Dear Parents, Whānau, Staff and Students

Welcome Back, Nau mai, haere mai

It was great to welcome our students and staff back to school this morning, refreshed and ready to begin Term 2. Our attendance rates today have been very high and this is a reassuring start as we reengage with learning and the Four Cornerstones. We are feeling optimistic that this Term will be less disrupted than the last few have been, however we remain vigilant and cautious of Covid as the winter months approach.

Covid 19 and the Orange Traffic Light Setting at Kerikeri High School

Under the Covid 19 Protection Framework at the Orange Traffic Light setting we are encouraging but not requiring students and staff to wear masks when inside. This is a matter of personal choice, and we remind everyone that we should respect decisions that individuals make about whether to wear a mask or not.

Under the Orange setting we can hold Year Level and Whole School Assemblies. Because of the sizes of these gatherings, we will require students to wear a facemask, unless they have an exception. Masks will be provided at the doors as students come in to those who do not have one with them.

All students 12 years old and above are still required to wear a facemask when travelling on a School Bus.

We are continuing with our regular and thorough daily school cleaning of high touch surfaces, and we are continuing to make hand sanitizer available in all classrooms. And we remind our students about the importance of regular handwashing, sneezing or coughing into their elbow and not sharing drinks with others. Our classrooms remain ventilated with windows and doors open.

2021 NCEA Results

Over the school holidays our NCEA results for 2021 were confirmed and we are excited and pleased to share them with you.

NCEA Level 1	Kerikeri High School pass rate	88.2%
NCEA Level 2	Kerikeri High School pass rate	88.1%
NCEA Level 3	Kerikeri High School pass rate	82.5%

These are outstanding results which we can all be very proud of. That results of this calibre have been achieved in what was such a disrupted year speaks highly of the work ethic of our students and their teachers. Kia Manawanui Kerikeri High School.

Contact us

We are here to help. Please feel free to contact us here at school if you feel there is any need at all regarding your child's learning, wellbeing or participation in the Four Cornerstones. We will do all we can to assist. Our friendly Receptionists can put you in touch with the right person when you ring. If we are not available when you call, we will get back to you.

Best wishes everyone for a successful Term Two; it will be busy with lots of opportunities to try new things, excel and participate.

Warm Regards
