Condors in Auckland in December, representing Northland. The Open Boys team were runners-up in the Northland tournament gaining this team entry to Condors as well. Both Open and Under 15 teams put in a lot of extra training time under the guidance of Noah Cooper from Northland Rugby.

# HOCKEY

First XI Open Hockey

The First XI Open Hockey team said goodbye to a large group of key players this year: Guy Yarrall, Tassilo Eisenmann, Murdock Cookson, Courtney Armstrong, Sophie Morrison and Jack Williams. These Year 13 students have played for Kerikeri High through their entire secondary schooling and for the last three years in our mixed team. Sophie Morrison and Morgan Forrester represented Northland at the New Zealand U18 Regional Hockey Tournament in Whangarei. Sophie also played for the Northland Women's team.

# Basketball

Three teams travelled to Kensington Stadium to compete in the Northland Secondary Schools' 3 v 3 Basketball which is a modified half court version. In a field of 25 teams our Junior Boys team placed 4th, Junior Girls (in the Senior Division) 6th, and Senior Boys 6th.

The Senior Boys Basketball team placed 5th in the highly competitive Northland competition and the Senior Girls, with only two trainings and made up of 90% of our Premier netball team and two dedicated basketballers, went through undefeated winning the Northland Girls Division 1 title.

Three Year 7/8 teams travelled to Waipapa to compete against other Northland Intermediate aged students. The two boys' teams placed 1st, 3rd, and the girls team came 3rd, very impressive results for their first competitive games.

# Rippa RUGBY

Rippa Rugby players and coaches

Seventy-five Year 7/8 students formed seven teams to compete at the North Zone Intermediate Rippa Rugby day in Kaikohe. Each team was assigned two senior students to help coach, organise and promote fairness at the event. The day went well with two teams qualifying to attend the Northland Finals day in Tikipunga, our top team placing 5th.

# CROSS COUNTRY

Nearly 500 students took the field to compete in this year's Kerikeri High School Cross Country Championships. The fine day made for excellent running.

The year level winners were: (Year 7) **Zane Palmer-Ruifrok, Maia Williams**; (Year 8) **Daniel Walker, Nicole Godsiff-Johnstone**; (Year 9) **Nimish Singh, Emilia Finer**; (Year 10) **Benji Lascuna, Eva Fulton**; (Year 11) **Hannah Watson, Jared Thomson**; (Year 12) **Kayla Donaldson, Shine Fulton**; (Year 13) **Sophie Morrison, (1st =) Finlay Fraser, Felix Drew**; 1st International student, **Enno Schreiber**.

A team of 39 Kerikeri High School students travelled to Barge Park, Whangarei to participate in the Northland Cross Country Championships.

Top results included (Year 7/8) **Hunter Scott** 3rd, (U16) **Benjamin Lascuna** 1st, **Adam Bennett** 2nd, and (U19) **Jared Thomson** 2nd. **Gabrielle Smythe, Emilia Finer, Hannah Watson** and **Kate Moyle** also placed in the top 5 in their races.

# Cricket

First XI Cricket

Year 7 team

**E**arly in the year, a team entered the Bruce Scott Boys Cricket Tournament, playing two T20 games each day. Overall, the team came 2nd but went through as the top Northland Co-Educational school, qualifying them to play in Counties to contest for the top Co-Ed Northern Districts School. A Girls team played the two-day Leef Cup Competition, placing a close

second to Whangarei Girls in the final. A combined Year 7/8 team played in the Saturday competition, travelling to Whangarei most weekends.

The second part of the season saw a resurgence in cricket, with the development of four new teams – Year 7, Year 8, Junior Girls and a First XI combined team playing third grade.

Year 8 team

**T**he Sailing Team helmed by Frankie Dair and his crew of Alice Autet, Jack Dalbeth-Hudson and Jack Bunce won the Harken School Regatta. They beat off fierce competition from the nine other teams in tough and immensely close racing. Frankie Dair, Jack Bunce and Maeve White from our very successful Kerikeri High School Teams' Racing Sailing Team were selected to represent New Zealand at the Under 21 Teams Racing World Championships in Italy, but sadly, two weeks out from the event it was cancelled.

Kerikeri High School sailors had another good year at the Team Sailing Nationals, placing 2nd. This qualified them to travel to Melbourne to represent New Zealand against the Australians for the Inter Dominion and Pacific Rim Trophies. Unfortunately two of our team were unable to travel for this event so we travelled with six sailors. The team had a challenging but great time in weather conditions that were not great for sailing, finishing

4th overall. These results led to a nomination for ASB Sport Northland Team of the Year and for the third year in a row, the team won this award. The success of the team comes from the strength of the squad, so all sailors in the squad can take credit for these achievements.

A younger squad of sixteen, with new coaches Mrs Sharron Ferris-Choat and Mr Neil Cates, sailed at the Springs Regatta at Parua Bay, Whangarei. This was a first for many of our students and a chance to experience being both skipper and crew. It was also an opportunity for the coaches to watch and work towards selection of our new Open and Girls teams going forward into 2018.

AIMS swimmers

AIMS netball team

Futsal team at Mount Maunganui

This year we took away swimmers, tennis, netball and futsal players to the very popular Anchor AIMS Games Sporting Championships in Tauranga. Rebecca Clements our tennis player finished where she expected to based on rankings. All four swimmers that had qualified to attend gained personal bests, with Barbara Kuruleca achieving a place in the final for the 50m breaststroke. Barbara's time qualified her to compete at the Swimming New Zealand Division 2 Competition next year.

# AIMS GAMES

The Futsal team of Year 7/8 footballers had a very intense introduction to the sport, playing their first-ever competitive futsal game on their first day at the tournament against the school who ended up placing 4th in the competition. After two well-fought ties, two losses to strong teams and one unexpected loss, the team were pleased to end with a win.

The twelve Y7/8 netballers were up against 122 teams and a full range of weather conditions. The girls held their own to qualify into the B Grade and improved continuously over the weeklong tournament. A highlight of the event was being filmed doing the ACC warmup alongside Leana de Bruin for the "What Now" TV programme. The girls did a fantastic job representing the school.

# TOURNAMENT WEEK

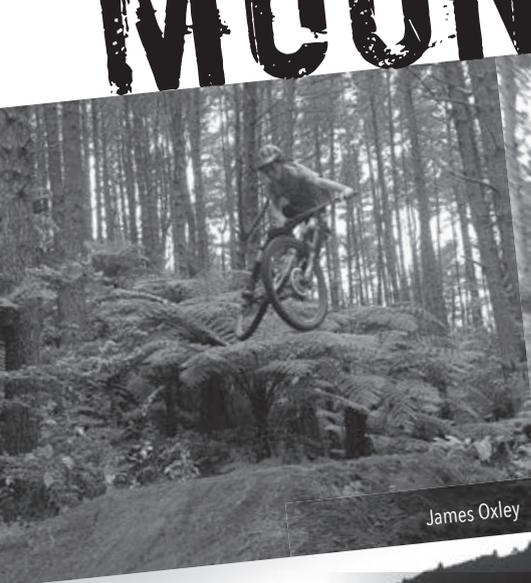

First XI Football Boys

Four teams from three codes travelled to various destinations around the North Island to attend Winter Tournament Week. Without the support of our school, coaches, parent helpers and teachers who gave up their time, our students could not have experienced this amazing week. The 1st XI Football Boys in Auckland finished 17th, the 1st XI Girls Football in Rotorua 12th, the 1st XI Hockey team in Taupo 9th and the UNISS Netball team 4th who came 4th Division B were promoted to A grade for 2018, making history for netball at Kerikeri High School.

**M**ountain biking is still growing at school with Thursday night training rides being well attended. This year's highlight has been the National Secondary Schools racing in Rotorua during the New Zealand stage of the worldwide race series Crankworx. Students got to race with the world's best, watching them

in Downhill and Cross-country. We had top ten finishes in both events in age group racing. Many of our team are now competing regularly and are getting more and more competitive. We are looking forward to more great rides and even better results in 2018. See you on the trails.

# SPORTS NEWS

Students battled it out at the Waipapa Courts in a round robin/knockout competition to determine our Kerikeri High School Senior **Tennis** Champions **Matthew Timperley** and **Aaliyah Fountain**. **Nathan Gibson** and **Briahnn Terrizzi** were the runners-up.

Five boys' teams competed at the Northland Secondary Schools Boys **Futsal** Competition. The results were Senior Boys A 2nd, Senior Boys B 5th, International 6th, Under 14 A 1st, Under 14 B 3rd. The Junior Girls Futsal Team finished 1st in the U16 Division of the NSS Girls Championships held in Whangarei and the Senior Girls finished 4th after losing on penalties. **Libby Inwood**, **Tara Jackson** and **Emily West** were invited to play in the Youth National Futsal Tournament.

**Sophie Morrison** (Hockey), **Alex Edwards** (Spearfishing), **Holly McNeill** (Yachting) and **Kaya Tobin** (Yachting) were selected for the Educare Northland Sports Talent Hub. **Ella Collins** made the Royal New Zealand Yachting Squadron Youth Training Programme, which runs from, May 2017 until March 2018. **Gabi Hislop** made the Under 13 Northern Football Federation team and played in Sydney, Australia with the squad. Gabi is the first girl from the Far North to have been selected. Year 10 student **Kaleb Stevens** was selected for a 20-strong National Tennis Squad. They played at two prestigious tournaments in Queensland, Australia, and Kaleb participated in a two day pre-tournament Training Camp at the Rod Laver Centre in Brisbane.

Girls Futsal

Senior Girls Volleyball

Eleven students competed in the Novice **Table Tennis** Championships in Whangarei. All boys had a guaranteed six games battling off in a round robin then knockout format. **Kaleb Stevens** came first and **Zealin Prime** finished in the top 16. This qualified them both to attend the Open Championships in which Kaleb placed 9th after winning the plate final.

Our girls and boys teams qualified for the Northland Secondary Schools **Volleyball** Finals day. Both teams went through their pool play with a win and a loss, placing them 2nd in their pools. In their cross over games they lost which meant both teams played off for 3rd and 4th. The girls won resulting in 3rd place, which secured their position in Division 1. A mutual decision to call a draw for the boy's last game also secured the team a place in the Division 1 pool for 2018.

A team of eleven students travelled to Whangarei to play **Floorball**, which is a game of modified indoor field hockey. The majority of the mixed team were First XI Hockey players. Six 18-minute games were played in all, with the team finishing the day in 2nd place.

The **Waka Ama** New Zealand Secondary Schools' Competition held recently at Lake Tikitapu in Rotorua was the biggest ever with over 106 schools competing. The Kerikeri High School Girls' Team won their Semi-Final Heat, narrowly missing a place in the finals of the W6 250m. **Mano Herewini** and **Libby McAdams** achieved Bronze Medals in their Individual 250m Races.

Thirty students competed in the **BOI Beast** at Haruru Falls. After a week of continuous rain they knew they were up for a very muddy run. The day was fine and our students had a good day participating, achieving personal goals and on the podium. Best results of the day were by **Max Jordan** (2nd U14 and 3rd overall), **Chayse Parrish** (2nd U16), **Emilie Jones** (2nd U14), **Max Donaldson** (3rd U14), **DJ Jones** (1st U12), **Puti Harris** (2nd U12) and **Maia Williams** (3rd U12).

Sophie Fox and Nathan Gibson

**Holly Mather, Jasmin Winikerei and Olivia Frear** represented Whangarei at the New Zealand Regional U19 **Netball** tournament in Wellington. **Rehutai Armstrong-Kingi** was selected for the **Basketball Pacific U16 Boys' New Zealand Koru Squad**. The opportunity included a 3-day training camp in Rotorua, and a Development Tour to Australia in 2018.

Students had the opportunity to learn how to play **Croquet** at the local club. From there Kerikeri High School had three teams of two at the NSS Croquet Championships in Hamilton. The teams were Nathan Gibson and Sophie Fox, Matthew Galbraith and Ben Turner and Max Hart and Luke Halligan. All three

teams played for the plate on the 2nd day, with Nathan and Sophie, and Max and Luke very close to getting into the trophy competition. Nathan and Sophie were selected for the New Zealand Youth Squad. Both have joined the local club and have already competed at local competitions with Nathan winning Best Junior Player.

This year the **Tough Guy and Gal Challenge** saw us travel to a new venue with a 12km course that was hillier and even tougher. Forty-five of our students lined up at the start amongst the other schools to complete the run, winning Kerikeri High School the titles of Toughest Female team and Toughest Male team. **Shine Fulton** smashed the course in 48 minutes, minutes ahead of his nearest competitor. Top individual results from the day were: (Male) 1st **Shine Fulton**, 2nd **Jared Thomson**, 3rd **Adam Bennett**, 4th **Bay Fielding**, 5th **Darcy Morrison**; (Female) 1st **Kate Moyle**, 2nd **Hannah Watson**, 3rd **Kayla Donaldson**.

A very successful team of competitive swimmers participated at the Northland **Swimming** Championships in Dargaville. First placings went to: **Ariella Ripohau** 100m backstroke; **Maia Williams** 50m butterfly; **Jamie Doubleday** 50m freestyle, 50m butterfly; **Emilia Finer** 50m freestyle, 100m freestyle; **Harvey Williams** 50m backstroke; **Kori Brown** 100m breaststroke, 50m breaststroke, 50m butterfly; **Giorgia Davies** 100m freestyle; **Archie White** 100m backstroke, 50m freestyle, 100m freestyle, 50m breaststroke; **Bryna McCondach** 50m butterfly; **Samantha Turner** 50m freestyle; **Nicola Dearnley** 100m breaststroke.

**Kori Brown, Giorgia Davies, Nicola Dearnley, Emilia Finer, Alexandra Ludbrook, Benjamin Turner** and **Samantha Turner** competed at the Div2 New Zealand Swimming Champs. Medals went to Samantha who achieved a silver in the 50m freestyle, and Emilia a bronze in the 400m freestyle. Every student achieved outstanding placings or personal bests at the event. A group of swimmers also went Swimming New Zealand's Junior Festival in Auckland. The best placing was a 4th for **Emilia Finer** in the 400m freestyle. Emilia also had six other top ten placings. **Ariella Ripohau** achieved a 6th place finish in the 100m backstroke. **Oli White, Barbara Kuruleca** and **Gyanne Garner** each achieved personal best times.

**Archie White** competed at the NZ Short Course Championships held at the Sir Owen Glenn Complex in Albany. With over 750 swimmers, competition was fierce. Despite an ankle injury, he was 18th in both the 50m and 100m breaststroke.

Nine swimmers represented Kerikeri High School at the **NZSS Swimming Championships**. **Ben Turner** and **Harvey Williams** achieved personal bests in all five of their races. Ben also qualified to swim 100m backstroke at the Div 2 Champs and **Alexandra Ludbrook** swam a qualifying time for 50m backstroke. **Emilia Finer** had the best race placings, finishing in the top 20 for all her events despite being the youngest competitor at the meet. The team all enjoyed the opportunity to compete against the best swimmers in their age groups in the country.

# Global Issues Problem Solving

This year Global Issues Problem Solving teams grappled with the topics of Space Junk, Genetics and 3D printing. Twelve Teams, from Year 7 to 10 sat the qualifying booklet in term three. It was good to see students understanding the importance of topic research to support their booklet work and ideas as well as developing their collaboration skills in their teams.

A Junior Global Issues team of four Year 7 students qualified to compete at the Future Problem Solving National Finals in Auckland. During the year, almost 400 students participated in this competition. These students investigated the potential challenges in a futuristic scenario, related to Identity Theft. They had to identify what they deemed to be

the most significant issue and develop a futuristic action plan. They were then required to present a Dramatic Presentation of this action plan. Our students came third in the Dramatic Presentation and second in the Booklet Competition at the National Finals, qualifying them to represent New Zealand at the International Finals in Wisconsin, USA in 2018.

Emma Thomson, Ella Howells, Zoe Ackers and Ella Parker will compete in the USA

# ASB Sports Awards

Some of our ASB Sports Awards Finalists

**F**ifteen Kerikeri High School students were Finalists at the ASB Northland Secondary Schools Sports Awards in Whangarei. To achieve this level of recognition you have been identified as being in the top three in your sport.

Finalists were: **Miya Fleming** (Eventing), **Archie White** (Swimming), **Joe Wadman** (Rugby), **Stacey Ferguson** (Official Netball), **Holly Mather** (Netball), **Ella Taurua** (Eventing), **Adam Pilling** (Bike), **Alexander Hull** (Athletics), **Olivia Sherman** (Athletics), **Leah Dawson** (Athletics).

These students went on to win their sporting category: **Sophie Morrison** (Hockey), **Sydney Bavastro** (Inline Hockey), **Kyle Chen** (Boxing), **Alex Edwards** (Spear Fishing). In addition, Team of the Year went to the **Kerikeri High School Sailing Team** and Boxer **Kyle Chen** won the Sportsman of the Year title.

Alex Edwards

In 2016 and 2017 at the Northland Secondary School Sports Awards Alex Edwards won ASB Sporting Excellence Awards, recognising her national achievements in Spearfishing. This year she is the New Zealand Junior Women's Spearfishing Champion and placed second in the New Zealand Open Woman's Spearfishing Championship. Alex represented the New Zealand Open Spearfishing team at the Inter Pacific Championship in Guam earlier this year. She is also a member of the Northland Sports Talent Hub.

Kyle Chen

Sydney Bavastro has been involved with Inline Hockey for several years and is a member of the Northland Stingrays side. This year he was selected to represent New Zealand at the Trans-Tasman Inline Hockey Oceania Championships. Sydney won Sporting Excellence in Inline Hockey at the ASB Sports Awards.

Sydney Bavastro

Kyle Chen has received Kerikeri High School Sporting Honours four times for his elite achievements in Boxing. He has won numerous New Zealand and Australian age grade welterweight and middleweight titles. In 2016 and 2017 at the Northland Secondary School Sports Awards Kyle won ASB Sporting Excellence Awards, recognising his national and international achievements in Boxing and in 2017 was also awarded overall Sportsman of the Year. This year Kyle represented New Zealand at the Youth Commonwealth Games in the Bahamas, where he performed with distinction winning a bronze medal. Kyle is for the second year the New Zealand Golden Gloves Middleweight Youth Champion.

Kyle has won the New Zealand nationals three times and the Taiwan national championships twice. He currently has a record of 38 wins and 6 defeats following a move from the junior to youth ranks in amateur boxing last year. Kyle has been accepted into the International Boxing Association's Road to Buenos Aires programme, in preparation for the 2018 Youth Olympic Games in Argentina.

Sophie Morrison

Sophie Morrison has been involved with Hockey at Kerikeri High School for five years. She is a member of the Kerikeri High School team, and plays Women's Premier Hockey for Chilltec Old Girls in Whangarei. Sophie is a member of the Northland Under 18 team, and the Northland Women's team which came second at the National Provincial tournament. She has been selected for the New Zealand Under 18 Talent Identification programme and is currently a member of the Northland Talent Hub and the Pathway to Podium hockey programme. Sophie has been awarded Sporting Honours three times, and this year won the ASB Sporting Excellence in Hockey Award.

# GATEWAY

Gateway in 2017 has been another busy year, with 124 placements in total involving 107 students. Gateway's aim is to strengthen the pathway for students to progress from school to the workplace. Our students work in a variety of industries and many complete workplace assessments. For most, Gateway is an opportunity to gain work experience and be able to add it to their Curriculum Vitae. It supports our students in making a decision as to whether this career is a suitable pathway for them.

Students need to, on average, earn 20 credits with Gateway. To support our students we have run two Health and Safety courses, two First Aid courses and then individualised programmes. We ran our courses during the school holidays to avoid affecting curriculum time.

During the year we are proud to have had students leave school with electrical and plumbing apprenticeships, and students have apprenticeships lined up for next year in diesel, automotive, small engines, building and plumbing. Students have gained part-time work with their Gateway employers or gained work due to their placement or having sat one of the courses we offered.

# Staff NEWS

**W**e welcomed new Teaching staff this year: Ms Maruia Jensen, Miss Lucy Hayman-Brown, Mrs Laura Prickett, Miss Jocelyn Nasmyth, Mr Jim Froom, Mr Arran Richards, Mrs Justine Strang, Mrs Cathy Donadio, Mr Hal Walker, Mrs Davina Derecourt and Administration Staff Mrs Amber Alderton and Mr Ward Jameson. We also welcomed back from Maternity Leave, Mrs Victoria Lemon and Mrs Charlotte Lee-Merrygold.

Mr Tony Robertson, Teacher of History, left early in the year after joining us in 2005, we also farewelled long-time Administration team members Mrs Sue Pilling and Mrs Jo Wilson. Mrs Rene Loggie returned to Auckland at the end of the year to be with family. Ms Ria Bright leaves Kerikeri High School but plans to stay in Kerikeri and continue her Post Graduate Study in Environmental Education. Ms Kate Miller resigned from her Teaching and Dean positions to pursue her passion for sailing abroad. We also said goodbye to Mr Chris Whitaker, Ms Maruia Jensen and Mr Jim Froom at the end of the year.

We wish Mr Dave Brock well in his retirement after twelve years at Kerikeri High School in the English Department. Our Special Education Needs Coordinator Mrs Eileen Bedford also retires at the end of this year. Mrs Bedford has worked tirelessly

since 2007 in our Learning Enrichment Centre. We thank all our departing staff for their contributions to Kerikeri High School.

In January this year, Miss Eileen Andrews became Mrs Eileen Crawford and Mr Tristan Wharton and Miss Amanda Riney were married in July in the USA. Mrs Rozanne Denis married her partner Pete and Miss Ellie Liddington got engaged in February this year. Mrs Victoria Lemon welcomed baby Garrett on New Year's Eve, Mrs Maria Salinas welcomed son Lucas in February, Mr Julian Cosgrove and Miss Abby Hope welcomed baby Isabelle and Mrs Huia Kingi welcomed Manapōtiki.

Miss Kerri Williams achieved her Graduate Certificate in Arts Spanish, which involved the study of Latin American Politics through Music and a second paper which explored the language features of Spanish in-depth. Mr and Mrs Wise graduated from Mind Lab with Postgraduate Certificates in Applied Practice: Digital and Collaborative Learning. Mrs Emma Wise also graduated as an Adobe Education Trainer.

A Northland first, Librarian Mrs Julia Smith became co-President for SLANZA – the School Library Association of New Zealand Aotearoa, Mrs Carol Ludbrook bravely competed at the World Masters Games in Auckland in the 5km Ocean Swim and we congratulate Mrs Cathy Donadio on becoming a New Zealand citizen.

Mr Russell McCabe was awarded Life Membership of the Northern Football

Federation. He has dedicated an extraordinary 23 years of service to football here at Kerikeri High School and at the Kerikeri Football Club. Mr McCabe was also awarded the ASB Northland Secondary Schools Sports 'Service to Sport' Award. His commitment and devotion over the years as an inspiring mentor and successful coach is remarkable.

# Board of Trustees

We are settled now into our second year as a Board, with another challenging year behind us. We have worked hard to strengthen our relationships with senior leadership, teachers and staff, students and families. There will no doubt be more challenges ahead for us next year with the new government, but we will be ready.

It has been nearly 3 years since our last Education Review Office (ERO) visit. ERO evaluates schools on a 1 to 4 year cycle – our last report in early 2015 spoke of “a dynamic and successful school with a well-designed curriculum, and high levels of collaboration between students, teachers, whānau and leaders.” The Board were very pleased to see that last year the percentage of school leavers with NCEA Level Two and above exceeded the national for all measures, and the retention of our Māori students to 17 years is more than 13% above the national at 84%.

This academic success is complemented by student successes in sports, cultural and leadership as you can see from the pages of this outstanding

school magazine. Students are achieving at a high level locally, nationally and overseas. They have much to be proud of, just as we can all be proud of them. We celebrate their achievements at Matariki, Senior Elite Prizegivings and Celebration Assemblies and it is always wonderful to see students' families join us at these events.

Our International Department continue to attract students from around the world. They and their local counterparts have a great opportunity to learn from each other. Bringing cultures together is something to be celebrated, and we are thankful to benefit financially, with the Finance Committee managing a very tight budget. Thanks to the department we have been able to provide students with computers. It also contributes to the local economy and all of us in the community.

The school's programme of building improvements is managed by our Property Committee. In 2017 the team completed the Art project and are working to optimise under-utilised areas within the library building to provide more teaching spaces for our students. Early next year we will start construction of Te Puna Waiora, the student centre that will be the new face of the school. This new building will house Guidance, First Aid, the Students' Centre, Deans and Deputy Principals, designed as a central hub to provide the best possible pastoral care of our students.

The Board would like to acknowledge our wonderful faculty of teachers and support staff. They are without doubt some of the best in the country, from our Principal, Deputy Principals, Deans and Heads of Department, to the dedicated teachers and support staff. It is not just the beautiful Bay of Islands that attracts staff here from around the country. We extend our thanks to each one of the team.

And of course to our students, we hope you have all had a memorable year. We look forward to welcoming most of you back in 2018. To those who are finishing this year, the Year 13's and those who are leaving, we wish you all every success. You have exciting times ahead so take advantage of every opportunity you get. Work hard and enjoy every moment.

**Mrs Sue Richards** (Chairperson) | BOARD OF TRUSTEES

## PTA Report

The Kerikeri High School PTA are a group of parents who meet once a month in the school staff room and enjoy the role of supporting the Kerikeri High School's students and staff.

We like to help whenever we are able, including counting the workday money, polishing the trophies for prizegiving, the selling of second hand uniforms and catering several events throughout the year. The highlight of these events is the Senior Ball, a very special night for our students. The supper we provide has a lot of thought and effort put into it to ensure it is just as memorable. We would like to acknowledge and thank the ball committee, the volunteers who helped on the night and the kind people who donated platters of food. Our other catering events included the PTA AGM at which Prefects spoke, the Prospective Parents evening, the Art Exhibition and an end of year morning tea for all the staff.

We appreciate the support we receive from the school community and senior leadership team who help make our monthly meetings informative and provide an insight into what is happening in our school. We always welcome new parents and caregivers to join us. Please see the school website for the next scheduled meeting.

## WOOLF FISHER FELLOWSHIP

Mrs Haydock with a Honolulu Police Officer

Mrs Maddy Haydock was one of ten teachers in New Zealand to receive a Woolf Fisher Fellowship for 2017. The Fellows never know they will receive one until they are informed, and because of that no applications can be made for the award. Fellowships are to enable excellent practitioners in education to visit outstanding schools overseas. The experiences of the Fellows are intended to benefit recipients as teachers in furthering educational practice in our own schools by examining different teaching practices overseas. Mrs Haydock travelled to Hawaii over one week of term time and the school holidays, where she had pre-arranged visits with a variety of schools which she thoroughly enjoyed.

# Reflections

**W**e have a saying in our Prefects Team that it is not about the badge or the blazer it's about our legacy – leaving Kerikeri High School a stronger school as a result of our work this year. We walk in the footsteps of many students, many families, whānau and members of our wider school community and we are proud to be able to say that Kerikeri High School is going from strength to strength.

Why do I say strength to strength? The Four Cornerstones of a balanced education are really working. The concept of pushing yourself out of your comfort zone and trying to develop yourself across the cornerstones was novel in its day. It has become a proven way to not only push yourself to be more than you might have been as a student in our school. It has become an unparalleled way to credential yourself for the challenges of the years to come. Our in depth tracking of all your four cornerstones activities as well as your academics, has meant that when we write references for our students for scholarships and for employers, we can accurately describe your participation and achievements at Kerikeri High School with great detail.

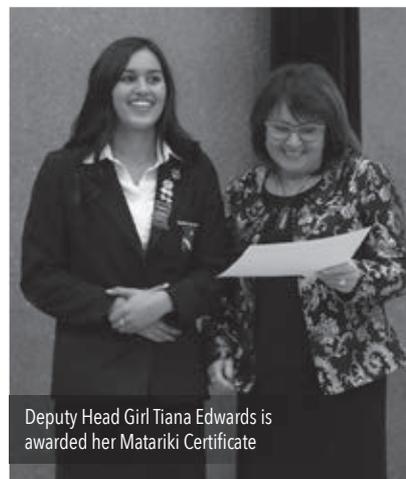

Kerikeri High School is stable and successful. This is reiterated by independent measures over time: in the top 10% of schools with a 4-5 year ERO return in 2011, winner of the inaugural Prime Minister's Award for Excellence in Teaching and Learning in 2014, a second 4-5 year ERO return in 2015, and 'best ever's' in NCEA results in 2016. These are the independent measures.

But it is more than about pass rates. It is about every one of our students. I was more proud of the increase in the number of our Māori students achieving NCEA Level Two than I was of the pass rate going from 69% to 81%. In only four years, over twice as many Māori students were passing NCEA Level Two at Kerikeri High School, 59 students compared to 25.

We are big, the biggest school north of Auckland, and we make the most of it, focusing on each and every student. Think about the wrap around care for our Year Seven students so that they can develop their confidence in our big environment and what that means. They have got the Science Laboratories, Art and Music rooms, Technology and Culinary departments, Gym, pools and travel to all the amazing specialist subject Teachers.

Learning the chords to Ko te Whaea during Māori Language Week

Deputy Head Girl Tiana Edwards is awarded her Matariki Certificate

Being bigger means that we can offer a great range of specialisations and employ specialist Teachers that can follow their passion. Performing Arts, Technology, Chemistry, English Media Theory, Rural Studies, Business Studies – our Course Guide is exciting.

The Four Cornerstones really work and so does positive reinforcement – in our school we say WAKA. We are proud that we undertook a Student Wellbeing Survey and pinpointed a few key things that needed improvement. In response our staff and student WAKA Team developed an excellent video, we did work in our classes, we added our rotoscoping and now we have a shared language around STOP.

Successful, stable and future focused. Technology has the power to produce more powerful learning. It also has the power to strengthen our relationships and make our work more meaningful. COWs are on the range: Computers on Wheels, 11 of them now. We would like it if every

Mrs Forgie introducing the 2017 Prefects

student could bring a device, however, we recognise the challenges to that ideal for our school community. We are getting as many COWs out there as we can afford.

We are making the most of technology to strengthen relationships for communication and feedback. The APP is awesome; Parent Student and Teacher Meeting bookings, student voting for the Board, Options Choice and EOTC choice online is all technology at work.

Back to the legacy of 2017. We talk about distributed leadership – leadership at all levels. And we've got it. Student leadership is powerful with our role models choosing to give service as Peer Supporters, Tuakana, Librarians, Kiwi Buddies, Prefects, Keri Reading Tutors and Student Councillors. Our student leaders also have a strong volunteer ethos, from Work Day to Daffodil Day to the Great Art Exhibition.

Our Teachers are leaders – in New Zealand with raising achievement for Māori students and in their curriculum areas, as well as in our community. Our Leaders of Learning, Deans and our Senior Leadership Team work relentlessly with intelligence and care, to keep our School moving from strength to strength.

And our Board, PTA and wider community strongly support us. No more is that strong, positive Kiwi volunteer philosophy evident than with our Board Chair, Mrs Sue Richards, who while supported by the Board takes on the weight of critical friend to the School and moving the School forward through all eventualities.

A final acknowledgement to the Editor of our School Magazine, Mrs Roz Clent pictured here in action. Our legacy is captured for 2017 in this high calibre, stylish and very special publication.

Kerikeri High School is a successful, stable, future focused and caring linchpin of our community that we are proud to be part of.

Thank you Kerikeri High School  
Kia Kaha, Kia Manawanui
